Jane Austen (RLE Jane Austen) Léonie Villard,R. Brimley Johnson,2012-10-12 First published in 1924, this unique title provides an extremely valuable early Twentieth Century perspective on Jane Austen, offering analysis from both sides of the channel. The book includes both a translated study of Jane Austen by French academic Léonie Villard, and a study by influential biographer and critic, R. Brimley Johnson. Johnson's study, made with particular reference to the unpublished epistolary novel, *Love and Friendship*, seeks to redress the balance of contemporary criticism of Austen, challenging the established links between Austen and Nineteenth Century realism, and suggesting instead that her work owes a great deal to the conventions of romance. He also demonstrates how her art transformed from the parody of *Nothanger Abbey* to the portraiture of the later novels. Léonie Villard's ambitious work analyses a variety of topics relating to Austen's work, including women and marriage, psychology, satire, the gentry and the lasting value and scope of the novels. All in all, a very engaging, informative and insightful reissue.
