**Life Essentials Study Bible** Holman Bible Staff,2011-10-01 So what? That's the response many people have to the Bible. Read a passage, interpret it, and still they ask, So, what difference does that make in my life? In the Life Essentials Study Bible, renowned Bible teacher Gene Getz complements the full text of the popular HCSB translation by elaborating on 1,500 principles in Scripture that are as relevant today as when the sixty- six books of the Bible were written. Distilling these truths into principles, Getz helps the reader more easily remember and effectively apply the Bible's wisdom to everyday life. He explains how each of these principles represents a supracultural truth - one that can and should be applied at any moment in history and in every cultural situation. In addition, the Life Essentials Study Bible was created with an integrated digital study system--more than 250 hours of free online coaching content led by Getz--that fosters a greater understanding of the Bible's grand story. Along the way, Getz adds pertinent questions in print to inspire personal reflection or group discussion of each principle. There's also an introduction to each book of the Bible and its list of corresponding principles, plus a topical index and cross references for all 1,500 principles. Other features of this dynamic study Bible - available in six different editions - include a two-piece gift box (leather editions only) as well as a presentation page. Owning a copy of this astounding project containing the prodigious work and wisdom of my friend and mentor Gene Getz will be like having him in the next room -- available to advise me on every passage. Being able to access his video teaching on each of the 1,500 'Principles to Live By' is a breakthrough approach, making this truly the first multi-media study Bible. What a treasure! I know it will inform my own writing. Jerry Jenkins, owner, Christian Writer's Guild, and author of the Left Behind series

**Essential Tennis** Ian Westermann,2022-05-31 The essential book from online tennis coaching sensation Ian Westermann, founder of EssentialTennis.com What's the number one thing stopping you from playing your best tennis? Ian Westermann, founder of the world's #1 online tennis instruction portal, Essentialtennis.com, will confidently

say it’s an obstacle you probably never thought of: The ball. You might think this sounds ridiculous. The whole point of tennis is to hit the ball over the net and in, so how can the ball be the thing that’s standing in the way? In fact, this is why the ball is such an impediment: your desire to hit a good shot, with the right mix of power and spin, to a specific spot on the court, prevents you from striking the ball the way you should. In *Essential Tennis*, readers – players and coaches, alike – will learn how improving at tennis actually happens and how to easily implement these lessons and integrate them into better play on the court. Players will hit stronger shots, make fewer errors, and beat players who are currently beating them. Coaches will look differently at what it means to provide a student with a holistic learning experience. *Essential Tennis* contains technique-based instruction for executing groundstrokes, volleys, and serves, as well as progressions, drills, and mindsets players should incorporate. Westermann illuminates strokes, movement, strategy, and mental toughness – all proven to be successful over 20 years with clients of all ages and skill levels.
