The Stingray Peter Lance,2000 The Stingray is the first book of investigative journalism to take a critical look at Survivor, the most successful summer T.V. series in history. Five-time Emmy-winning investigative reporter Peter Lance reveals startling evidence on how Richard Hatch (the sole Survivor) achieved his victory, as well as information about how the CBS network controlled the 16 Castaways and limited their income after the series Finale. Lance also levels charges of possible manipulation by the series producers in the production of this potentially FCC regulated game show. Finally, there's a page turning account of Richard Hatch's tumultuous life. This is a must read for the millions of Survivor fans and an intriguing introduction to the series for those that missed it.

Lethal Connections Erik Daniel Shein,Melissa Davis,Karen Fuller,2023-06-20 In a sleepy little parish just outside of New Orleans, murder is no rare occurrence. Sergeant Lance Knight has a pile of unsolved homicide cases on his desk. On the surface, none seem to be connected. The victims are all men with money or power. An investment banker, a lawyer, and a local politician. They don't socially run in the same circles. Lance can't find a connection. Working closely with coroner Gina Goodwin, Lance and Gina discover a pattern. Three unrelated things the bodies all have in common—a string of lethal connections. Is it just a coincidence, or is it something more? Things heat up when Lance realizes he's getting close to finding the killer, and everything spirals out of control. Can he piece it together before it's too late?

The Cavalry Lance Alan Larsen,Henry Yallop,2017-11-30 The development of cavalry firearms and the widespread disappearance of armour from the European battlefield saw a decline in the use of the cavalry lance in early modern warfare. However, by 1800 the lance, much changed from its medieval predecessors in both form and function, was back. During the next century the use of the lance spread to the armed forces of almost every Western country, seeing action in every major conflict from the Napoleonic Wars to World War I including the Crimean and Franco-Prussian wars and across the Atlantic in the American Civil War. The lance even reached the colonial conflicts of the Anglo-Sikh and Boer wars. It was not until the disappearance of the mounted warrior from the battlefield that the lance was consigned to history. Featuring specially commissioned artwork and drawing upon a variety of sources, this is the engaging story of the cavalry lance at war during the 19th and 20th centuries, from Waterloo to the Somme.

The Mystery of the Grail Julius Evola,2018-07-13 In this important study of the meaning of the Grail, one of Europe's greatest esoteric philosophers discloses the pre-Christian and initiatic sources of this symbolic motif that is so central to Western mythology and culture. He demonstrates how the main features of the legend are from an older tradition analogous to the great heroic sagas and cycles of the North, and that the Grail itself is a symbol of initiation. Evola uncovers the hidden meaning in the often surreal adventures of the knights who searched for the Grail, interpreting them as inner experiences and tests for the seeker. He also explores the history of the myth in the Middle Ages, its use by the Knights Templar and the Cathars, its legacy during the decline of the Holy Roman Empire, and its links with Rosicrucianism, alchemy, and Masonry. This excursion into the realm of the Grail throws new light on an endlessly fascinating subject.

The Girl From Convict Lake Sharon Shipley,2023-03-20 Young heirs to an automotive fortune joyride a priceless prototype while D.U.I., ending in a spectacular fireball. Meggie now has a limp and scars she obsesses over as worse than they are. When she inherits the last asset, a decrepit Victorian lake house and dumping ground for a serial killer, she impulsively speeds to the isolated spot without telling anyone, neither a diner-owner, a female deputy, or good old boy forest ranger, all warning her of the ‘blizzard of the century’ and young women gone missing in the inhospitable area of dense federal forests and bottomless lakes... When kissing-cousin Zak and brother Lance show up, following the money, three desperate people play cat and killer games in Michigan’s harsh, unforgiving Upper Peninsula, battling lust, starvation, and the serial murderer among them in the isolated snowbound lake house, until only two are left standing...for now.

West to Bravo Eric H. Heisner,2014-11-11 One man finds himself torn between two cultures in this sweeping tale of frontier life in post-Civil War era Texas. In the years following the American War Between the States, the once vacated military presence in west Texas is on the rise to protect the waves of settlers moving into the region. Living peaceably with the Mescalero Apache, half-breed former military scout Holton Lang promotes the tentative harmony between the US cavalry and the Native American population. But when the delicate peace between the two nations is broken, Holton is asked to negotiate a new agreement with the US military at Fort Davis. Angered by Holton and his respected position in the Apache camp, brave Stalking Wolf joins other hostile warriors in bloody warfare against the white settlers and blue-coated military. Leaving behind his Apache wife and the domestic life he was building, Holton journeys back to his former home in white civilization for talks of peace. When the battle becomes personal, Holton is finally forced to confront the chasm that separates the two worlds into which he was born. Written in the style of the traditional John Ford/John Wayne cavalry pictures, *West to Bravo* evokes an era of classic Western fiction and paints an exciting and touching tale of one man stuck in the middle of a terrible conflict. Skyhorse Publishing is proud to publish a broad range of books for readers interested in fiction that takes place in the old West. Westerns—books about outlaws, sheriffs, chiefs and warriors, cowboys and Indians—are a genre in which we publish regularly. Our list includes international bestselling authors like Zane Gray and Louis L’Amour, and many more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

Apion rides by the emperor’s side as they march east, marshalling Byzantium’s armies for the conflict that is to come. He knows only too well that the threat posed by the Sultan’s hordes is well-matched by malevolent forces within the Byzantine ranks. Thus, the road to war is a savage one, but one he cannot refuse. For at its end, Fate beckons, taunting him with a choice of two futures. On the plains of Manzikert, one great power will rise and another will fall. On the plains of Manzikert, Apion will face the storm. The epic conclusion to the Strategos series, perfect for fans of David Gilman and Christian Cameron.

The advent of a worldwide war sweeps these powerful beings and many more into desperate strife. Battles rage over Krynn with a fury that threatens to annihilate nations and whole races—even dragonkind. As campaigns ebb and flow, generations of lesser mortals come and go, and the great serpents are left to determine the fate of the world.
