1,000 Greetings Peter King & Company, 2004-04-01 With designers constantly working for clients and having a limited amount of freedom in much of their work, the chance to strike out on their own and do something truly original and personal is a real luxury. The cards included represent some of the most creative design available so are a wonderful source of inspiration for all types of projects. All designers and design firms, whether in-house or freelance, create their own greeting cards which serve not only as a greeting card, but as an opportunity to show off their work in a totally unique and uninhibited light. In addition, they are the perfect project because they are small enough so they are not incredibly time consuming nor are they very expensive to produce -- even with unique materials or treatments.

Flora & Ulysses Kate DiCamillo, 2013-09-24 Winner of the 2014 Newbery Medal Holy unanticipated occurrences! A cynic meets an unlikely superhero in a genre-breaking new novel by master storyteller Kate DiCamillo. It begins, as the best superhero stories do, with a tragic accident that has unexpected consequences. The squirrel never saw the vacuum cleaner coming, but self-described cynic Flora Belle Buckman, who has read every issue of the comic book *Terrible Things Can Happen to You!*, is just the right person to step in and save him. What neither can predict is that Ulysses (the squirrel) has been born anew, with powers of strength, flight, and misspelled poetry – and that Flora will be changed too, as she discovers the possibility of hope and the promise of a capacious heart. From #1 New York Times best-selling author Kate DiCamillo comes a laugh-out-loud story filled with eccentric, endearing characters and featuring an exciting new format – a novel interspersed with comic-style graphic sequences and full-page illustrations, all rendered in black-and-white by up-and-coming artist K. G. Campbell.

Looking For Normal Steve Slavin, 2023-04-03 AN AUTISTIC BOY WHO BEAT THE

ODDS. Looking For Normal is the memoir of author, musician and filmmaker, Steve Slavin. His obsession with music, at an early age, led to a long career in the creative arts, albeit one plagued by clinical depression and the symptoms of a condition he was unaware of until 2008. In recounting the 48 years that led to his autism diagnosis, this darkly humorous memoir will inform and inspire anyone with an interest in mental health and autism. But more than this, it is the story of an emotionally disturbed child, without a future who, against the backdrop of low expectation, became an ambitious, independent adult, with a wife, daughters, and a career stifled by the long shadow of his childhood dysfunction. A wonderful insight into an extraordinary life. - Peter Holmes Ph.D. Insightful, inspiring, informative and entertaining. Looking For Normal is not just about overcoming the adversities that life throws at you on a regular basis. It is also about someone's journey of accepting, embracing and celebrating everything that comes with having autism. - Dr RF (Senior practitioner Educational Psychologist).
