Packaging Girlhood Sharon Lamb, Ed.D.,Lyn Mikel Brown, Ed.D.,2007-04-01 The stereotype-laden message, delivered through clothes, music, books, and TV, is essentially a continuous plea for girls to put their energies into beauty products, shopping, fashion, and boys. This constant marketing, cheapening of relationships, absence of good women role models, and stereotyping and sexualization of girls is something that parents need to first understand before they can take action. Lamb and Brown teach parents how to understand these influences, give them guidance on how to talk to their daughters about these negative images, and provide the tools to help girls make positive choices about the way they are in the world. In the tradition of books like *Reviving Ophelia*, *Odd Girl Out*, *Queen Bees* and *Wannabees* that examine the world of girls, this book promises to not only spark debate but help parents to help their daughters.

Littlest Hockey Player Glenn Parker,2014-06-12 Charlie Harrelson is 12 years old, small for his age and an accomplished piano player. He is constantly teased by his two older brothers who are much larger than he is and excellent hockey players. They view Charlie as being a bit of a wimp who can only play the piano and not much else.Charlie is desperate for his brothers' approval and decides that in order to prove himself he is going to have to become a hockey player like them. He sets out to accomplish his goal but runs into many obstacles. For one, he can't skate very well. Who can help him in that area? Certainly not his brothers. They scorn his desire to become a hockey player and tell him that he should concentrate on playing the piano instead. For another, his mom is determined that he is going to be a concert pianist. Also, his brothers keep telling him that hockey players need to be big and strong and able to take care of themselves. There is no room in the game for a wimp who can't even skate.Charlie's brothers have no idea how determined Charlie is. Although he has been told over and over by both his brothers and his mother that he isn't an athlete, Charlie sets out to prove them wrong. With the aid of his teacher and the encouragement of his grandfather, Charlie begins to prove to his brothers that he is capable of being as good a hockey player as they are. Maybe he isn't very big but through strengthening exercises and becoming as fit as possible, Charlie hopes that he can close the gap between him and his brothers and finally win their respect.He has a long way to go, but through determination, a lot of hard work and a never-say-die attitude, Charlie achieved success far beyond his wildest dreams.

If and Only If C. S. McKinney,2020-08-10 *If and Only If* portrays a college girl and her experiences as a runner and young adult. The story takes on the reality of being a woman, depicting the many angles of life, while staying sincere to the positive and negative attributes it offers.

The Alchemy of Love and War John W. Livingston,2018-12-28 Dr. Blair Edwards, a macho cowboy from the Rockies, is a chemistry professor at the American University of Beirut during the 1980s. Although he feels at home in war-torn

Lebanon, he still wants to freely walk down the street, enjoy a turkish coffee, and admire pretty women. Unfortunately because of the chaos that fills the streets, Edwards has been locked inside the university gates for too long. One day when he decides his appetite for a passionate liaison overrides his fears of being killed or kidnapped, Edwards convinces a guard to open the gates. While on his way back to the university a few hours later, he is seized by hooded gunmen and taken hostage. The price on his head is eight million dollars. Even as he is tortured, Edwards falls in love with one of his captors, a Lebanese nurse attending his battered body. When Edwards learns he has been chosen to mold American public opinion about the challenges in the Middle East, he formulates an escape plan with assistance from his new love. But will he be able to use his knowledge of chemistry to pull it off and emerge a changed person or die trying? In this gripping tale, an American professor kidnapped by revolutionary terrorists in war-torn Beirut must attempt to escape, with help from a beautiful and revolutionary Lebanese nurse.
