Though dressed in Didi’s clothes and wig, the broken body on the sidewalk isn’t Didi . . . THERE’S NO DOUBT Remmi was fifteen when she last saw her mother. En route to meet her crush, Noah Scott, Remmi secretly witnessed Didi handing over one of her newborn twins to a strange man. Then Didi disappeared, as did Remmi’s other half-sibling. Remmi pleaded with the authorities to find them, with no success. Yet she’s always sensed that someone is watching her . . . YOU WILL DIE Noah, now running his own PI firm, resurfaces in Remmi’s life, determined to find out what happened that long-ago night. As they dig deeper, the truth about Remmi’s family begins to emerge—a story of greed and twisted lies that someone will kill again and again to keep hidden . . .

Liar, Liar Gabrielle Williams,2004-12-01 Welcome to life Down Under, where the clubs, the drinks, the fashion, and the sex is out of control--where blackmail and chaos count as foreplay, and the only thing more insane than lying to win someone's heart is telling the truth to keep it.

Liar-Liar Sandra Michael,2001-10-01 This book presents a story surrounded by people and the lies that they have told and lived, and the one person who can always tell they are not telling the truth!

Liar, Liar, Pants on Fire Gordon Korman,2008-10-01 Zoe is always making up wild stories. When something exciting really does happen to her -- like an eagle nesting in her backyard -- no one wants to believe her!

Liar Liar Antonio Diaz LLL,2020-04-04 Fletcher Reede is a crooked lawyer and divorced father living in Los Angeles. He loves spending time with his young son Max; they often play a game where Fletcher makes his hand into the Claw and pretends to chase Max with it. Fletcher, though, has a habit of giving precedence to his career, breaking promises to Max and his ex-wife Audrey, and then lying about the reasons. Fletcher's compulsive lying has also built him a reputation as a successful defense lawyer in California as he climbs the ranks in the firm he works for. Ultimately, Fletcher misses his son's birthday party because he has sex with his boss Miranda, in the hopes of making partner. Max makes a birthday wish that his father would be unable to tell a lie for an entire day ♦ a wish that immediately becomes true. Fletcher soon discovers, through a series of embarrassing incidents ♦ such as when he tells Miranda that he has had better sex than he just did with her ♦ that he is unable to lie, mislead, or even withhold a true answer. These incidents are inconvenient, as he is fighting a divorce case in court which, should he win, could be a boost to his career. His client is Samantha Cole, a gold-digger. His main witness, Kenneth Falk, who Samantha has been cheating with, is eager to commit perjury to win, but Fletcher discovers that he cannot even ask a question if he knows the answer will be a lie; during the case he even objects to himself when he tries to lie to get the desired information. Meanwhile, Audrey is planning to move to Boston with her new boyfriend Jerry, and decides that Max will go with them to protect him from the disappointment Fletcher causes him when he breaks his promises. Fletcher tries desperately to delay the case, even beating himself up, but he cannot conceal that he is able to continue, so the judge insists that he does. Finally, when Fletcher is bound to lose the case, he discovers that Samantha had lied about her age and therefore had signed the prenuptial agreement as a minor, rendering the contract void. This entitles Samantha to 50% of her husband, Richard Cole's marital assets, equal to \$11.395 million, allowing Fletcher to win the case truthfully. Samantha then insists on contesting custody of their children for an extra \$10,000 in child support payments from Richard. A visibly disheartened Fletcher watches as Samantha literally pulls the crying children out of Richard's arms. Appalled by the decision, Fletcher desperately tries to convince the judge to overturn the ruling, but he insults the judge's methods and is arrested for contempt of court. Fletcher calls Audrey to pay his bail, but she informs him that their plane leaves for Boston that night; his bail is eventually paid by his secretary, Greta.

Liar, Liar, Head on Fire Vera Strange,2021-08-10 On the outside, twelve-year-old Hector seems like he's got it all. He's strong, fast, and rumored to be the favorite to win this year's Zeus Cup at the Mt. Olympus Spartan Race, the highest honor in his small Midwestern town. Hector's parents and his five siblings trained to win gold in their twelfth year, but all fell short. Now, Hector is their last chance to bring glory to the family and he's starting to feel the pressure. After a mysterious (and extremely talented) girl named Mae obliterates him at the practice run, Hector is desperate to do whatever it takes to win and make his family proud. Cue a certain god of the Underworld who has a mighty proposition for Hector: Hades will give him godlike strength and speed in exchange for the trophy at the end of the race. Seems like a pretty good trade-off. But as Hector soon discovers, no deal with Hades is as straightforward as it seems and he's going to have to go the distance or risk going from hero to zero. Grab your nightlight, dear reader, and prepare to be CHILL-ed!

Liar, Liar Judi Curry,2019-10-24 Liar, Liar: A Non-Fiction Account of Online Dating Experiences By: Judi Curry Judi is a retired educator that lost her husband in 2009 to lung cancer after 46 years of marriage.

Married at seventeen, she had never lived on her own and after the pangs of loss numbed, she decided that she would like to find a full-time companion to spend the rest of her life with. The only problem was where would a 60+ year-old female go to find such companionship? Online dating seemed a viable answer, so she signed up with online dating services to meet that companion. Liar, Liar is a word for word accounting of the men she talked to over a period of four years. The wording of the communications has not been edited, nor changed, for to do so would have changed the communication drastically between them. Although each of the chapters are about the “scammers” she met, she did meet several men that were sincere and their stories are not part of the book because of that sincerity. At this point she is still looking for a companion, but not online.
