Locate It Games Denise Currie, 2020-09-10 Visiting Colonial Williamsburg with family or friends?

Are you looking for something extra to do while you're sightseeing? **Locate It Games: Colonial Williamsburg** is perfect as a companion for your visit. 'Locate It Games' are picture game books that showcase tourist sites. The games allow visitors to see places in a fun, new way. Broken into two main sections, the first part of the book offers a scavenger hunt where players must find 50 objects found in Colonial Williamsburg. The second section contains 100 cropped or extreme close ups of photos. Players need to really look around to spy these images and match the buildings and objects to the pictures in the book. 'Locate It Games' are flexible. They can be played for fun or competition, as individuals or teams, using one or more books. Play can be stopped and started and completed in one visit, or over multiple visits. The games are easy to play and don't require any advanced knowledge of the area. They're great for first time tourists to Colonial Williamsburg, as well as frequent visitors. Individuals, couples, friends, families, teens, and children will all enjoy this game book. It makes

exploring fun for all ages. All that's really needed is a keen eye. So look high, look low. Take your time. Explore everywhere. Observe everything. You'll want to locate it all!
