Confronting Christianity Rebecca McLaughlin, 2019-04-17 Although many people suggest that Christianity is declining, research indicates that it continues to be the world's most popular worldview. But even so, the Christian faith includes many controversial beliefs that non-Christians find hard to accept. This book explores 12 issues that might cause someone to dismiss orthodox Christianity—issues such as the existence of suffering, the Bible's teaching on gender and sexuality, the reality of heaven and hell, the authority of the Bible, and more. Showing how the best research from sociology, science, and psychology doesn't disagree with but actually aligns with claims found in the Bible, these chapters help skeptics understand why these issues are signposts, rather than roadblocks, to faith in Christ.

Happy Lawyer Happy Life Clarissa Rayward, 2017-02 Can lawyers really be happy? Research the world over is showing us that lawyers are unhappy in very large numbers. Here in Australia, current research suggests that one in three lawyers will experience depression at some stage during their careers. For anyone practising in law or considering it in their future, this statistic is both overwhelming and so very sad. *Happy Lawyer, Happy Life* is the book for people on the law path who want to live the happiest life they can, at the same time enjoying all that brought them to their law career in the first place. Written by Australian lawyer Clarissa Rayward, *Happy Lawyer, Happy Life* will give you the tools you need to make the best of your career in the law and, perhaps more importantly, find happiness in your life. Clarissa's own experience of managing unhappiness in her career is combined with the knowledge and wisdom of many other happy lawyers to create this practical guide - a must-read for anyone considering or navigating a career in the law.

Even in Our Darkness Jack S. Deere, 2018-03-06 I am the descendant of drinkers and drifters better at passing on their love for the bottle than family history... Prepare yourself for an unvarnished, harrowing look at one Christian's life. A powerful memoir of knowing and being known by God through the pain of loss, tragedy, and brokenness—*Even in Our Darkness* explores what it means to fend off doubt and despair, even in the most painful trials. Jack Deere tells the true story of his life growing up near Fort Worth, Texas in the 1950's and the disintegration of his family following his father's suicide. Despite his difficult childhood and an inclination toward the depression that had crushed his parents, Deere describes how he began to wrestle with Christianity and how God was...slipping in through the crack of an open wound. In his mid-twenties, Jack rose to fame and success as a leading scholar, popular speaker, and bestselling author. But despite being rescued and exalted, Jack was devastated in the years that followed, losing his troubled son to suicide and his wife to alcoholism. Only then did he fully face his own addictions, surrender control, and experience true healing. An authentic story of the Christian life, *Even in Our Darkness* is like following an experienced guide through a barren country. Like many believers, Deere has had experiences that nearly destroyed him, and he was shown, by grace, how to overcome life's disappointments and learn to hear God speak in unbelievable ways, despite the darkness that surrounds us. Unmasked, unsettling, and unforgettable . . . this will change the landscape of your soul. —Ann Voskamp, bestselling author of *The Broken Way* and *One*

The Making of a Salafi Muslim Woman Anabel Inge, 2017 The spread of Salafism--often referred to as Wahhabism--in the West has intrigued and alarmed observers since the attacks of 9/11. Many see it as a fundamentalist interpretation of Islam that condones the subjugation of women and fuels Jihadist extremism. This view depicts Salafi women as the hapless victims of a fanatical version of Islam. Yet in Britain, growing numbers of educated women--often converts or from less conservative Muslim backgrounds--are actively choosing to embrace Salafism's literalist beliefs and strict regulations, including heavy veiling, wifely obedience, and seclusion from non-related men. How do these young women reconcile such difficult demands with their desire for university education, fulfilling careers, and suitable husbands? How do their beliefs affect their love lives and other relationships? And why do they become Salafi in the first place? Anabel Inge has gained unprecedented access to Salafi women's groups in the United Kingdom to provide the first in-depth account of their lives. Drawing on more than two years of ethnographic fieldwork in London, she examines why Salafism is attracting so many young Somalis, Afro-Caribbean converts, and others. But she also reveals the personal dilemmas they confront. This ground-breaking, lucid, and richly detailed book will be of vital interest to scholars, policy-makers, journalists, and general readers.

The Gaybo Revolution Finola Doyle O'Neill, 2017-08-30 It is no exaggeration to call Gay Byrne a colossus of the Irish broadcasting scene. Throughout the latter half of the twentieth century, as host of both the Late Late Show and the Gay Byrne Show, he played a seminal role in the shift in Irish society and culture from the Church-dominated fearful state of the early 1960s to the modern multicultural Ireland we live in today. The Gaybo Revolution examines the significance of Gay Byrne's influence on this maturation of Irish society, while simultaneously highlighting the centrality of the talk show genre in Irish life. Equally reviled and revered, Byrne has been referred to as the great window-opener and a media lay priest. But his influence in single-channel Ireland is undeniable. Using letters to the editor, media articles, recent studies of Irish culture, quotes from Byrne himself and a re-examination of the original broadcasts, *The Gaybo Revolution* explores how Byrne and his talk shows, on both radio and television, provided a forum for popular debate and acted as catalysts for change in Irish life. It analyses and discusses the impact on Irish society of such controversies as Church denunciations of the Late Late Show, the Brian Trevisky affair, the development of the Irish Women's Liberation Movement, the Ann Lovett letters, and the seminal interviews with Annie Murphy, Pádraig Flynn and Terry Keane. In the final section of the book, the modern history of the Late Late Show, the development of Irish TV and radio talk shows in the post-Byrne era and the contrasting nature of TV talk shows in the UK and US are explored. *The Gaybo Revolution* will appeal to all those who wish to understand the evolution of Irish society and culture in the late twentieth century and the substantial impact of Irish media on this change.

