Star Crossed Kimberly C. Moore,2020-09-01 The astronaut crime that shocked the world *Star Crossed* transports readers to the moment the news broke that one of America's heroes, an astronaut who had flown aboard the Space Shuttle *Discovery* & just months before, had been arrested for a very bizarre crime. Lisa Nowak had driven 900 miles from Houston to Orlando to intercept and confront her romantic rival in an airport parking lot—allegedly using diapers on the trip so she wouldn't have to stop. Nowak had been dating astronaut William "Billy" Oefelein when she learned that Oefelein was seeing a new girlfriend—U.S. Air Force Captain Colleen Shipman. The "astronaut love triangle" scandal quickly made headlines. The world watched as Nowak was dismissed from NASA, pleaded guilty to a felony, and received an "other than honorable" military discharge. An award-winning investigative reporter who covered Nowak's criminal case, Kimberly Moore offers behind-the-scenes insights into Nowak's childhood, her rigorous training, and her mission to space. Moore ventures inside the mind of the detective who studied the actions Nowak took that fateful February night. She includes never-before-told details of Nowak's psychiatric diagnosis, taking a serious look at how someone so accomplished could spiral into mental illness to the point of possible attempted murder. This book spotlights the

often-overlooked psychological health of astronauts, exploring how they are cared for by NASA doctors and what changes have been made in recent years to support space travelers on long-term missions. Expertly told, Moore's story is a riveting journey inside the high-pressure world of one of America's most elite agencies and the life of one beleaguered astronaut.

Desert Places Robyn Davidson, 2013-12-31 From the bestselling author of *Tracks*: A travel writer's memoir of her year with the nomadic Rabari tribe on the border between Pakistan and India. India's Thar Desert has been the home of the Rabari herders for thousands of years. In 1990, Australian Robyn Davidson, "as natural a travel writer as she is an adventurer," spent a year with the Rabari, whose livelihood is increasingly endangered by India's rapid development (*The New Yorker*). Enduring the daily hardships of life in the desert while immersed in the austere beauty of the arid landscape, Davidson subsisted on a diet of goat milk, roti, and parasite-infested water. She collided with India's rigid caste system and cultural idiosyncrasies, confronted extreme sleep deprivation, and fought feelings of alienation amid the nation's isolated rural peoples—finding both intense suffering and a renewed sense of beauty and belonging among the Rabari family. Rich with detail and honest in its depictions of cultural differences, *Desert Places* is an unforgettable story of fortitude in the face of struggle and an ode to the rapidly disappearing way of life of the herders of northwestern India. "Davidson will both disturb and exhilarate readers with the acuity of her observations, the sting of her wit, and the candor of her emotions" (Booklist).

*Slade (Walk of Shame #1)* Victoria Ashley, 2014-06 My name is Slade Merrick and I'm a sex addict . . . I've been told it's a problem. I see it as a passion... something I'm good at. And who stops something that they're good at? They want me to seek help. Don't judge my lifestyle. You're no better than me. Just admit it, you like to have sex too. Sex is what I do best; my own personal high, so I embrace it instead of being ashamed. When I'm not fu\*king, I'm slinging drinks at Walk of Shame or stripping my way into your bed, another thing I'm good at. Every woman's darkest fantasy brought to life. So, am I stopping? Hell no. Sex is beautiful, raw and erotic and I get off knowing I can have it with anyone I want . . . with the exception of her. Aspen. She walks into the club swaying those hips, instantly drawing my dick to attention. She's pure perfection. That is, until she opens that mouth, drawing me in, and for the first time in forever, I want something more than sex. I want her, and she hates it. Things get dirty. Dirty is what I like... it's how I live. But she's playing a game she can never win. . .
