Stain A. G. Howard,2019-01-15 A princess must win back her kingdom, save a prince, and restore peace in this fantasy by the #1 New York Times–bestselling author of the Splintered series. After Lyra—a princess incapable of speech or sound—is cast out of her kingdom of daylight by her wicked aunt, a witch saves her life, steals her memories, and raises her in an enchanted forest...disguised as a boy known only as Stain. Meanwhile, in Lyra’s rival kingdom, the prince of thorns and night is dying, and the only way for him to break his curse is to wed the princess of daylight—for she is his true equal. As Lyra finds her way back to her identity, an imposter princess

prepares to steal her betrothed prince and her crown. To win back her kingdom, save the prince, and make peace with the land of the night, Lyra must be loud enough to be heard without a voice, and strong enough to pass a series of tests—ultimately proving she's everything a traditional princess is not. "A decadent fantasy anchored in childhood delights with vibrantly detailed writing and brilliantly theatrical subplots." —Kirkus Reviews "[A] reimagining of "The Princess and the Pea" . . . An emotionally complex tale of fate, inner beauty, and found family that illustrates the strength of love born from friendship." —Publishers Weekly

Ghazals Mir Taqi Mir, 2022-02-15 The finest ghazals of Mir Taqi Mir, the most accomplished of Urdu poets. The prolific Mir Taqi Mir (1723–1810), widely regarded as the most accomplished poet in Urdu, composed his ghazals—a poetic form of rhyming couplets—in a distinctive Indian style arising from the Persian ghazal tradition. Here, the lover and beloved live in a world of extremes: the outsider is the hero, prosperity is poverty, and death would be preferable to the indifference of the beloved. Ghazals offers a comprehensive collection of Mir's finest work, translated by a renowned expert on Urdu poetry.

**The Night Before Preschool** Natasha Wing, 2011-05-12 It's the night before preschool, and a little boy named Billy is so nervous he can't fall asleep. The friends he makes the next

day at school give him a reason not to sleep the next night, either: he's too excited about going back! The book's simple rhyming text and sweet illustrations will soothe any child's fears about the first day of school.

**Print and the Urdu Public** Megan Eaton Robb,2020-10-19 In early twentieth century British India, prior to the arrival of digital medias and after the rise of nationalist political movements, a small-town paper from the margins of society became a key player in Urdu journalism. Published in the isolated market town of Bijnor, Madinah grew to hold influence across North India and the Punjab while navigating complex issues of religious and political identity. In *Print and the Urdu Public*, Megan Robb uses the previously unexamined perspective of the Madinah to consider Urdu print publics and urban life in South Asia. Through a discursive and material analysis of Madinah, the book explores how Muslims who had settled in ancestral qasbahs, or small towns, used

newspapers to facilitate a new public consciousness. The book demonstrates how Madinah connected the Urdu newspaper conversation both explicitly and implicitly with Muslim identity and delineated the boundaries of a Muslim public conversation in a way that emphasized rootedness to local politics and small urban spaces. The case study of this influential but understudied newspaper reveals how a network of journalists with substantial ties to qasbahs produced a discourse self-consciously alternative to the Western-influenced, secularized cities. Megan Robb augments the analysis with evidence from contemporary Urdu, English, and Hindi papers, government records, private diaries, private library holdings, ethnographic interviews, and training materials for newspaper printers. This thoroughly researched volume recovers the erasure of qasbah voices and proclaims the importance of space and time in definitions of the public sphere in South Asia. *Print and the Urdu Public* demonstrates how an Urdu newspaper published from the margins became central to the Muslim public constituted in the first half of the twentieth century.
