

Liquid Comics Snakewoman Introduction

Philip Jose Farmer

SNAKEWOMAN Graphic Novel, Volume 2 Zeb Wells, 2014-12-19 Created by acclaimed filmmaker Shekhar Kapur, (Elizabeth; Golden Age; Four Feathers). Jessica Peterson is hounded by 68 individuals, all reincarnations of the 18th Century British soldiers that killed her serpentine brethren. In this stand-alone one-shot (and perfect jumping on point!) we see the saga of the Snake Woman through one of their eyes. Mr. Robinson is trapped in the domestic cage he's created for himself. But when strange dreams of the Indian jungle begin to manifest themselves as dark impulses in his daily life, Mr. Robinson discovers his dark past, and embraces his murderous future!

THE TALL TALES OF VISHNU SHARMA: PANCHATANTRA - VOL. 1 Samit Basu, 2014-01-12 Collecting the miniseries by author Samit Basu (The GameWorld Trilogy, Turbulence, Resistance) and Ashish Padlekar (Walk-In). Some old stories never lose their bite... Something's invading the stories of our childhood, leaving death and oblivion in its wake. Now, a motley crew of animal heroes from ancient Indian fables must unite to survive. But first they must find the boy destined to save them, the chosen guardian of the Panchatantra. Thing is he has no idea they even exist. Vishnu Sharma, would-be boy hero, is too busy playing in online tournaments to care about fighting storybook wars. But when a none-too-fictional talking lion, monkey and bull arrive at his doorstep, Vishnu must choose between protecting the tales of the Panchatantra, or silently standing by as they disappear into storybook history. With naughty boy wizards, cuddly anime-sociopaths, and a not-so-frightful King of the Jungle.

The Publishers Weekly ,2006

Shekhar Kapur's Snake Woman: The faithful Zeb Wells, Shekhar Kapur, 2007 Jessica Petersen has grown accustomed to her snake-ish ways ... that is, turning into a half-woman, half-snake. As the reincarnated Snake Goddess, Jess has wreaked a path of vengeance against the 68 - those who had ruthlessly desecrated the sacred temple of the Snake God in the 18th century. Harker, head of the 68, is pleased with the arrangement he's made with Jess, and is determined to end the cycle of reincarnation he faces by helping her kill those he is meant to lead - even if that means destroying The Faithful, the secret society within the 68 created to protect its members from any harm. As the blood count gets thicker, Jess finds herself amidst a labyrinth of duplicity. Between the Faithful, Harker, and those closest to Jess, who can she trust, and who will pay the price of the Snake Woman's blood bath?

Devi Shekhar Kapur, Saurav Mohapatra, 2007 Tara Mehta felt trapped in her aimless life, always suspecting she was destined for greater things. But being the avatar of the celestial warrior Devi, an entire pantheon's champion destined to fight the renegade god Bala, was a bit out of her league. Nevertheless, the Goddess and the Human in her joined forces and prevailed over Bala. Now Tara's mind must maintain its sanity as the divine and the human coexist. Will she be able to live up to her promise of being not just a champion for the gods, but also the harbinger of hope for the entirety mankind? Ancient and primal apocalyptic forces awaken from their eon-old slumber and head straight for the city of Sitapur, with only Devi standing in their way. Writer Saurav Mohapatra (India Authentic) and artist Saumin Patel join forces for Devi's deadliest test, Karmageddon.

Monstrous Women in Comics Samantha Langsdale, Elizabeth Rae Coody, 2020-04-20

Contributions by Novia Shih-Shan Chen, Elizabeth Rae Coody, Keri Crist-Wagner, Sara Durazo-DeMoss, Charlotte Johanne Fabricius, Ayanni C. Hanna, Christina M. Knopf, Tomoko Kuribayashi, Samantha Langsdale, Jeannie Ludlow, Marcela Murillo, Sho Ogawa, Pauline J. Reynolds, Stefanie Snider, J. Richard Stevens, Justin Wigard, Daniel F. Yezbick, and Jing Zhang Monsters seem to be everywhere these days, in popular shows on television, in award-winning novels, and again and again in Hollywood blockbusters. They are figures that lurk in the margins and so, by contrast, help to illuminate the center—the embodiment of abnormality that summons the definition of normalcy by virtue of everything they are not. Samantha Langsdale and Elizabeth Rae Coody's edited volume explores the coding of woman as monstrous and how the monster as dangerously evocative of women/femininity/the female is exacerbated by the intersection of gender with sexuality, race, nationality, and disability. To analyze monstrous women is not only to examine comics, but also to

witness how those constructions correspond to women's real material experiences. Each section takes a critical look at the cultural context surrounding varied monstrous voices: embodiment, maternity, childhood, power, and performance. Featured are essays on such comics as Faith, Monstress, Bitch Planet, and Batgirl and such characters as Harley Quinn and Wonder Woman. This volume probes into the patriarchal contexts wherein men are assumed to be representative of the normative, universal subject, such that women frequently become monsters.

Jackson Pollock Pepe Karmel,1999 Published to accompany the exhibition Jackson Pollock held the Museum of Modern Art, New York, from 1 November 1998 to 2 February 1999.

Ovid on Screen Martin M. Winkler,2020-01-30 The first study of Ovid, especially his *Metamorphoses*, as inherently visual literature, explaining his pervasive importance in our visual media.

