Hinge Moments D. Michael Lindsay,2021-04-27 In life we have moments in time in which we have an opportunity before us to make a change or to respond to a situation. According to Michael Lindsay, president of Gordon College, what follows these instances will depend intrinsically on the decisions we make and the actions we take. These are what he calls hinge moments—opportunities to open (or close) doors to various pathways of our lives. Lindsay maintains that getting these moments right can change our lives for the better, and getting them wrong can pose problems for years to come: Some transitions have a disproportionate impact on our happiness, our contribution to society, and our family's well-being. In these pages Lindsay shares faith-based stories of success and failure from his ten-year study of 550 PLATINUM leaders. He has charted seven phases of transition, providing both practical and spiritual insights for making the most of each stage. In uncertain and tumultuous times, there is no better advantage than wisdom gained early.

The Case for Marriage Linda Waite,Maggie Gallagher,2002-03-05 A groundbreaking look at marriage, one of the most basic and universal of all human institutions, which reveals the emotional, physical, economic, and sexual benefits that marriage brings to individuals and society as a whole. The Case for Marriage is a critically important intervention in the national debate about the future of family. Based on the authoritative research of family sociologist Linda J. Waite, journalist Maggie Gallagher, and a number of other scholars, this book's findings dramatically contradict the anti-marriage myths that have become the common sense of most Americans. Today a broad consensus holds that marriage is a bad deal for women, that divorce is better for children when parents are unhappy, and that marriage is essentially a private choice, not a public institution. Waite and Gallagher flatly contradict these assumptions, arguing instead that by a broad range of indices, marriage is actually better for you than being single or divorced—physically, materially, and spiritually. They contend that married people live longer, have better health, earn more money, accumulate more wealth, feel more fulfillment in their lives, enjoy more satisfying sexual relationships, and have happier and more successful children than those who remain single, cohabit, or get divorced. The Case for Marriage combines clearheaded analysis, penetrating cultural criticism, and practical advice for strengthening the institution of marriage, and provides clear, essential guidelines for reestablishing marriage as the foundation for a healthy and happy society. "A compelling defense of a sacred union. The Case for Marriage is well written and well argued, empirically rigorous and learned, practical and commonsensical." -- William J. Bennett, author of *The Book of Virtues* "Makes the absolutely critical point that marriage has been misrepresented and misunderstood." -- The Wall Street Journal www.broadwaybooks.com

View From the Top D. Michael Lindsay,M. G. Hager,2014-05-05 Learn leadership from the best—proven insights from the power elite in business, government, and beyond View from the Top brings readers inside the corridors of power and relates the personal stories and powerful findings from the Platinum Study, a groundbreaking study of 550 elite American CEOs, senior government leaders, and nonprofit executives based on ten years of research. The largest study of its kind, the Platinum Study delves into the domains of the elite with stories that illustrate both the use and misuse of power across the landscape of prominent American institutions such as AT&T, Harvard University, UnderArmour, JP Morgan Chase, Bain & Company, and the White House. The book explores not only how leaders wield power, but it also provides readers with insight into applying the strategies of the successful in their own lives. In the United States, only a few thousand individuals make the decisions that influence the lives of over 300 million people. Whether in the government, business, higher education, or the arts, these individuals direct policy and set the terms of national debates, yet remain virtually unknown. View from the Top explores the real lives of the elite and the social worlds they inhabit, revealing lessons about influence at the top, and the seven principles that shape those in power. The results of the Platinum Study include unexpected truths such as: Being born into wealth is a poor predictor of leadership success One program can set you on the path to leadership It doesn't matter what college you attend A leader's best work never sees the light of day Time-crushed executives are better situated than most to manage their family lives Crisis is the quickest way for a leader to shape an institution Working longer does not mean working better The book examines the different paths to power and describes the essence of leadership and the fundamental traits that distinguish a leader from the pack. For anyone seeking sharpen their leadership skills and impact the world around them, View from the Top: An Inside Look at How People in Power See and Shape the World provides the roadmap to taking charge and inspiring change.

Good and Cheap Leanne Brown,2015-07-14 A perfect and irresistible idea: A cookbook filled with delicious, healthful recipes created for everyone on a tight budget. While studying food policy as a master's candidate at NYU, Leanne Brown asked a simple yet critical question: How well can a person eat on the \$4 a day given by SNAP, the U.S. government's Supplemental Nutrition Assistance Program informally known as food stamps? The answer is surprisingly well: Broiled Tilapia with Lime, Spicy Pulled Pork, Green Chile and Cheddar Quesadillas, Vegetable Jambalaya, Beet and Chickpea Salad—even desserts like Coconut Chocolate Cookies and Peach Coffee Cake. In addition to creating nutritious recipes that maximize every ingredient and use economical cooking methods, Ms. Brown gives tips on shopping; on creating pantry basics; on mastering certain staples—pizza dough, flour tortillas—and saucy extras that make everything taste better, like spice oil and tzatziki; and how to make fundamentally smart, healthful food choices. The idea for Good and Cheap is already proving itself. The author launched a Kickstarter campaign to self-publish and fund the buy one/give one model. Hundreds of thousands of viewers watched her video and donated \$145,000, and national media are paying attention. Even high-profile chefs and food writers have taken note—like Mark Bittman, who retweeted the link to the campaign; Francis Lam, who called it "Terrific!"; and Michael Pollan, who cited it as a "cool kickstarter." In the same way that TOMS turned inexpensive, stylish shoes into a larger do-good movement, Good and Cheap is poised to become a cookbook that every food lover with a conscience will embrace.

When Evil Reigns John Ford,Katherine Ford,2011-03 This is an exciting time to be alive on planet earth! It is a time when many of the secrets of the universe will be revealed. When Evil Reignstakes you on a journey to Armageddon and names the world's power players who will carry out the end times' scenario. It tells you the who, what, where, when, and why and points the way to the future. For generations people have

been guessing about the identity of the coming antichrist, but only Bible prophecy has accurately illuminated what's to come. Authors John and Katherine Ford have tied the antichrist's life and psychological profile to that of Adolf Hitler's. When this is augmented by scripture, logical deduction, research, historical data, and international politics, a timeline and clear country of origin emerge out of the tangle of prophecies, mysteries, and symbolism surrounding the antichrist. The dates presented may well fall within your lifetime. When Evil Reigns is a wake up call to all sedentary Christians, as well as to those who don't know Christ, a cry from the rooftops that the end is near. Exactly how imminent the tribulation is, is something that only God knows. But one thing is certain; we are living in the days When Evil Reigns.

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Lindsay Ford Of Wheaton free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading

and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Lindsay Ford Of Wheaton free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Lindsay Ford Of Wheaton free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Lindsay Ford Of Wheaton. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Lindsay Ford Of Wheaton any PDF files. With these platforms, the world of PDF downloads is just a click away.
