**Professional Development with Web APIs** Denise M.

Gosnell,2005-04-01 Shows developers how to harness the power of services such as Google, eBay, PayPal, and Amazon.com from within an application, whether it is Web-based, Windows-based, or even a Microsoft Office application After a quick review of the basics, readers will dive into more advanced techniques such as calling the APIs from mobile devices, Office VBA programs, Windows Forms and Web applications, and even how to integrate the various APIs together for a complete solution Veteran Wrox author Denise Gosnell skillfully guides readers through the ins and outs of the various services, the anatomy of an API query, which features are available via the APIs, and how to get results from their own applications Readers will build two fully functional applications to apply what they have learned-one a Windows program, the other a Web application

**A Minyan of Women** Beverly A. Greene,Dorith

Brodbar,2013-09-13 This book explores the diverse manner in which family dynamics shaped Jewish identities in ways that were

unique and directly connected to their experiences within their families of origin. Highlighted is the diversity of experience of ethnic identity within members of a group of women who are similar in many respects and who belong to an ethnic group that is often invisible. Jewish people, like members of other ethnic groups are often treated as if their identities were homogeneous. However, gender, social class, sexual orientation, factors surrounding immigration status, proximity of family members to the holocaust or pogroms, the number of generations one's family has been in the US and other salient aspects of experience and identities transform and inform the meaning and experience by group members. The book explores these diversities of experience and goes on to highlight the way in which the intermingling of family dynamics and subsequent Jewish identity in these women is manifested in the practice of psychotherapy. In 2012, the book had been awarded the Jewish Women Caucus of the Association for Women in Psychology Award for Scholarship, for that year. This book was published as a special issue of Women and Therapy.

Professional Commercial Photography Lou Jacobs, 2010-01-01

Presenting ideas and commentary as well as photographs, this collection offers new photographers revelations and wisdom from professionals and informs them how to achieve commercial success. Commercial photographers create images that are designed to sell products, services, political candidates, organizations, corporations, and any other marketable commodity or idea, and their clients range from advertising agencies, manufacturers, retail stores, hotels, restaurants, and other businesses. With a section focusing on each of these types of services, this reference provides a quick workshop on an area of expertise, furnishing those new to the business with a wide variety of information about each specialty. Tips for selecting the most effective equipment for each subgenre as well as technical information about each camera combine with business-savvy

know-how—from marketing, bidding, budgeting, building referrals, managing the office, and more—making this a comprehensive reference for being both behind and in front of the lens.

**The Rape of Zimbabwe** Ricky Wilson, 2006-02 This is the true story of the flamboyant Ricky Wilson, often referred to by his compatriots as Tricky Ricky, who, with his wife and young daughter, emigrated to the then Rhodesia. The opportunities that presented themselves very soon after their arrival, and what he did to acquire wealth, would have been beyond his dreams in the U.K. The book tells of the political settlement, majority rule, and change of government to a black administration led by Robert Mugabe and the trials and tribulations that went with it. Ricky's direct involvement with most of Robert Mugabe's ministers and his Government vividly conveys the trials and tribulations of African politics and the very rife corruption that was--and still is--throttling the country. So many of the country's prosperous settlers who had become the economic backbone of the country have flown to safer havens, and Ricky's plight is representative of many who have had no option but to leave. In a very real sense this is the inside story of a country that has been raped, now reduced to famine and rough injustice by the ruling thugs that have plundered the resources, internal and from outside aid, to feather their own nests and Swiss bank accounts.

The Last Lecture Randy Pausch, 2008-04-08 After being diagnosed with terminal cancer, a professor shares the lessons he's learned—about living in the present, building a legacy, and taking full advantage of the time you have—in this life-changing classic. We cannot change the cards we are dealt, just how we play the hand. —Randy Pausch A lot of professors give talks titled The Last Lecture. Professors are asked to consider their demise and to ruminate on what matters most to them. And while they speak, audiences can't help but mull over the same question: What wisdom would we impart to the world if we knew it was our last chance? If we had to vanish tomorrow, what would we want as

our legacy? When Randy Pausch, a computer science professor at Carnegie Mellon, was asked to give such a lecture, he didn't have to imagine it as his last, since he had recently been diagnosed with terminal cancer. But the lecture he gave—Really Achieving Your Childhood Dreams—wasn't about dying. It was about the importance of overcoming obstacles, of enabling the dreams of others, of seizing every moment (because time is all you have . . . and you may find one day that you have less than you think). It was a summation of everything Randy had come to believe. It was about living. In this book, Randy Pausch has combined the humor, inspiration and intelligence that made his lecture such a phenomenon and given it an indelible form. It is a book that will be shared for generations to come.

