Gabriel's Creek Alan Livingston, 2014-02-11 Ralphie the border collie seemed to the operators of Gabriel's Creek Golf Course to have come out of nowhere to become their course mascot. This 18-hole track wasn't listed anywhere when Chris Collins looked for someplace to play the last round of golf of his life. When old, worn road signs draw him to this uncharted arena, it seems perhaps destiny has brought them together. With Ralphie as his guide through the round, Collins experiences the magic of Gabriel's Creek. Along the way, he meets friends and foes of his past at memorable holes across two continents. Is it time travel or just the enchantment of Gabriel's Creek? Through an emotional day, his inspirational escapades provide the reminder that we should all treat each day as a gift. The 18th hole is more than the end of the round, as Collins finds that Gabriel's Creek Golf Course exists in neither the earthly world nor the next, but somewhere in between.

Golf and the American Country Club Richard J. Moss, 2001 In this entertaining cultural history, Moss explores the circumstances that led to the establishment of the country club as an American social institution and its inextricable connection to the ancient, imported game of golf. Moss traces the evolution of country clubs from informal groups of golf-playing friends to country estates in the suburbs and eventually into public and private daily-fee courses, corporate country clubs, and gated golfing communities. The book shows how these developments reflect shifts in American values and attitudes toward health and sport, as well as changing social dynamics.

Murder on the 17th Hole Thomas P. Evans, 2010-02-09 Web Miter is a retired business guru and a

former CEO of United Eastern, one of the largest corporations in the country. He's playing in a foursome in the Hartford Pro-Am, a PGA tour stop in the small town of Lordship, Connecticut, with pro golfer John Rollings. The best round of Miter's life ends tragically when an explosion rocks the seventeenth hole. Is it a random killing by golf terrorists, or is it a calculated murder committed by one of Miter's enemies? As Alco Insurance Company investigator Wayne Sedlock sifts through Miter's past, the list of suspects runs the gamut and includes an anti-outsourcing group, an Indian tribe jockeying for a new casino, and a group of ex-Marines who served with Miter in Vietnam. A crime that breaks new ground, Sedlock and Detective Richard Geany of Lordship, Connecticut, Police Department, sift through all of the clues to determine who had the motive and means to murder Miter on the course.

Nebraska Golf Stu Pospisil, 2021-06-15 The history of golf in the United States traces back, almost unbelievably, to a six-hole round in 1887 on a remote course in Nebraska. It took until 1895 for the sport to make its way to Omaha. Once it did, the game gained popularity on courses carved from pasture and timber land by some of the greatest names in U.S. golf. Legends like Johnny Goodman, the last amateur to win the U.S. Open, are part of Nebraska's golf legacy. But what changed the scope of golf in the state - and the country - was Sand Hills Golf Club in 1995. Omaha World-Herald sportswriter Stu Pospisil chronicles Sand Hills - and the state's other courses old and new - along with the people behind them who have made Nebraska a national-caliber destination for one of the greatest games on earth.

Country Club Anna Andan, 2017-08-31 A novel about rich people, the not-so-rich people who serve them, and sex (naturally), but also about the Great State of Texas and some of what makes it unique and/or

infamous.

Once Upon a September Robin McCool, 2015-12-11 In September of 1951 Saucon Valley Country Club hosted its first USGA championship – the 51st U.S. Amateur. The book chronicles this ground breaking event in club history. In the book you will meet the patriarch of Saucon Valley, Eugene Grace, president of industry giant Bethlehem Steel Corporation and devoted amateur golfer. You will learn how a chance meeting at the Pinehurst resort in 1909 laid the foundation for the creation of one of the greatest private country clubs in America. Robin McCool takes you back to a time when amateur golf was king, and the personalities were bigger than life. You will meet all the great players who came to Saucon Valley to compete for the coveted Havemeyer Trophy – Frank Stranahan, Harvie Ward, Ken Venturi, Dick Chapman, Jim McHale and Charlie Coe, to name a few. You will witness Billy Maxwell, a young college student from Texas, rise up from among these giants of the game to capture amateur golf's most treasured prize.

