Little Heroes Norman Spinrad,2012-12-21 Muzic Inc had become a music industry giant by staying one step ahead of the game, but for some reason APs (totally cybernetic rock stars) had failed to ship gold. That was where Glorianna O'Toole came in. The Crazy Old Lady of Rock and Roll was well into her sixties, but with her producer they hoped to synthesize an AP that would really take off. Glorianna hated everything Muzic Inc had done to the rebel music of her youth, but for the sake of a steady supply of designer dust she was prepared to try and rekindle the revolutionary music spirit of the 1960s. Meanwhile, at street level, the wire wizards had come up with a new piece of technology: a portable trip machine that made Owsley acid look like a vitamin supplement...

Little Heroes, Big Hearts Vera Heath,2020-10-21 What if we all lived together in an equal world without hatred, prejudice, and racism dividing us? Today, the world is an unsafe place for ethnic minorities. We see riots and protests breaking out because minorities have their rights violated, their voices go unheard, and their protests yield no results. So, how about we start building a world that is safe and secure for everyone? And what better place to start than with young, impressionable readers who are going to be the leaders and pioneers of tomorrow? Little Heroes, Big Hearts is a compilation of short stories for the younger ones who celebrate people from all walks of life, belonging to different cultures, religions, and ethnicities. We all look different but have the same thoughts, feelings, and wishes. This Book acknowledges the similarities and honors the differences amongst people from different cultural backgrounds. So, let's teach our kids the value of unity in diversity. Let's begin here with these wonderful stories for children that teach them how to love and care for one another: ● Heroes in Colors ● You, Me & Us ● All Colors are Pretty ● Hand in Hand We Stand as Friends ● Princess in a Headscarf It's time we take a step towards a better world. We may not be able to redeem those who have chosen the path of hatred and racism. We may not be able to change our today, but we can change our tomorrow. Tomorrow we'll celebrate people belonging to different backgrounds, break all stereotypes, love our fellow human beings, and respect one another. Tomorrow will be better because tomorrow we'll have raised better human beings-people who like and befriend everyone, including those who may look different. Tomorrow, we will all be together. Start today with Little Heroes, Big Hearts, so one day, we could all be proudly part of a world that celebrates us with our unique quirks and differences. Add this book to your cart now to take the first step towards a better world!
