Bulldozer Friends Andrea Zimmerman,David Clemesha,2020-11-24 Oliver and Annie love to play trucks together at preschool in Bulldozer Friends, part of Andrea Zimmerman and David Clemesha's bestselling Truck picture book series that includes: Digger Man, Fire Engine Man, and Train Man. At school, Oliver loves to play trucks with his friend Annie. They use their favorite bulldozer to dig tunnels, carve moats around the castle, and build bridges—just like a real construction crew. This action-packed companion story introduces a female character and is anchored in a diverse classroom setting. It’s perfect for children who love imaginative adventures. Christy Ottaviano Books

A Thousand Lives Julia Scheeres,2011-10-11 In 1954, a pastor named Jim Jonesopened a church in Indianapolis called Peoples Temple Full Gospel Church. He was a charismatic preacher with idealistic beliefs, and he quickly filled his pews with an audience eager to hear his sermons on social justice. As Jones’s behavior became erratic and his message more ominous, his followers leaned on each other to recapture the sense of equality that had drawn them to his church. But even as the congregation thrived, Jones made it increasingly difficult for members to leave. By the time Jones moved his congregation to a remote jungle in Guyana and the US government began to investigate allegations of abuse and false imprisonment in Jonestown, it was too late. A Thousand Lives is the story of Jonestown as it has never been told. New York Times bestselling author Julia Scheeres drew from tens of thousands of recently declassified FBI documents and audiotapes, as well as rare videos and interviews, to piece together an unprecedented and compelling history of the doomed camp, focusing on the people who lived there. The people who built Jonestown wanted to forge a better life for themselves and their children. In South America, however, they found themselves trapped in Jonestown and cut off from the outside world as their leader goaded them toward committing “revolutionary suicide” and deprived them of food, sleep, and hope. Vividly written and impossible to forget, A Thousand Lives is a story of blind loyalty and daring escapes, of corrupted ideals and senseless, haunting loss.

Exile and Pride Eli Clare,2015-07-15 First published in 1999, the groundbreaking Exile and Pride is essential to the history and future of disability politics. Eli Clare's revelatory writing about his experiences as a white disabled genderqueer activist/writer established him as one of the leading writers on the intersections of queerness and disability and permanently changed the landscape of disability politics and queer liberation. With a poet's devotion to truth and an activist's demand for justice, Clare deftly unspools the multiple histories from which our ever-evolving sense of self unfolds. His essays weave together memoir, history, and political thinking to explore meanings and experiences of home: home as place, community, bodies, identity, and activism. Here readers will find an intersectional framework for understanding how we actually live with the daily hydraulics of oppression, power, and resistance. At the root of Clare's exploration of environmental destruction and capitalism, sexuality and institutional violence, gender and the body politic, is a call for social justice movements that are truly accessible to everyone. With heart and hammer, Exile and Pride pries open a window onto a world where our whole selves, in all their complexity, can be realized, loved, and embraced.

Little Grump Truck Amanda Driscoll,2021-09-07 Go! Go! Go! Stop! meets Grumpy Monkey in this adorable story of a moody dump truck and her mindful tools for battling a bad mood. When Little Dump Truck is happy, the whole construction crew knows it. When she isn't happy, she becomes Little GRUMP Truck. She can't contain her mood--and soon it starts spreading to the rest of the trucks. When she closes her eyes to get away from her grumpies, she discovers that taking a quiet moment away from her troubles can shift her bad mood into reverse. For now... This fun, accessible story helps kids understand how to use meditation and mindfulness when they feel overwhelmed or angry, and is a useful tool for any parent hoping to try a new approach to treating tantrums. Should appeal to all the little grump trucks hauling their feelings about.--Kirkus

The Little Snowplow Lora Koehler,2022-09-13 None of the other trucks think that the little snowplow can handle big storms, but he knows that he can do it-and just to be sure, he trains hard. But when a blizzard arrives, will the little snowplow's training be enough to clear the streets and handle unexpected trouble? --Page 4 of cover.

Cause Celeb Helen Fielding,2012-05-31 Cause Celeb is the debut novel from Helen Fielding, the bestselling author of Bridget Jones’s Diary. Disillusioned by her glitzy life in London and her desirable but cruel TV-presenter boyfriend, Rosie Richardson chucks it all in and spends four years running a refugee camp in Africa. Then famine strikes in a nearby province and an influx of starving refugees threatens to overwhelm the camp. Frustrated by the cautious response of the aid agencies, Rosie decides on a drastic short-term solution. She returns to London, breaks back into the celebrity circuit and brings the celebs out to Africa for a star-studded TV emergency appeal.
