Back Then Memoirs of a Country Boy Larry L. Laws, 2011-09-14 Larry learned early on that a mans hand-shake is his bond. To this day he retains that bond as well as one of honesty and compassion for others in all his dealings. Most men are honest, but at times ambition or greed can influence the best of intentions. Although Larry had a humble beginning, he rose above it to become a very successful man and was able to change dysfunctional living practices with his own family. He instilled love, honesty and respect in their upbringing all the while exhibiting patience and understanding. His greatest love is for God, his family, friends and nature. That love has been an inspiration in the writing of both Poetic Expressions and now his autobiography. Larry also managed to take time out of his busy schedule to work with other kids as noted by all his years of coaching baseball and never missing any event that they were involved in, even if he had to leave work early. His love of nature is unequalled. Larrys descriptions have the ability to take you there. Sometimes that love of nature has resulted in butting heads with preservationists as to timberland and renewable resources. This is especially so with them filing lawsuits to stop burnt and diseased timber harvesting. A sense of humor didnt pass him by either as noted in his autobiography again and again, as he says, a man without mirth is akin to a horse without hooves. For both must tread lightly upon the rocky roads of life. To sum it up Larry quotes an unknown author, the rigors of senior years

may prove to be very challenging Have we put up a good fight throughout or is it the confusion of genes and how they are inherited to blame?

A Nose for Justice Rita Mae Brown,2011-10-04 The thrilling start of a tail-wagging new series! With her high-powered Wall Street job in the rearview mirror, thirty-four-year-old Mags Rogers arrives at her great-aunt Jeep Reed's sprawling Nevada ranch to reassemble her life. In the passenger seat is Mags's beloved wirehaired dachshund, Baxter. At Jeep's side—to Baxter's distress—is Jeep's loyal German Shepherd mix, King. The growlings are mutual.

Then someone pipe-bombs Red Rock Valley's pumping station, endangering the water supply. Deputy Pete Meadows links the sabotage to a string of local murders. In her search for answers, Mags uncovers fascinating history about Jeep's ranch, including an intriguing connection to Buffalo Bill. Drawn to each other, Mags and Pete join forces to solve various mysteries, as Baxter and King team up to protect their humans from a growing threat.

A Stand-Up Guy Michael Snyder, 2011-08-16 In his third novel, author Michael Snyder delivers another honest, authentic, and intriguing plot carried along by quirky characters whose actions and reactions still manage to look and sound like the rest of us. It is often said that every good joke contains some basic truth. In *A Stand-Up Guy*, aspiring comedian Oliver Miles puts that axiom to the test when he revamps his comedy act by filling it with darkly personal truths about friends and family. But, as the edgy humor begins to attract more attention, the young comic's personal life gets more complicated. When he realizes he has managed to turn the two women he cares about most into props for his act, he wonders if his honesty on-stage is making him dishonest in life. Despite the sobering reality of his world off stage, the laughter and the success is intoxicating, even for a stand-up guy. *A Stand-Up Guy* is a real story about real people struggling with life's rights and wrongs. It will appeal to anyone who enjoys a uniquely-woven relational drama threaded with a little mystery and delivered with a lot of humor and insight.

An Atlas of Countries That Don't Exist Nick Middleton, 2017-03-21 A “fascinating” journey to little-known and contested lands around the globe, from Tibet to the Isle of Man to Elgaland-Vargaland (Geographical Magazine). What is a country? Acclaimed travel writer and Oxford geography don Nick Middleton brings to life the origins and histories of fifty states that, lacking international recognition and United Nations membership, exist on the margins of legitimacy in the global order. From long-contested lands like Crimea and Tibet to lesser-known territories such as Africa’s last colony and a European republic that enjoyed independence for a single day, Middleton presents fascinating stories of shifting borders, visionary leaders, and “forgotten” peoples. “Engrossing . . . You’ll not find Middle-earth, Atlantis or Lilliput inside, but you will find something just as intriguing . . . sure to prompt discussions about what makes a country a ‘real country.’” –Seattle Times

Hot Money and the Politics of Debt R.T. Naylor, 2004-08-17 A ball of hot money rolls around the world. It seeks anonymity and political refuge. It dodges taxes and sidesteps currency controls. It rolls through offshore shell companies and secret bank accounts, phoney charities and fraudulent religious foundations. It is kept rolling by white-collar criminals, gun-runners, drug dealers, insurgent groups, scam artists, tax evaders, gold and gem smugglers, and, not least, secret service agents plotting coups and financing

revolutions. R.T. Naylor explains the origins of this pool of hot and homeless money, its origins, its uses and abuses, how the world of high finance, corporate and governmental, became hostage to it, and the price the world is paying and will continue to pay until the hostages are released. This book was one of the first, and remains the most comprehensive, to dissect the world of offshore finance, capital flight, money laundering, and tax evasion. Once a subject of concern principally to tax authorities and finance ministries, since the September 11, 2001 hot and homeless money has now become a central preoccupation for police forces and intelligence services around the world.

Sins of the Sons Alan Franks, 2010-11-10 A novel that charts a passionate story about the losing of innocence and the bitter gaining of adulthood. It is also a painfully acute account of a young man's attempts to redeem himself from the ravages of guilt. The period is the early sixties. The Twist the latest dance craze has just arrived from America and is taking Britain by storm.

Fabrications Pamela Painter, 2020-11-17 A crowning collection from the award-winning short story writer Pamela Painter. Pamela Painter's short stories have been praised by Margot Livesey for their wicked intelligence and ruthless humor. In *Fabrications*, which brings together 7 new and 24 selected stories, characters struggle to avoid the chaos in their lives, but—driven by addictions and appetites—often bring on disaster. Nobody is ordinary in Painter's stories. A burglar can't believe what he is asked to do by the woman whose jewelry he is stealing. Hitchhikers, hell-bent on murder, are thwarted by the miracle of story-telling. A wife can make rooms—and her husband—disappear, but saves the family dog. A young woman insists on the romance of being married in an Elvis Presley chapel, but for the wrong reasons. *Fabrications* is a testament to Painter's lyric skill and psychological insight across her career. Praise for Previous Books by Pamela Painter These wonderful stories—about dogs and housewives, scholars and teenagers—vividly demonstrate Painter's wicked intelligence and ruthless humor and her utterly democratic interest in all our faults and foibles. . . . [A] quirky, sexy, irresistible collection.—Margot Livesey Pamela Painter's stories are warm, wise, funny, and ultimately true to the way we live now—trying to carry on in the face of things breaking down around us. Reading each story is a thrill—for the full-blown lives, astute details, exact metaphors, and pitch-perfect dialogue. She's like a carpenter—nailing it, again and again.—Bobbie Ann Mason This is fiction of immense beauty, full of

wisdom and informed by rare grace.—Steve Yarbrough