The Monstrous-Feminine Barbara Creed,2015-09-04 In almost all critical writings on the horror film, woman is conceptualised only as victim. In *The Monstrous-Feminine* Barbara Creed challenges this patriarchal view by arguing that the prototype of all definitions of the monstrous is the female reproductive body. With close reference to a number of classic horror films including the *Alien* trilogy, T

My Tiny Life Julian Dibbell,1998 This novelistic rendering of a true account tells of a celebrated rape case which took place in an electronic salon, where Internet junkies have created their own interactive fantasy realm.

Grant Morrison's 18 Days Vol. 2 Grant Morrison,Sharad Devarajan,Gotham Chopra,Samit Basu,Ashwin Pande,2016-06-01 From legendary creator Grant Morrison (*All Star Superman*, *Batman & Robin*, *The Invisibles*) comes the second volume in his epic creation, as the battle between two armies of super warriors plays out on the battlefield as we flashback to see the events that brought people to the war. *18 Days* is the story of three generations of super-warriors, meeting for the final battle of their age, a climactic war that concludes the age of the gods and begins the age of man. Collecting the first story arc from the series. This is not a *Lord of the Rings* or a *Star Wars* where the good guys win because they are right. The good guys in *18 Days* are forced to cheat and lie and break rules to win. Although it has fantastic, mythic trappings, this is a very modern story of realpolitik and the failure of ideals in the face of harsh truth. - Grant Morrison

Percy Jackson and the Olympians, Book Five: The Last Olympian Rick Riordan,2009-05-02 All year the half-bloods have been preparing for battle against the Titans, knowing the odds of victory are grim. Kronos's army is stronger than ever, and with every god and half-blood he recruits, the evil Titan's power only grows. While the Olympians struggle to contain the rampaging monster Typhon, Kronos begins his advance on New York City, where Mount Olympus stands virtually unguarded. Now it's up to Percy Jackson and an army of young demigods to stop the Lord of Time.

The Masculine Civilization Rene Hirsch,2013-10-20 For thousands of years, men have struggled to establish their supremacy. At first, they used spirits to secure for themselves a function in a natural world that seemed to have taken sides with the feminine. Eventually, they created an all-mighty divinity, and established their status as second to none other than that highest of all authority. Sailing through history, we show that the way procreation was perceived has determined how men and women positioned themselves in the universe. It has wielded consequences that have deeply affected our evolution, from the primal vision of an all-encompassing natural world in which Mother Nature represented the source of all life, to the subjection of nature and woman, with God the Father sitting at the summit of the creation. This emphasis on gender and nature brings into perspective the current social and economic resurgence of women and the new attitude towards environment that needs to be protected from our own deeds. These intricate leitmotifs make us witness a turning point in our history.

Comics as a Nexus of Cultures Jochen Ecke,Gideon Haberkorn,2010-03-10 These essays from various critical disciplines examine how comic books and graphic narratives move between various media, while merging youth and adult cultures and popular and high art. The articles feature international perspectives on comics and graphic novels published in the U.S., Canada, Great

Britain, Portugal, Germany, Turkey, India, and Japan. Topics range from film adaptation, to journalism in comics, to the current manga boom.

An Illustrated Encyclopaedia of Traditional Symbols J. C. Cooper, 1987-03-17 In nearly 1500 entries, many of them strikingly and often surprisingly illustrated, J. C. Cooper has documented the history and evolution of symbols from prehistory to our own day. With over 200 illustrations and lively, informative and often ironic texts, she discusses and explains an enormous variety of symbols extending from the Arctic to Dahomey, from the Iroquois to Oceania, and coming from systems as diverse as Tao, Christianity, Judaism, Buddhism, Islam, Tantra, the cult of Cybele and the Great Goddess, the Pre-Columbian religions of the Western Hemisphere and the Voodoo cults of Brazil and West Africa.

The Sadhu Gotham Chopra, Deepak Chopra, 2007 Sadhus do not know love or hate, desire or fear. They are detached from all emotional ties, devoting themselves to a spiritual journey said to unleash unimaginable powers. It is this ancient tradition that James Jenson is fated to tread but he must first tackle his biggest obstacle yet - himself. When James Jenson, a down-on-his-luck Englishman, is recruited into her majesty Queen Victoria's army and posted with his family in Colonial India, he takes the first step towards meeting his destiny. But a tragic twist of fate sends James on a journey that will force him to choose between spiritual awakening and human instinct, guiding him from a simple soldier to a spiritual warrior. Between oath and instinct there is *The Sadhu*.

Women in Marvel Films Miriam Kent, 2023-02-28

Enchanted Feminism Jone Salomonsen, 2002 The first major study of the famous Reclaiming community of witches, founded in 1979 in San Francisco. Examines gendered and religious identities and the communal and ritual processes of Reclaiming.

Image of the Beast Philip Jose Farmer, 2012-11-05 After viewing his partner's mutilation in a home movie, a horrified private detective pursues leads in the most disgusting case of his career. His investigation plunges him into a nightmare of sexual brutality and supernatural bestiality. It is a journey he - and you - will never forget.

Liquid Comics Snakewoman Introduction Book Review: Unveiling the Magic of Language
