Spanish Short Stories Sergio Rodriguez, 2019-11-25 Have you ever wanted to learn Spanish and have fun at the same time? Most of the time, teaching books are boring. They always have the same kind of format: Two (sometimes more) people talking about where the library is, or where to find Juan. That's boring, and to be honest, it's not a great way to learn the language (not to mention that they don't always talk about things that you might encounter in your daily life, for example, a judgmental ghost, being the last man on Earth, or maybe find that the love of your life has been stolen). But in this book, I will give you 20 short stories that will range from science fiction to romance, everything in between and sometimes even more. These stories will give you an entire picture of the Spanish language, and how to appreciate the subtlety of the language. The Spanish language is rich, full of small differences between the different countries. Things that might be one way in Argentina might be different in Spain or Mexico. But don't worry, with this

book, you will have a firm grasp on the language, and you will be able to understand and have a conversation with any Spanish speaker. After each story, there will be a questionnaire section where you will answer questions about the stories in Spanish. I really suggest to grab a blank page, and write down the answers, or the small assignments that you will be given (don't worry, they won't be long!). Remember to write them in Spanish, so you can practice and use the language. Also, in this section, you will find grammar and fun facts not just from the stories themselves, but from the inspirations behind them, and facts about living in a Spanish country. I hope you like them. All these stories are written from my heart, and I deeply hope that you will find them funny, mysterious, romantic, or at least entertaining. That's my goal as a writer, and I hope you enjoy your time reading (and learning!) Get your copy now!

Spanish Short Stories for Beginners Foreign Language Academy, 2019-11-26 ¡Hola! If you got here is because you are interested in learning Spanish using the stories method. Then, let me tell you that this book won't regret buying this book because it contains twenty stories about different topics that have vocabulary and sentences that will be really useful for your process of learning Spanish. As you might know, nowadays, Spanish is the second most spoken language all over the world. So, I guess that you have an idea of how this will help you to broaden your horizons in several ways. It is scientifically proven that learning a new language, or at least a second one, has a lot of benefits for your brain. It helps you to improve your memory; thinking about something in another language will help you to analyze the situation deeply; it makes easier to switch between tasks, will improve your confidence, and even will delay the effects of Alzheimer's for about

four or five years. Now, you might be wondering, What will I find here? Well, let me tell you that in this book, you will find 20 stories divided by chapters. Each chapter contains a story written in Spanish, at the end of it, you will find a brief summary of the story in Spanish, and afterward, you will find the summary translated to English. After that, a little list that contains the important vocabulary of each story. And last but not least, a question section that will help you to prove yourself and your reading comprehension. Here are some of the stories that you will find here: El pincel mágico: A kid who became an orphan, whose dream was to be an artist, was forced by his grandmother to study software engineering. One day, when he was coming back from work, he sat on a bench at a park, where an unknown subject gave him a magic brush. Everything drawn with that magic brush was brought to real life. Los hermanos del bosque: Two orphan kids who lived in the woods one day saw a blind man who took a nap in a tree near to where they lived. When the man woke up, he departed but left a bag where he had a nap. When the two brothers took the bag to see what was inside, they found tons of money. One of the brothers suggested keeping it, and that way they could live a better life. But the other brother knew that it was not right, so they decided to return the bag to its owner. But in reward, the old man gave them something... ¿Tradición o tragedia?: Four girls, used to go to the mall on Fridays to hang out, we're in the bathroom putting up makeup when an earthquake struck. When they came out of the bathroom. There was nobody else

inside the mall. They separated in order to search for other people, but a bit later, a second earthquake struck, this time, the lights of the mall and the signal of their phones died. What are you waiting for? BUY the book now. Y aprenda español ahora!

Language Hacking Spanish Benny Lewis, 2017-03-28 It's true that some people spend years studying Spanish before they finally get around to speaking the language. But here's a better idea. Skip the years of study and jump right to the speaking part. Sound crazy? No, it's language hacking. Unlike most traditional language courses that try to teach you the rules of Spanish, #LanguageHacking shows you how to learn and speak Italian through proven memory techniques, unconventional shortcuts and conversation strategies perfected by one of the world's greatest language learners, Benny Lewis, aka the Irish Polyglot. Using the language hacks -shortcuts that make learning simple - that Benny mastered while learning his 11 languages and his 'speak from the start' method, you will crack the language code and exponentially increase your language abilities so that you can get fluent faster. It's not magic. It's not a language gene. It's not something only other people can do. It's about being smart with how you learn, learning what's indispensable, skipping what's not, and using what you've learned to have real conversations in Spanish from day one. The Method #LanguageHacking takes a modern approach to language learning, blending the power of online social collaboration with traditional methods. It focuses on the conversations that learners need to master right away, rather than presenting language in order of difficulty

