When a little girl is home sick for dress-up day at school, she decides there's no need to miss out entirely: She'll just wear her rabbit costume the next day! But when the next day arrives and she's the only one in costume, it doesn't feel like such a great idea, after all. Can a little bit of confidence and an unexpected new friend turn a self-conscious moment into a wonderful one? I Had a Favorite Dress Boni Ashburn,2011-10-01 Open up a fresh and stylish story about growing up and keeping hold of your favorite memories. As the year passes, the narrator's favorite dress goes through a series of creative changes, from dress to shirt to tank top to scarf and so on, until all that's left of it is a good memory. Assisted by her patient and crafty mama, the narrator finds that when disaster strikes her favorite things, she doesn't need to make mountains out of molehills—she “makes molehills out of mountains” instead! Structured around the days of the week, the story is also illustrated to show the passing of the

seasons, a perfect complement to the themes of growing older and keeping hold (and letting go) of special mementos. Praise for *I Had a Favorite Dress* A spunky story about adjusting to change with creativity and style. Tailor-made, so to speak, for the Etsy generation of DIY enthusiasts.” –Publishers Weekly “Everyone is smiling in the buoyant confections created by illustrator Julia Denos—including, it’s fair to say, young readers looking at them. Endearing picture book.” –Wall Street Journal “What could have been yet another example of kindergarten consumerism instead becomes one of resourcefulness and resilience.” –New York Times “Denos’s multimedia illustrations reinforce the narrator’s vibrant personality and the amazing transformations of the dress while capturing the action and emotion of the story. This book is sure to capture the imaginations of would-be seamstresses; children who can’t bear to part with a favorite item; and those who want to reduce, reuse, recycle.” –School Library Journal “Breezy in style, they smartly stitch each scene of alteration as the not-so-little girl sashays through the days of the week and the seasons. A charming interpretation of an old story that will speak to young fashionistas.” –Kirkus Reviews
