**Leo and His Circle** Annie Cohen-Solal,2010-05-18 Leo Castelli reigned for decades as America's most influential art dealer. Now Annie Cohen-Solal, author of the hugely acclaimed *Sartre: A Life* ("an intimate portrait of the man that possesses all the detail and resonance of fiction"—Michiko Kakutani, *The New York Times*), recounts his incalculably influential and astonishing life in *Leo and His Circle*. After emigrating to New York in 1941, Castelli would not open a gallery for sixteen years, when he had reached the age of fifty. But as the first to exhibit the then-unknown Jasper Johns, Castelli emerged as a tastemaker overnight and fast came to champion a virtual Who's Who of twentieth-century masters: Rauschenberg, Lichtenstein, Warhol, and Twombly, to name a few. The secret of Leo's success? Personal devotion to the artists, his "heroes": by putting young talents on stipend and seeking placement in the ideal collection rather than with the top bidder, he transformed the way business was done, multiplying the capital, both cultural and financial, of those he represented. His enterprise, which by 1980 had expanded to an impressive network of satellite galleries in Europe and three locations in New York, thus became the unrivaled commercial institution in American art, producing a generation of acolytes, among them Mary Boone, Jeffrey Deitch, Larry Gagosian, and Tony Shafrazi. *Leo and His Circle* brilliantly narrates the course of one man's power and influence. But Castelli had another secret, too: his life as an Italian Jew. Annie Cohen-Solal traces a family whose fortunes rose and fell for centuries before the Castellis fled European fascism. Never hidden but also never discussed, this experience would form the core of a guarded but magnetic character possessed of unfailing old-world charm and a refusal to look backward—traits that ensured Castelli's visionary precedence in every major new movement from Pop to Conceptual and by which he fostered the worldwide enthusiasm for American contemporary art that is his greatest legacy. Drawing on her friendship with the subject, as well as an uncanny knack for archival excavation, Annie Cohen-Solal gives us in full the elegant, shrewd, irresistible, and enigmatic figure at the very center of postwar American art, bringing an utterly new understanding of its evolution.

**The World Goes Pop** Elsa Coustou,Lina Dzuveroric,2015-01-01 A global survey of Pop art that reassesses its roots, impact, and legacy This groundbreaking book surveys the concurrent engagements with the spirit of Pop throughout the world, from the frequently studied activity in the United States, England, and France to less well-known developments in Central and Eastern Europe, Latin America, Asia, Africa, and the Middle East. One of the first publications to examine Pop art with this global scope, *The World Goes Pop* explores the wide-ranging movements that developed on different continents, such as Nouveau Réalisme, Neo Dada, New Figuration, and Spiritual Pop. This unique presentation offers the opportunity to compare how Pop art around the world differed due to geography, local traditions, and different cultures' social and political underpinnings. Fascinating essays touch upon key themes that factored into various Pop movements, including feminism, political representation, sexual politics, and seriality. A bold design and 200 striking illustrations showcase pieces by more than 60 artists, many of whose works have never been exhibited outside their home nations. The book also features a combined interview with a number of the living artists featured within, giving important insight into the thoughts and processes of Pop's international practitioners.

**Harun Farocki** Thomas Elsaesser,2004 Filmmaker, film essayist, installation artist, writer: the Berlin artist Harun Farocki has devoted his life to the power of images. Over the thirty-plus years of his career, Farocki has explored not the images of life but rather the life of images that surrounds us in newspapers, cinema, books, television, and advertising. Harun Farocki examines, from different critical perspectives, his vast oeuvre, which includes three feature films, critical media pieces, children's television features, "learning films" in the tradition of Brecht, and installation pieces. Interviews, a selection of Farocki's own writings, and an annotated filmography complete a valuable biography of this pioneering artist and his legendary career.