like most courses. This means that you can have conversations immediately, not after years of study. Each of the 10 units culminates with a speaking 'mission' that prepares you to use the language you've learned to talk about yourself. Through the language hacker online learner community, you can share your personalized speaking 'missions' with other learners - getting and giving feedback and extending your learning beyond the pages of the book . You don't need to go abroad to learn a language any more.

Spanish Language Lessons Intermediate Paul Banos, 2020-11-22 Are you ready to learn Spanish Pronunciation? Do you want to be fluent in Spanish language? Do you want to know how to write Spanish language? If you answered YES to all the questions, then this is the right book for you. Spain is in the top three most visited European destinations and it isn't just for holidays. Many people actually pack up and move there looking for a better life. Whether you are making the move or just visiting Spain for a holiday, it makes perfect sense to learn some of the language, including a little grammar, and that is what this book aims to do. Most people don't think when they head to a European country that they should learn the language because, after all, they speak English there don't they? Well, maybe they do but the local people much prefer it if you at least make an attempt to speak to them in their own lingo and you will find that, if you make the effort then so will they. This book is set up for anyone who has not studied Spanish before or for those who are wanting a supplement to learn the language in the beginning

stages. Included is a breakdown of the sentence structure in Spanish so that you can understand it much more easily. Also, there is a breakdown of how to conjugate verbs in the Spanish language. This information will come in handy as you continue to learn more Spanish in the future as well as strengthening the vocabulary which is focused upon in this book. The key to learning any new language is to incorporate it in as many ways as you can into your daily life. It will then quickly become second nature. The key to learning a language is to study it, but not to push yourself too hard. Your brain can only take in a certain amount of information before it starts to get foggy. No more than half an hour a day is all that is required to study the contents of this book and learn them, but do remember one thing - it's all very well reading this book, you have to put it into practice as well. Each chapter is dealing with a specific lesson that will be invaluable in the process toward fluency. In turn, each chapter is further divided into many smaller and easily digestible lessons that will help the reader develop his language skills. You're encouraged to study this book in order, following the gradual development of the lessons and the tips that are provided throughout the book. With this book you'll come to enjoy and ultimately love the Spanish language! What might seem to be difficult concepts at first are explained in such a way that you'll surely appreciate, making accessible to everyone reading this book. Spanish Short Stories for Beginners Lingo Lingo Mastery, 2018-01-16 Do you know what the hardest thing for a Spanish learner is? Finding PROPER reading material that they can handle...which is precisely the reason we've written this book! Teachers love giving out tough, expert-level literature to their students, books that present many new problems to the reader and force them

to search for words in a dictionary every five minutes -- it's not entertaining, useful or motivating for the student at all, and many soon give up on learning at all! In this book we have compiled 20 easy-to-read, compelling and fun stories that will allow you to expand your vocabulary and give you the tools to improve your grasp of the wonderful Spanish tongue. How Spanish Short Stories for Beginners works: Each story will involve an important lesson of the tools in the Spanish language (Verbs, Adjectives, Past Tense, Giving Directions, and more), involving an interesting and entertaining story with realistic dialogues and day-to-day situations. The summaries follow: a synopsis in Spanish and in English of what you just read, both to review the lesson and for you to see if you understood what the tale was about. At the end of those summaries, you'll be provided with a list of the most relevant vocabulary involved in the lesson, as well as slang and sayings that you may not have understood at first glance! Finally, you'll be provided with a set of tricky questions in Spanish, providing you with the chance to prove that you learned something in the story. Don't worry if you don't know the answer to any -- we will provide them immediately after, but no cheating! So look no further! How to Get Really Good at Spanish Polyglot Language Learning, 2019-03-21
Millions of people learn Spanish but only a very small percentage of learners can actually speak it fluently. Why is that? People in general are quick to point out that some are naturally built more than others to learn Spanish and other languages. This is not necessarily true, however, since we have all come to learn and speak our native language fluently. If you find yourself overwhelmed trying to memorize thousands of Spanish phrases and vocabulary words or are struggling to speak Spanish with native speakers, try this book! This is not a basic Spanish for beginners textbook designed to teach Spanish