**Defining, Locating, and Addressing Bullying in the WPA Workplace** Cristyn L. Elder, Bethany Davila, 2019-03-15 Defining, Locating, and Addressing Bullying in the WPA Workplace is the first volume to take up the issue of bullying in writing programs. Contributors to this collection share their personal stories and analyze varieties of collegial malevolence they have experienced as WPAs with consequences in emotional, mental, and physical health and in personal and institutional economies. Contributors of varying status in different types of programs across many kinds of institutions describe various forms of bullying, including microaggressions, incivility, mobbing, and emotional abuse. They define bullying as institutional racism, “academic systemic incivility,” a crisis of insularity, and faculty fundamentalism. They locate bullying in institutional contexts, including research institutions, small liberal arts colleges, community colleges, and writing programs and writing centers. These locations are used as points of departure to further theorize bullying and to provide clear advice about agentive responses. A culture of silence discourages discussions of this behavior, making it difficult to

address abuse. This silence also normalizes patterns and cultivates the perception that bullying arises naturally. Defining, Locating, and Addressing Bullying in the WPA Workplace helps the field to name these patterns of behaviors as bullying and resist ideologies of normalcy, encouraging and empowering readers to take an active role in defining, locating, and addressing bullying in their own workplaces. Contributors: Sarah Allen, Andrea Dardello, Harry Denny, Dawn Fels, Bre Garrett, W. Gary Griswold, Amy C. Heckathorn, Aurora Matzke, Staci Perryman-Clark, Sherry Rankins-Robertson, Erec Smith

*The Holt Family Bundle* T.M. Cromer,2023-11-16 Dive into the sun-kissed world of the Holts... In this sizzling-hot, emotionally-charged series, you'll follow one family's journey as they navigate the treacherous tides of life and love. With each book, you'll be drawn deeper into their captivating stories, sharing in their trials and triumphs. Warning! These stories are packed with a whole lot of snark, steam, and unforeseen plot twists. If you're good with that, get started reading today! Available in this ebook bundle: Finding You (book 1) She didn't see this one coming. Samantha Holt had the perfect relationship—until one day she didn't. For a woman with psychic abilities, she definitely missed the important signs leading to her boyfriend's tragic accident. One day she is blissfully happy; the next, her world is turned upside down. It takes two interminable years to rebuild her life, and despite a new love interest, she can't rest until she learns the truth. Her persistent inner voice won't stop until she takes a trip to the city where all her romantic dreams were so ruthlessly crushed. Could a stranger be the key to discovering the answers she needs to move forward? A chance encounter makes Samantha question what really happened that day so long ago. Forced to delve into the mystery of her soulmate's disappearance or accept the new love that life has offered her, Samantha faces a difficult decision. This Time You (book 2) He's been obsessed with her in every lifetime. Will recognition come too late? She recalls the past. Margaret Holt is just an everyday, average mother of three—with one exception; she has the ability to remember her past lives. When Gabriel James moves in next door, she immediately recognizes him from an ardent—but disastrous—affair in another lifetime. Despite an intense attraction to him, she feels reawakening their passion could mean reliving their pain. He lives for the present. Gabriel can't explain his fascination with Margaret or why she's haunted

his every waking thought from the moment he set eyes on her. Everything from her messy-bun head to her food-stained shirt screams hot mess. Yet, commitment-averse Gabriel finds himself drawn back into her sphere time and again. This time, can they avert the fated disaster? Just as their relationship heats up, so does the danger surrounding Margaret. Another man has fixated on her and is determined to claim her for his own this time around. He'll stop at nothing to have her—even if it means eliminating Gabriel. Including You (book 3) Danger stalked her at every turn. She just didn't know it. New father Ty Jensen is in dire need of a nanny for his motherless infant. So when rainbow-haired Lana Martell shows up late for her interview, against his better judgment, he hires her on the spot. Ty finds himself falling hard and fast for his feisty employee. Sassy Lana Martell has a penchant for attracting trouble. One look at her frazzled employer and she knows her heart is in jeopardy. She also understands starting something with Ty could have her back at the bus stop with a one-way ticket to royally screwed. As passion flares between this single father and his sexy nanny, an unexpected threat emerges to destroy the new life they've created. Their love for each other is tested, and in the end, it comes down to one question... can Ty save Lana before she falls victim to the evil from her past? After You (book 4) Saving his life might have ruined hers. Annie Holt is a loner by nature and lives on the fringe of society by necessity. After a messy divorce, she's determined to take a much-needed vacation. But her empathic ability makes the crowded airport torturous, and the interminable wait quickly becomes a living nightmare. On hiatus from filming, famous actor Quinn Jensen is traveling to Sint Maarten for the Christmas holiday. During an ill-fated wait, he meets a courageous woman who risks her life to save others and upends his with a single freaky prediction. As Annie lies bedbound, she and Quinn form a fast friendship. One that stirs up resentment from others as their unlikely romance builds and hidden truths are revealed. Before

long, Annie becomes a sitting target. Now, Quinn races the clock to help find her would-be assassin and stop them from hurting the woman who has stolen his heart forever. \* Recommended for 18 years or above due to adult language and content.
