The White Coat Investor James M. Dahle,2014-01 Written by a practicing emergency physician, The White Coat Investor is a high-yield manual that specifically deals with the financial issues facing medical students, residents, physicians, dentists, and similar high-income professionals. Doctors are

highly-educated and extensively trained at making difficult diagnoses and performing life saving procedures. However, they receive little to no training in business, personal finance, investing, insurance, taxes, estate planning, and asset protection. This book fills in the gaps and will teach you to use your high income to escape from your student loans, provide for your family, build wealth, and stop getting ripped off by unscrupulous financial professionals. Straight talk and clear explanations allow the book to be easily digested by a novice to the subject matter yet the book also contains advanced concepts specific to physicians you won't find in other financial books. This book will teach you how to: Graduate from medical school with as little debt as possible Escape from student loans within two to five years of residency graduation Purchase the right types and amounts of insurance Decide when to buy a house and how much to spend on it Learn to invest in a sensible, low-cost and effective manner with or without the assistance of an advisor Avoid investments which are designed to be sold, not bought Select advisors who give great service and advice at a fair price Become a millionaire within five to ten years of residency graduation Use a Backdoor Roth IRA and Stealth IRA to boost your retirement funds and decrease your taxes Protect your hard-won assets from professional and personal lawsuits Avoid estate taxes, avoid probate, and ensure your children and your money go where you want when you die Minimize your tax burden, keeping more of your hard-earned money Decide between an employee job and an independent contractor job Choose between sole proprietorship, Limited Liability Company, S Corporation, and C Corporation Take a look at the first pages of the book by clicking on the Look Inside feature Praise For The White Coat Investor Much of my financial planning practice is helping doctors to correct mistakes that reading this book would have avoided in the first place. - Allan S. Roth, MBA, CPA, CFP(R), Author of How a Second Grader Beats Wall Street Jim Dahle has done a lot of thinking about the peculiar financial

problems facing physicians, and you, lucky reader, are about to reap the bounty of both his experience and his research. - William J. Bernstein, MD, Author of The Investor's Manifesto and seven other investing books This book should be in every career counselor's office and delivered with every medical degree. - Rick Van Ness, Author of Common Sense Investing The White Coat Investor provides an expert consult for your finances. I now feel confident I can be a millionaire at 40 without feeling like a jerk. - Joe Jones, DO Jim Dahle has done for physician financial illiteracy what penicillin did for neurosyphilis. - Dennis Bethel, MD An excellent practical personal finance guide for physicians in training and in practice from a non biased source we can actually trust. - Greg E Wilde, M.D Scroll up, click the buy button, and get started today!

Excel for Budgeting M.L. Humphrey, Microsoft Excel is a fantastic tool for both business and personal use. And one of the most powerful uses of Excel for individuals is in tracking your finances. This guide will walk you through how to create an Excel workbook that will allow you to track your monthly expenses, your cash and credit card spending by category, look at the next three months of income and expenses, as well as look at the bigger picture and calculate your assets, liabilities, net worth, and liquid net worth. By the time you're done using this guide you will have created a tracking workbook that you can use on an ongoing basis to measure your financial health and help reach your financial goals. This workbook is based on the principles outlined in Budgeting for Beginners, but you don't need to have read that book to use this one. You should, however, have a basic understanding of how to use Microsoft Excel. keywords: excel for budgeting, excel for money management, personal finance, track spending, assets, liabilities

Gravel Roads Ken Skorseth, 2000 The purpose of this manual is to provide clear and helpful information for maintaining gravel roads. Very little technical help is available to small agencies that are responsible for managing these roads. Gravel road maintenance has traditionally been more of an art than a science and very few formal standards exist. This manual contains guidelines to help answer the questions that arise concerning gravel road maintenance such as: What is enough surface crown? What is too much? What causes corrugation? The information is as nontechnical as possible without sacrificing clear guidelines and instructions on how to do the job right.

Managing Your Personal Finance: From Start Of Career To Retirement And More Wai Mun Fong, Benedict Seng Kee Koh, 2020-01-21 Managing Your Personal Finance teaches you how to manage your money and savings. Keeping technical jargon to a minimum, the authors have articulated a wide range of topics on complex financial issues into simple and easy-to-understand ways for those keen on making their savings work for them from the beginning of their career to retirement. Glosario Del Banco Mundial World Bank,1996 This edition of the World Bank has been revised and expanded by the Terminology Unit in the Languages Services Division of the World Bank in collaboration with the English, Spanish, and French Translation Sections. The Glossary is intended to assist the Bank's translators and interpreters, other Bank staff using French and Spanish in their work, and free-lance translator's and interpreters employed by the Bank. For this reason, the Glossary contains not only financial and economic terminology and terms relating to the Bank's procedures and practices, but also terms that frequently occur in Bank documents, and others for which the Bank has a preferred equivalent. Although many of these terms, relating to such fields as agriculture, education, energy, housing, law, technology, and transportation, could be found in other sources, they have been assembled here for ease of reference. A list of acronyms occurring frequently in Bank texts (the terms to which they refer being found in the Glossary) and a list of international, regional, and national organizations will be found at the end of the Glossary.
