Worsdale, 2014-01-10 The annual visit by Pedro's grandparents coincides with his discovery of special marbles found in rocks brought home by his father from the marble mine where he works. The village of Marbleville and the mine there hold some very strange mysteries, where in the past whole families just disappeared without trace. **A Handful Of Marbles** Patanjali Patnaik, 2022-02-26 'A Handful of Marbles' is a collection of twelve stories that takes readers down the nostalgia lane to what childhood used to be, much before the whole world and its kids went digital. The stories revolve around Pushkar, a nine-year-old precocious boy with a mind of his own. The readers get a ringside view of his life sprinkled with happiness, tears, conflicts, collaborations, love, bonhomie, fears, fantasies, aspirations, arrogance, anger, and more. Be it fighting his guilt conscience after unfairly winning a marble match, his ambition to be a manjha ninja, his encounter with ghouls, his confrontation with the Sarkar gang, obsession with Bruce Lee, his dilemma choosing between Lord Krishna and Jesus, his comic book adventure, his unusual acting debut in a film or infatuation for Twinkle Miss, the stories tend to be endearing, humorous and sometimes, plain baffling. Whatever the outcome, they will leave the readers smiling, thinking, and rooting for Pushkar.

*1,000 Marbles* Jeffrey Davis, Jeff Davis, 2001 How do we spend our time on the planet? Do we fill it with mindless activity or do we consider it a precious gift? In *1,000 Marbles*, author Jeff Davis shares a modern parable about discovering and appreciating life's finite nature. At age 55, a man realizes his life expectancy is about 75 years of age and calculates that he has about 1,000 Saturdays left to enjoy. He buys a thousand marbles and marks the passing of each Saturday by removing one marble from a jar. When he removes the last marble on his 75th birthday, he considers each subsequent weekend to be bonus time. And that's only the introduction to this incredible, inspirational list book. *1,000 Marbles* offers a thousand thought-provoking ideas for what to do on your Saturdays. Load the family into the car and take a drive into the country. It's always better if you try to get lost on such a trip! Go fishing. Remember, a bad day of fishing beats a good day of working, anytime. Have you ever taken a ride in a hot-air balloon? I haven't yet, but I plan to spend a marble doing just that one day. On a warm summer day, I like to spread a blanket on the ground and take a nap. There's nothing like sleeping outside.

Marble fans won't want to go without this fantastic reference, which has been the standard collecting guide since its first publication nearly 35 years ago. Collecting Antique Marbles not only provides up-to-date pricing information, it provides collecting tips and advice on the hobby every collector should know. **A Little Garden Calendar for Boys and Girls** Albert Bigelow Paine, 1905 When Dr. S. P. Langley, Secretary of the Smithsonian Institution, established the Children's Room in that great museum, he took for his motto, Knowledge begins in wonder, and he put into this room a selection of specimens especially intended to excite interest in the young mind. The biggest bird and the littlest were placed side by side; curious eggs, nests, and insects-not many in number, but temptingly displayed-were ranged about to attract attention and to awake the desire to know more. It was the same Dr. Langley who had once declared that his chief interests in life were children and fairy stories, and it is in the little Washington room that we seem to find the thought embodied, for the children are there, and the fairy stories of nature are suggested on every hand.

*Marbles 2* Myrna Doreen White, 2024-01-19 Kyle and his mother, with Kyles cat, Tingy, had arrived in India from San Francisco over a year ago. He soon met a boy named Rahip. They became very good friends. Kyle and his friend were interested in finding a certain Marble. They were lead to believe that some Marbles were mystical with powers beyond imagination. Kyle and Rahip were on a journey through enjoyment and uncertainties, while they continued to seek the four mystical marbles. Kyle had left his friends back home, but now had found new friends in places Kyle would never imagine, like those who live under the city, whose name is Dabadaman. Rahip and Kyle in seeking the marbles end up going to special places, through jungles, where they meet animals who are able to speak in human language, known to them as Animalise. They also asked Kyle and Rahip to ride on their backs so it is faster to get to where they wish to go. The boys risk their lives trying to save many animals as well as meeting strange people who also seek the mystical marbles and go to great lengths to find them.