Black Boy [Seventy-fifth Anniversary Edition] Richard Wright, 2020-02-18 A special 75th anniversary edition of Richard Wright's powerful and unforgettable memoir, with a new foreword by John Edgar Wideman and an afterword by Malcolm Wright, the author's grandson. When it exploded onto the literary scene in 1945, *Black Boy* was both praised and condemned. Orville Prescott of the New York Times wrote that "if enough such books are written, if enough millions of people read them maybe, someday, in the fullness of time, there will be a greater understanding and a more true democracy." Yet from 1975 to 1978, *Black Boy* was banned in schools throughout the United States for "obscenity" and "instigating hatred between the races." Wright's once controversial, now celebrated autobiography measures the raw brutality of the Jim Crow South against the sheer desperate will it took to survive as a Black boy. Enduring poverty, hunger, fear, abuse, and hatred while growing up in the woods of Mississippi, Wright lied, stole, and raged at those around him--whites indifferent, pitying, or cruel and Blacks resentful of anyone trying to rise above their circumstances. Desperate for a different way of life, he headed north, eventually arriving in Chicago, where he forged a new path and began his career as a writer. At the end of *Black Boy*, Wright sits poised with pencil in hand, determined to "hurl words into this darkness and wait for an echo." Seventy-five years later, his words continue to reverberate. "To read *Black Boy* is to stare into the

heart of darkness,” John Edgar Wideman writes in his foreword. “Not the dark heart Conrad searched for in Congo jungles but the beating heart I bear.” One of the great American memoirs, Wright’s account is a poignant record of struggle and endurance—a seminal literary work that illuminates our own time.

Lughat-UL-Quran 2 Ghulam Ahmad Parwez, 2015-01-18 In order to understand the true message and spirit of the Holy Quran, it is essential to know the language it has been revealed in. The first step is to understand the meaning of individual words. One needs to understand how words were used by the ancient Arabs by the time of Quranic revelation, and not depend on anyone’s explanation or understanding as to what they mean today. Along with proper understanding of Arabic grammar, the true meanings of Quranic words, and their use with respect to the context in which they have been revealed in, one student of Quran may get closer to the Truth. The task of creating a Quranic dictionary or encyclopedia that would explain the classical meanings of Quranic words and their use along with significance was undertaken by Allama Ghulam Ahmed Parwez in 1960, where he compiled Lughat-ul-Quran in Urdu language. Now this dictionary has been translated to English by Quranic Education Society in Norway, in order to appeal to a larger audience worldwide and to inspire modern Quranic students.

The Garfield Conspiracy Owen Dwyer, 2021-09-07 Richard Todd, an award-winning writer, is outwardly successful but inwardly plagued by uncertainties. Worst of all, he can’t seem to write any more. When a bright young editor, Jenny Lambe, arrives on his doorstep to work with him on his latest book, about the assassination of US president James Garfield, his life is sent spinning off in a new direction. President Garfield was killed by Charles Guiteau, who was tried and hanged for the murder. But was he acting alone, or was there a more sinister force at work? Richard hears Guiteau’s voice in his head, and as his relationship with Jenny deepens, he is visited by other characters in the drama. Are they helping Richard solve the mystery surrounding Garfield’s murder – or pushing him further towards the edge? A remarkable, disturbing portrait of a middle-aged man torn between his carefully constructed life and new adventures which may beckon, in the present and the past, from one of Ireland’s most exciting emerging authors.

Broadcasting in Irish Iarlaíolaí Watson, 2003 Watson (sociology, U. College, Dublin) argues that the Irish language plays an important role in national identity in Ireland, and shows how changes in broadcasting in the country coincide with changes in national identity. He begins with radio in the 1920s, and proceeds through the founding of an Irish-language television station in 1996 to the present. Distributed in the US by ISBS. Annotation 2004 Book News, Inc., Portland, OR (booknews.com).

Broadcasting Diversity Katie Moylan, 2013 Broadcasting Diversity explores modes of migrant representation and participation in Irish radio, focusing on the national public broadcaster Raidió Teilifís Éireann and Dublin community stations and examining the opportunities provided for voicing migrant experience in transcultural program production. Investigating the intersection between an established Irish culture on the one hand and the nascent emergence of a transnational culture on the other, this book focuses on the ways in which migrant representation and self-representation have been variously effected in the Irish public sphere via the medium of radio.

Changing of the Guard Tim Doyle, 2021-09-10 Jack Murrinan was a key modernizer of policing in

Ireland. He was elected to the national executive of the Representative Body for Guards (RBG), the precursor to the Garda Representative Association (GRA). When younger gardaí were excluded from a pay award in 1961, the RBG instructed its members to go slow in implementing traffic regulations in Dublin. A meeting of protesting gardaí at the Macushla ballroom in Dublin was proscribed. About 160 guards who attended were served with disciplinary notices charging them with discreditable conduct. Eleven men, including Marrinan, were dismissed by the commissioner. Changing of the Guard tells the story of Marrinan as a transformational figure in the force at a time of great social and economic change. Under his leadership, the GRA evolved into a skilful and powerful negotiating body. Nearly all of the advantages that gardaí enjoy today in their service are built on the foundations he established.
