READERS REVIEWS Simple And Straightforward There's no substitute for experience, as they say,

and Harold has both quality and quantity. As in all sport executed at the top level it looks so, so simple and straightforward. Those that have tried, at every level, know otherwise. Everyone can benefit from a cursory glance, lesson or full blown training regimen. I can think of no-one with a greater depth of knowledge or skill in identifying those key details that will improve your game than Harold Mollin! - James Y. Definitely Crazy In A Good Way As a psychologist, I know there are crazy people in a good way and crazy people in a bad way. From my life experience, I also know there are good pains in the ass and bad pains. Harold Mollin is definitely crazy in the good way - never met someone so crazy about tennis. [...] Most importantly, from an educational viewpoint, Harold sincerely enjoys the progress all his students are making in their tennis. Life, not only tennis, is all about beating/winning from yourself. Harold is certainly making a significant contribution to my ambition of becoming a worldwide top 100 player in the ITF Seniors (50+) circuit! - Vittorio B. Psychologist, PhD His Tennis Passion Is Contagious Harold Mollin's passion for tennis is contagious, not to mention is he one of the best in the world on the seniors tour (for numerous age groups), but his knowledge and deep understanding for the game can inspire all ages and aspiring tennis players of all levels - Peter Lucas (former ranked Australian junior) Harold's Tennis Tips Are Key Pointers In between tennis lessons, Harold's tips are key pointers that help me strengthen my game - Camille P. Because of this man, I even have become more fanatic about tennis Was introduced to the beautiful game of tennis by my parents whom i forever remain grateful for but the appreciation even became bigger when 4 years ago i became acquainted with Mr Harold Mollin. Not only does this man eat, speak and dream tennis, he has played and lived it and his match analysis and player profiles are spot on. Because of this man, I even have become more fanatic about tennis even more and its all thanks to him, my love for the sport has risen to greater heights. Since I left Bangkok last year after 7 great years, I still watch the

game and love it with passion but its not the same with my man Harold by my side giving me the blow by blow bits of every game and play. He is a man who would be of great help to any individual with hopes of making it big on the tennis circuit. - Farai Ngoni B. It's an awesome book... "It's an awesome book... bought it for my kindle on amazon ... great tips and awesome drills. I really like your drills... My student and I do the serve and volley drill she calls it the serve and volley game first to 10 lose at point if you double fault or miss the 1st volley ... we also do the 8 deep volley or overheads without allowing any ball to bounce and the volley game half court only start the rally and play it out lose a point if the ball gets over your head ... your drill are on point in reinforcing skills and tactical lessons..." - Clay R. Thanks Harold Mollin ! You are the MAN ! "I used to have a weak serve because hitting the ball at below the highest point robbed me of a full swing. This simple but effective point about hitting at the highest point helped me hit stronger serves and slice as well. Thanks Harold Mollin ! You are the MAN !" - Steve Teoh Get the best out of our students... "Although I've been coaching for many years, and we all have our own methods to get the best out of our students, I will always look and listen to what my peers are doing. Quite often I will invite a coach to my sessions to look at my students with fresh eyes, i never feel threatened or worried about losing a student, in fact more often than not it makes them feel even more important, and are grateful, I have used many of your quotes thank you Harold, I am planning to visit Bangkok in the future." - Roger Nadal Tennis

A Dictionary of Modern Design Jonathan Woodham,2016-05-19
 Over 950 entries From the Arts and Crafts Movement to Postmodernism, Apple to Frank Lloyd Wright, this fascinating dictionary covers the past 160 years of international design, with accessible entries on branding, graphics, industrial design, functionalism, and fashion. New entries on digital design and sustainable design bring the coverage up to date. The dictionary's

international focus takes in major movements, key concepts, design terminology, and important design institutions, museums, and heritage sites. The new edition reflects the growing global importance of design, with coverage of India, China, the countries of the Pacific Rim, Eastern Europe and East Asia, and demonstrates how developments in the design of technology influence everyday life, with new entries on fonts, games developers such as Gunpei Yokoi of Nintendo, Android, Samsung, and Blackberry, and a fully revised entry on Apple. The A-Z entries are complemented by an extensive bibliography and a timeline.

Bulldogs Forever H. L. Quist, 2004-08 Perhaps nowhere in America did three distinct and diverse cultures create such a colorful tapestry of the social fabric which forms the backdrop of this book. *Bulldogs Forever* is a history of a New Mexico school, Albuquerque High School, from its founding in 1879 to the author's graduation in 1954. The book effectively relates the reflections of teenagers from the waning pioneer days of the late 19th century to the Golden Era that followed World War II. The author, an outstanding athlete, relates how the team sports of football, basketball and baseball played a major role in the feeling of togetherness, belonging and accomplishment in a school of culturally diverse students. *Bulldogs Forever* pays tribute to teachers, coaches, teammates and students in a nostalgic look at high school life.