Balls Gail W. Braman, 2000-09 Read what the golf critics are saying about **BALLS!**: * **THE GOLF COLLECTORS SOCIETY BULLETIN** - 3/2001 Gail W. Braman has written **BALLS!** (Confessions of a Rural Golf Course Owner). This is the story of the insanely odd and crazy people who frequent a nine-hole golf course beside Route 100 in Rochester, Vermont. The stories are so nearly unbelievable that one would think that the book is fiction, but I can personally vouch for the authenticity because I lived just a few miles from the course and have heard the inane questions and observed the outrageous behavior first hand... I have been hearing about this book for years and the fact that it is finally in print, despite the odds inherent in the publishing world, is a testament to the chutzpah and perseverance of Gail Braman. She owned the course, and as such interacted with the people, recorded her astute observations when it was all over and got it down on paper. You'll enjoy the tale. -Bob Labbanace, Editor * **GOLF BUSINESS**(Nat'l Golf Course Owners Assoc)- 2/2001 Gail Braman made the mistake of telling her recently retired husband that she didn't want him home for lunch. So, he went out and purchased a nine-hole golf course in rural Rochester, Vermont. Braman captures this nine-year adventure as golf course owners. Through the pages of this account, you're invited inside their world as inexperienced golf course owners, where you learn what really happens behind the scenes through humorous vignettes and anecdotes. * **HEARTHSTONE REVIEW** (Duly Noted) - 4/01 A little investment property in bucolic Vermont, a pleasant summer-time diversion. That was the plan anyway. Before opening day was flooded out. Before the backhoes cleaning up the debris inflicted further damage. Before the discouraging financial realities set in, running a remote

homespun golf course overshadowed by two tony resorts (The Hertz and Avis to their little 9-hole Rent A Wreck). The claustrophobic Vermont golf season didn't help. Nor did the vagaries of New England weather, a shortage of tourist center bathrooms or characters straight from central casting. For nearly a decade it sure made life interesting for Herb and Gail Braman.

Beverly Hills Country Club Earl W. Clark, Allen J. Singer, 2010-01-01 This book is comprised of photographs and descriptions of hundreds of entertainers who performed at the Beverly Hills Country Club during the 1950s, before it became the Beverly Hills Supper Club in the 1970s.

One Country Club Drive Marty Peck, 2019-08-03 Author Marty Peck tells what it was like to literally live on a golf course with behind-the-scenes escapades right out of a caddy shack movie. The stories from three generations of keepers of the greens revolve around their home - blending coming of age and fatherhood themes with golf history and plenty of humorous and lifelong lessons. With hundreds of images, follow the historic course's evolution since its horse-drawn construction one-hundred years ago from the Post cereal family summer estate. Share the lives of its humble caretakers, with tales of slot-machine con artists, ravaging fires and floods, and national scandals as the Peck family watched the likes of Walter Hagan, Ben Hogan and Arnold Palmer play in their back yard. Peck will make you appreciate golf course history and have a laugh or two while you're at it.

The Las Vegas Country Club Brian Hurlburt, 2011-10-01 The art of the deal was perfected at the Las Vegas Country Club. For fifty years, the movers and shakers-among them bankers, attorneys, entertainers, business leaders, and, yes, mobsters-have been drawn to the Beverly Hills of Las Vegas to play golf, eat lunch, and chart the future of this world-renowned city. From Dean Martin to Kirk Kerkorian, the club's members have been key players in the building of Las Vegas into the major international force that it is today. The brainchild of maverick entrepreneur Marvin Kratter, The Las Vegas Country Club became an iconic community force under the visionary guidance of Las Vegas legends Irwin Molasky, Merv Adelson, Moe Dalitz, and Allard Roen. And it also evolved into the social mecca of a young Las Vegas. The club has a glorious sports history, having hosted many high-profile professional golf tournaments and provided court time for tennis greats. A who's who of celebrities has reveled in the club's lush grounds, including Frank Sinatra, Bill Clinton, Andre Agassi, Bill Cosby, and many more.
