Zen of Drawing Peter Parr,2015-09-17 Zen of Drawing inspires you to pick up a pen, pencil or an iPad and start drawing what you see with a 'zen' approach. Author Peter Parr has spent his career in animation successfully teaching people to draw and encouraging students to nurture their skills through observational drawing. He advocates a fresh way of looking closely at your subject and enlisting an emotional response, in order to fully appreciate the nature of what you are about to draw. You will learn that whatever you are drawing, it is essential not only to copy its outline but also to ask yourself: is it soft, smooth or rough to the touch? How heavy is it? Is it fragile or solid? Then, having grasped the fundamental characteristics, or zen, of the object, make corresponding marks on the paper – crisp textures, a dense wash, a scratchy or floating line. The chapters cover: keeping a sketchbook; tools (pen, pencil, charcoal, watercolour and iPad); perspective; line and volume; tone and texture; structure and weight; movement and rhythm; energy, balance and composition.

God Has a Wonderful Plan for Your Life Ray Comfort,2010-05-17 Why do 9 out of 10 children raised in Christian homes leave the Church? Why do many professing Christians show little or no evidence for their faith? Why do 80-90% of those making decisions for Christ fall away from the faith? For decades, the world's most popular gospel message has been drawing the lost by promising God's wonderful plan for their life. But behind the facade of the wonderful plan message is the reality of the trials, temptation, and persecution that Jesus promised. How can we reconcile the two? In this life-changing book, best-selling author Ray Comfort explores whether this common gospel approach aligns with real life--and with Scripture. The vital biblical principles he reveals will force you to reexamine your ideas about the gospel--and will teach you how to reach unbelievers the way God intended. A must-read for all who care about the lost. Over a quarter million copies in print!