but a book that will teach you how to learn Spanish the smart way and get you to fluency faster using highly effective language learning methods and techniques. There exists hundreds of Spanish language coursebooks, Spanish phrase books, and basic Spanish for beginners textbooks, but without smart language learning techniques and strategies, you are likely to forget what you have studied and reviewed and especially during a conversation. There exists an easier and more fun way to build your overall Spanish language ability. In *How to Get Really Good at Spanish*, discover how you can easily conquer Spanish language learning using highly effective methods and strategies used by polyglots (language learning experts). These methods and techniques can even be used to learn Spanish phrases, vocabulary, and grammar from TV shows, videos, music, and video games. Learn Spanish smarter and faster starting today!

Fluent in 3 Months Benny Lewis, 2014-03-11 Benny Lewis, who speaks over ten languages—all self-taught—runs the largest language-learning blog in the world, *Fluent In 3 Months*. Lewis is a full-time language hacker, someone who devotes all of his time to finding better, faster, and more efficient ways to learn languages. *Fluent in 3 Months: How Anyone at Any Age Can Learn to Speak Any Language from Anywhere in the World* is a new blueprint for fast language learning. Lewis argues that you don't need a great memory or the language gene to learn a language quickly, and debunks a number of long-held beliefs, such as adults not being as good of language learners as children.

Spanish Language Sergio Rodriguez, Hola! If you are looking to learn Spanish in a fast, simple and easy way without entering a classroom, then you have chosen the perfect audiobook. It's time to begin the adventure of learning Spanish through simple and quick lessons you can listen to in your car! Estas pronto? Here's what you'll learn from the Spanish For Beginners book: Chapter 1: Learning Strategies Chapter 2: The Fundamentals of Spanish Chapter 3: Numbers, Colors, Time, and Date Chapter 4: Nouns and Articles Chapter 5: Pronouns Chapter 6: Verbs Chapter 7: Adjectives Chapter 8: Prepositions, Adverbs, and Conjunctions Chapter 9: Forming sentences Chapter 10: The Subjunctive & Imperative Mood Chapter 11: Making comparisons Chapter 12: Conversational phrases And much more! Here's what you'll learn from the Spanish Short Stories: The Spanish language is rich, full of small differences between the different countries. Things that might be one way in Argentina might be different in Spain or Mexico. But don't worry, with this book, you will have a firm grasp on the language, and you will be able to understand and have a conversation with any Spanish speaker. In this book, I will give you 20 short stories that will range from science

fiction to romance, everything in between and sometimes even more. These stories will give you an entire picture of the Spanish language, and how to appreciate the subtlety of the language. After each story, there will be a questionnaire section where you will answer questions about the stories in Spanish. I really suggest to grab a blank page, and write down the answers, or the small assignments that you will be given (don't worry, they won't be long!). Remember to write them in Spanish, so you can practice and use the language. Also, in this section, you will find grammar and fun facts not just from the stories themselves, but from the inspirations behind them, and facts about living in a Spanish country. All these stories are written from my heart, and I deeply hope that you will find them funny, mysterious, romantic, or at least entertaining. Here's what you'll learn from the Spanish Language Lessons book: Traveling in Spanish countries can be hard. Believe me, I'm a frequent traveler, and I've been all around the world. I've been in Europe, Asia, and South America, and I have to say that of all the places that I've been, I've never found more caring and lovely people than in Spanish countries. Maybe it is their past, maybe is their language, but they are always available to give you a hand, talk to you, have fun, grab a drink, and generally have a good time. But the language barrier might be hard. You might find yourself trying to say something, and the interlocutor understanding another thing entirely. It might be quite frustrating, and then you end up using your fingers or pointing to what you want, and to be honest, it's quite

ridiculous and a bit childish. That's why I'm writing this book, to help you on your travels, so if you want to take a trip to a Spanish Country, you won't find it hard to express yourself. And I will not just explain you some phrases in Spanish to ease your life in your trip, I will also teach the differences between countries, and how to travel from one place to another. So, if you were planning a trip, or maybe you are already in one and found yourself in a problem, this is the book for you. I hope it helps you with anything that might arise on your trip. get your copy today
