**The Fall Line: America's Rise to Ski Racing's Summit** Nathaniel Vinton,2015-02-02 "Great sports writing. . . . [Vinton] is taking us inside a world few ever visit."—James Hill, Washington Post Harnessing nature's most powerful forces, elite downhillers descend icy, rugged slopes at speeds cresting 90 miles per hour. For decades, American skiers struggled to match their European counterparts, and until this century the US Ski Team could not claim a lasting foothold on the roof of the Alps, where the sport's legends are born. Then came a fledgling class of American racers that disrupted the Alpine racing world order. Led by Bode Miller and Lindsey Vonn, Julia Mancuso and Ted Ligety, this band of iconoclasts made a place for their country on some of the world's most prestigious race courses. Even as new technology amplified the sport's inherent danger, the US Ski Team learned how to win, and they changed downhill racing forever. The Fall Line is the story of how it all came together, a deeply reported reconstruction of ski racing's most dramatic season. Drawing on more than a decade of research and candid interviews with some of the sport's most elusive figures, award-winning journalist Nathaniel Vinton reveals the untold story of how skiers like Vonn and Miller, and their peers and rivals, fought for supremacy at the Olympic Winter Games. Here is an authoritative portrait of a group of men and women taking mortal risks in a bid for sporting glory. A white-knuckled tour through skiing's deep traditions and least-accessible locales, The Fall Line opens up the sexy, high-stakes world of downhill skiing—its career-ending crashes, million-dollar sponsorship deals, international intrigue, and showdowns with nature itself. With views from the starting gate, the finish line, and treacherous turns in between, The Fall Line delivers the adrenaline of one of the world's most beautiful and perilous sports alongside a panoramic view of skiing's past, present, and future.

The Ki of Skiing Dale Mollenhauer,2008-03 The KI of skiing is the ultimate booklet on Centering and the use of KI to obtain insane speeds on a pair of ski''s; with some degree of safety. For those who are not insane it gives you the mental skills to enjoy our sport to a very high degree. All skiing was done at Mount Shasta on a very narrow Black Diamond ski slope. The ski used was a Green 203-CM. G.S.(World Cup) by Elan and a very old Nordica ski boot held on by Look Bindings. The pictures help illustrate the ski skills that hone your balance, teach subtle Edging skills and correct hip movements. By adding the Real Secrets of Skiing.... Centering and Ki.... You have both the physical and mental skills to excel in the sport of Skiing. Even tho the booklet is small in size I think you will find that it gives you the knowledge to make huge gains in your skiing skills. As your balance and edging skills improve and along with being centered and using KI, your turns will have more power. Along with that

power comes faster and cleaner turns(less sliding). The biggest improvement will be a reduced number of falls you make by being in your Center. There is a rumor, (I don''t know who started it!), that if you are in your Center, the opposite sex will be strongly attracted to you....! I have tried to pass on the mental skills that should be at the core of great skiers. Without these mental skills you are just another Hacker that will never enjoy the pure thrill of scaring yourself silly.... T those that have the patience and courage to read and apply what I have imparted to your deeper understanding.... ....Go and become great skiers!....The KI of Skiing is my gift to the sport of snow skiing. I hope many read it and actually use the knowledge within. It may make the sport a little safer and enjoyable for all.... Will do clinics and on the hill demonstration''s. Must provide transportation, lodging, food, and an obscene amount of cash.... Dale Mollenhauer 528-670 Little Valley Rd. Little Valley, CA. 96056 If any questions about your skiing or the booklet, send a \$20.00 check and S.A.S.E. to the above address.
