Though dressed in Didi's clothes and wig, the broken body on the sidewalk isn't Didi . . . THERE'S NO DOUBT Remmi was fifteen when she last saw her mother. En route to meet her crush, Noah Scott, Remmi secretly witnessed Didi handing over one of her newborn twins to a strange man. Then Didi disappeared, as did Remmi's other half-sibling. Remmi pleaded with the authorities to find them, with no success. Yet she's always sensed that someone is watching her . . . YOU WILL DIE Noah, now running his own PI firm, resurfaces in Remmi's life, determined to find out what happened that long-ago night. As they dig deeper, the truth about Remmi's family begins to emerge—a story of greed and twisted lies that someone will kill again and again to keep hidden . . .

Liar, Liar, Head on Fire Vera Strange,2021-08-10 On the outside, twelve-year-old Hector seems like he's got it all. He's strong, fast, and rumored to be the favorite to win this year's Zeus Cup at the Mt. Olympus Spartan Race, the highest honor in his small Midwestern town. Hector's parents and his five siblings trained to win gold in their twelfth year, but all fell short. Now, Hector is their last chance to bring glory to the family and he's starting to feel the pressure. After a mysterious (and extremely talented) girl named Mae obliterates him at the practice run, Hector is desperate to do whatever it takes to win and make his family proud. Cue a certain god of the Underworld who has a mighty proposition for Hector: Hades will give him godlike strength and speed in exchange for the trophy at the end of the race. Seems like a pretty good trade-off. But as Hector soon discovers, no deal with Hades is as straightforward as it seems and he's going to have to go the distance or risk going from hero to zero. Grab your nightlight, dear reader, and prepare to be CHILL-ed!

The Nicole Graves Mysteries 1. The Swap 2. The Bequest 3. *Liar Liar* 4. The Ransom All Nicole Graves Mysteries can be read as stand-alone novels.

Liar, Liar T. L. Martin, 2020-07-10 Dirty. That's what I am. Born a dirty little secret and later sold to the worst kind of evil. That day broke me, stealing the most sacred parts of my body and my soul. So I ran—from them, from home, from everything. That's when I found him. He became my savior before he even knew I existed. And then I was welcomed into the family. Now he sees me. I make sure of it. I notice the way he watches me when I slip from my bed and fall into someone else's. See the heated flicker in his eyes when I peer up at him from behind red solo cups, wandering hands, and blaring music. Feel the burn in his touch when I stumble and he catches me—and he always catches me. But I'm no longer the same weak girl he discovered hiding behind his house all those years ago, and some demons simply can't be set free. All the lies in the world can't hide that. Even though the same blood doesn't run through our veins, I know he can never be mine. I was never supposed to fall for him. We're family now, and I'm going to be a good little sister. *Liar, liar, liar*. CONTENT WARNING: contains sex, profanity, and sensitive subject matter, including sexual abuse (such as rape) and taboo content.

Leave her unsatisfied after making out in a bathroom. Then find out that she's the one thing standing in the way of your dreams. And she very much doesn't like being lied to. If we can't work together to save the Fireballs, the commissioner's forcing a sale and moving them across the country. I'll do anything to save my home team. But the one thing I can't do? Keep my hands to myself. Which would be fine, if she hadn't been telling me lies this whole time too. *Liar, Liar, Hearts on Fire* is a rocking fun romance between a single dad obsessed with baseball, an heiress with secrets, baseball pants, a rundown team, and rabid ducks.
