Alphagram Super Flash Cards Ellen Shapiro, 2021 Finally, alphabet flash cards you can spell words with. Colorful, fun, emoji-style drawings cue the letter-sounds on these ABC flash cards that are more than decorative. With these cards, your student or child is learning much more than how to recognize the letters of the alphabet. Perfect for preschoolers, kids in pre-school, kindergarten or first grade; older children with learning differences; or kids who are learning their letters. The letters are set in a custom typeface that makes it easy to point out the similarities and differences between each letter and between lower- and upper-case letters. Each card features a big, clear lower-case alphabet letter. (We recommend teaching lower-case letters first - they make up more than 95% of the text we read.) The upper-case (capital) letters are shown in the bands at

the bottom of the cards, so children can compare the letter shapes and see the same word spelled both in lower- and upper-case. You'll receive seven letter-size (8 1/2 x 11 inch) pages printed on high-quality cover stock, each with four cards 3 5/8 x 5 1/8 ready for you to cut out and start working with right away. Consonants are red, vowels are blue, which makes making the words, and reading them, easy. Includes suggestions for learning games- including our favorite match the emoji to the letter. There's a dashed line along the center of each card, making it easy to cut apart the top, emoji, section and the bottom, letter, section. Mix them up in two piles and have your student or child choose the correct emoji for each letter.
