Wolfgang Guggemos

Little Black Fish ,2015-11-01 Based on the Persian children's classic by Samad Behrangi, this book is about a young fish's courage to question authority and strike out on her own. An inquisitive little fish decided to question authority and leave the safety of her own home to venture out into the expansive sea. The creatures she meets along the way teach her important lessons and make her learn the most valuable treasure in life: freedom.

Swimmy Leo Lionni,2017-01-17 The gorgeous, Caldecott Honor-winning tale of a very clever fish by beloved picture book creator Leo Lionni. Deep in the sea lives a happy school of fish. Their watery world is full of wonders, but there is also danger, and the little fish are afraid to come out of hiding . . . until Swimmy comes along. Swimmy shows his friends how—with ingenuity and team work—they can overcome any danger. Winner of the 1964 Caldecott Honor, this beloved tale of a brave little fish has been a favorite to generations of readers. To celebrate Swimmy's fiftieth anniversary, we are issuing a handsome special edition hardcover that includes a bonus poster.

The Tale of the Little Black Fish Samad Behrangi,1992-01-01

The Little Black Fish Ruby Emam,Samad Beh-Rang,2008 The Little Black Fish embarks on an eye opening journey with the spirit of a dreamer experiencing an awakening and the prospects of the deeds he would perform, but in the process he does more than that. The path leads him to wisdom, courage, awareness and study of social relations. The story is about stepping outside the confines of a self centered life, looking at life as it should be and not as it is. With a simple analogy for younger readers, it has numerous underlying political messages for progressives and shows a path to freedom, equality and justice. The goal of The Little Black Fish is to fulfill his ultimate quest: How will my life or death impact the lives of others? Once he has identified the problem he sets a goal to look for solutions, making connections, assuming leadership, planning, and continuing the quest until the goal has been reached.

Little Black Sambo Helen Bannerman,1921 The classic story by Helen Bannerman of a young Indian lad who meets up with a tiger and turns him into butter.

The Little Black Fish and Other Modern Persian Stories Şamad Bihrangī,1987 Behrangi offers five children's stories that are notable for their realism and social significance. In keeping with his desire to combat ignorance and bridge the cultural gap between the rural poor and wealthy city dwellers and land owners, his stories do not shield children from knowledge about the pain and cruelty of life. Rather, they pay homage to the lives of the poor, who despite their powerlessness continue their struggle to survive both physically and intellectually. This edition of the book includes an essay by Gholam Husayn Sa'edi.

Sammlung Şamad Bihrangī,1978 A collection of stories that express criticism of the social, political, and economic structures of contemporary Iran.

The Little Black Fish Samad Bihrangī,2018-08-20 In spite of various warnings the little black fish still wanted to see what was at the end of his stream.

The Parrot and the Merchant Marjan Vafaian,Rumi,2019-01-15 Mah Jahan, a rich merchant woman, collects birds in cages. But when she brings back a gift for one of them, she learns a surprising lesson. This exquisitely illustrated story is an enchanting fable exploring how hard it is to let go of someone you love and give them freedom. Retold for modern-day readers, this classic tale by Rumi is brought to life by the award-winning illustrator Marjan Vafaian.

Pop Gun War Farel Dalrymple,2016 Contains previously published material collected from the original 'Pop Gun War' comic books series and the Dark Horse Comics collection of the same name--Colophon.

The Heart's Garden Omid Arabian,2015-09-01 The Heart's Garden tells a wondrous, adventure-filled story inspired by Rumi's holistic worldview. It empowers kids by reminding them of their inter-connectedness to all and their ability to transform the world. The Land of Winter has been mired in cold and dark for ages. Its residents (the WinterPeople) set out to seek the Heart's Garden, a place where winter doesn't rule, the sun shines unconditionally, and magnificent flowers grow. The garden is located in the City of Love; but to enter the city the WinterPeople have to let go of what weighs them down, and find their wings. Once in the Heart's Garden, the WinterPeople discover the power that comes from knowing they are one with the entire universe; they vow to bring the light and warmth of love back to the Land of Winter.

The Little Black Fish Şamad Bihrangī,2012-08-01 A story about an inquisitive little fish that decided to question authority through a journey from the safety of her own stream to the expansive sea.

The Little Black Fish - Samad Bahrangi (Stage-1) Samad Bahrangi, Little Black Fish may be small, but he has big questions and a determination to find answers to them. While his fellow fish are too scared to do anything different from their set routine, Little Black Fish swims over the edge of the pool, into the stream and river which will show him much more of the world. He meets wonders and adventures, dangers and beauty. He makes it all the way to the sea, and finds his answers. Even though he doesn't survive to tell his own story, here it is being told to another generation, and the inspiration of it is passed on.

Tales for Little Rebels Julia L. Mickenberg,Philip Nel,2008-11 A rarely discussed aspect of children's literature--the politics behind a book's creation--has been thoroughly explored in this intelligent, enlightening, and fascinating account.

Children of Paradise Laura Secor,2016-02-02 The drama that shaped today's Iran, from the Revolution to the present day. In 1979, seemingly overnight—moving at a clip some thirty years faster than the rest of the world—Iran became the first revolutionary theocracy in modern times. Since then, the country has been largely a black box to the West, a sinister presence looming over the horizon. But inside Iran, a breathtaking drama has unfolded since then, as religious thinkers, political operatives, poets, journalists, and activists have imagined and reimagined what Iran should be. They have drawn as deeply on the traditions of the West as of the East and have acted upon their beliefs with urgency and passion, frequently staking their lives for them. With more than a decade of experience reporting on, researching, and writing about Iran, Laura Secor narrates this unprecedented history as a story of individuals caught up in

the slipstream of their time, seizing and wielding ideas powerful enough to shift its course as they wrestle with their country's apparatus of violent repression as well as its rich and often tragic history. Essential reading at this moment when the fates of our countries have never been more entwined, *Children of Paradise* will stand as a classic of political reporting; an indelible portrait of a nation and its people striving for change.
