## A Little Thing Called Life Linda

Thompson, 2016-08-23 Award-winning songwriter Linda Thompson breaks her silence, sharing the extraordinary story of her life, career, and epic romances with two of the most celebrated, yet enigmatic, modern American superstars—Elvis Presley and Bruce Jenner For the last forty years, award-winning songwriter Linda Thompson has quietly led one of the most remarkable lives in show business. The longtime live-in love of Elvis Presley, Linda first emerged into the limelight during the 1970s when the former beauty pageant queen caught the eye of the King. Their chance late-night encounter at a movie theater was the stuff of legend, and it marked the beginning of a whirlwind that would stretch across decades, leading to a marriage with Bruce Jenner, motherhood, and more drama than she ever could have imagined. Now, for the first time, Linda opens up about it all, telling the full story of her life, loves, and everything in between. From her humble beginnings in Memphis to her nearly five-year relationship with Elvis, she offers an intimate window into their life together, describing how their Southern roots fueled and sustained Graceland's greatest romance. Going inside their wild stories and tender moments, she paints a portrait of life with the King, as raucous as it is refreshing. But despite the joy they shared, life with Elvis also had darkness, and her account also presents an unsparing look at Elvis's twin demons—drug abuse and infidelity—forces he battled throughout their time together that would eventually end their

relationship just eight months before his untimely death. It was in the difficult aftermath of Elvis's death that Linda found what she believed was her true home: the arms of Olympic gold medal-winner Bruce Jenner. Detailing her marriage to Bruce, Linda reveals the seemingly perfect life that they built with their two young sons—Brandon and Brody—before Bruce changed everything with a secret he'd been carrying his entire life, a secret that Linda herself kept for nearly thirty years, a secret that Bruce's transition to Caitlyn Jenner has finally laid bare for the world. Providing a candid look inside one of the most challenging moments of her life, Linda uncovers the struggles she went through as a woman and a mother, coming to terms with the reality of Bruce's identity and resolving to embrace him completely no matter what, even as it meant they could no longer be together. And yet, despite her marriage unraveling, her search for love was not over, eventually leading her to the legendary music producer and musician David Foster—a relationship that lasted for nineteen tumultuous years, resulting in a bond that spurred her songwriting career to new heights but also tested her like never before. Filled with compelling and poignant stories and sixteen pages of photographs, *A Little Thing Called Life* lovingly recounts Linda's incredible journey through the years, bringing unparalleled insight into three legendary figures.

**Stepping Back from the Ledge** Laura Trujillo, 2022-04-19 In this "seismically moving memoir" (The New York Times Book Review, Editors' Choice), one woman asks a seemingly impossible question in the aftermath of her mother's suicide: How do you mourn a loved one as you repair the injuries they inflicted? "Laura Trujillo

resurfaces from the dark 'sub-basement' of despair with assurances for us all: There is hope. There is healing. Always, there is love. This book will save lives."—Connie Schultz, author of *The Daughters of Erietown* ONE OF THE BEST BOOKS OF THE YEAR: The New Yorker Laura Trujillo had been close to her mother for most of her adult life, raising her four children within a few miles of their beloved grandmother's Phoenix home. But just three months after moving her young family to Cincinnati for a new job, Laura receives shocking news: Her mother had taken her own life—by jumping off a ledge into the Grand Canyon, a place Laura knew her mother had always loved. Laura and her mother had shared a profound and special bond, yet each had also kept from the other the deepest truths about their lives. As an adult, Laura finally broke her silence about the sexual abuse she had suffered as a teenager at the hands of her stepfather—a secret Laura had buried to protect her mother. After her mother's death, Laura embarks on an emotional odyssey, searching for clues that could explain the depression, intergenerational trauma, and shared heartbreaks in her family. When she returns to the Grand Canyon, it becomes an oasis that nurtures Laura's search for redemption and peace. As Laura wrestles with her feelings, she forges a new path forward. Moving and intimate, powerfully told, *Stepping Back from the Ledge* is a remarkable exploration of the bond between a mother and daughter, and of the hope that can come from facing the truth.

**The Very Worst Missionary** Jamie Wright, 2018-04-03 "The reason you love Jamie (or are about to) is because she says exactly what the rest of us are thinking, but we're too afraid to upset the apple cart. She is a voice for the outlier, and we're famished for what she has to say." --Jen Hatmaker, New York Times bestselling author of *Of Mess and Moxie* and *For the Love*  
Wildly popular blogger Jamie the Very Worst Missionary delivers a searing, offbeat, often hilarious memoir of spiritual disintegration and re-formation. As a quirky Jewish kid and promiscuous punkass teen, Jamie Wright never imagines becoming a Christian, let alone a Christian missionary. She is barely an adult when the trials of motherhood and marriage put her on an unexpected collision course with Jesus. After finding her faith at a suburban megachurch, Jamie trades in the easy life on the cul-de-sac for the green fields of Costa Rica. There, along with her family, she earnestly hopes to serve God and change lives. But faced with a yawning culture gap and persistent shortcomings in herself and her fellow workers, she soon loses confidence in the missionary enterprise and falls into a funk of cynicism and despair. Nearly paralyzed by depression, yet still wanting to make a difference, she decides to tell the whole,

disenchanted truth: Missionaries suck and our work makes no sense at all! From her sofa in Central America, she launches a renegade blog, Jamie the Very Worst Missionary, and against all odds wins a large and passionate following. Which leads her to see that maybe a bad missionary--awkward, doubtful, and vocal--is exactly what the world and the throngs of American do-gooders need. The Very Worst Missionary is a disarming, ultimately inspiring spiritual memoir for well-intentioned contrarians everywhere. It will appeal to readers of Nadia Bolz-Weber, Jen Hatmaker, Ann Lamott, Jana Reiss, Mallory Ortberg, and Rachel Held Evans.

*Dharmendra Rajiv Vijayakar, 2018* A teacher's son from the hinterlands of Punjab who dreamt of doing what Dilip Kumar, Dev Anand and Raj Kapoor did on screen and expecting to own 'a flat and a Fiat' consequently, has emerged as one of the most loved icons of Hindi cinema.
