The Locker Richie Tankersley Cusick,2011-10-04 DIVA psychic teen senses something terrible in her new high school /divDIV/divDIVIf you move around enough, every new school starts to look the same. But it doesn't take an hour for Marlee Fleming to realize that Edison, Missouri, has a sinister secret. There's something strange about Marlee, a power she doesn't quite understand. Certain objects make her hear and see things no one else can. This power makes her feel sick, and she wishes she knew how to make it stop. But when she opens her new locker on her first day in Edison, she hears screaming so loud she nearly passes out./divDIV /divDIVMarlee's new friends—talkative Noreen, handsome Tyler, and bad-boy Jimmy Frank—say the locker belonged to Suellen Downing, a student who vanished the year before. Marlee doesn't want to get involved with small town mysteries; she just wants to keep her head down and do her work. But Suellen calls to her every time she opens her locker, and she cannot ignore the cries of the dead./divDIV /divDIVThis ebook features an illustrated biography of Richie Tankersley Cusick including rare photos and never-before-seen documents from the author's personal collection./div

The Locker Ted Nulty,2016-01-07 IT WAS AN HONEST MISTAKE... When Tom and Sheila Stanford buy Storage Locker #38, they think they're getting a few dozen boxes of misprinted T-shirts. Not worth much money, but perfect for the orphan kids down in Mexico. The Stanfords have no idea that their newly-purchased storage unit is a clandestine staging area for a Mexican drug family. They know nothing about the 640 million dollars of drug money hidden under all those T-shirts. Now Tom and Sheila are running for their lives, fighting to stay ahead of the murderous Canton Cartel. The assassins on their trail are utterly ruthless. For them, kidnapping, torture, and murder are all part of the job. But this time, they're not up against ordinary cops or civilians. Tom and Sheila Stanford are both retired from the United States Marine Corps. And there's no such thing as an ex-Marine...

Decorate Your Locker Jacqueline Lee,2004-04 On your whole school campus, there's one piece of real estate that's yours exclusively: your locker. Think about it. It's like a tiny little room just for your stuff. And, just like your room at home, it can be a total mess or an expression of something deeply personal about you. Give your locker a design makeover with Decorate Your Locker. This fully photographic book is packed with simple ideas for personalizing any locker with your own one-of-a-kind style. Cool pre-printed magnets make instant decorating easy, while peel-and-stick magnetic sheets can make almost any lightweight thing into a magnet: snapshots, candy hearts, ticket stubs, fabric flowers, bottle caps, priceless emeralds... whatever's handy. Full colour inspirational photos show how to give any locker a hang-loose tropical look, groovy retro flair, techno-modern vibe and more. No matter which style you choose, all the decorating ideas are non-permanent and won't damage lockers in any way. So you won't get into any trouble - at least for this. Comes With: one page of punch-out magnets and three peel-and-stick design-your-own-magnet pages. Awards: Canadian Toy Testing Council Three Star Award.

The Locker Exchange Ann Rae,2022-07-12 For Westwood senior Brynn Cadence, high school drama is taken to a whole new level when she discovers the dead body of a classmate on the football field one Friday night. When she tells the police she saw a masked figure fleeing up the bleachers, they dismiss her and label the death accidental. With no one believing what she saw, Brynn's internal walls start to go up. But there's one wall she has no control over—the one that separates her and Kyler Fellan's gym lockers. That's right, Brynn opens her locker only to find herself face-to-face with the shirtless abs of the school's star football player and resident flirt. While not an unwelcome surprise, Brynn knows she should leave her fluttering feelings for Kyler on the locker room floor in order to focus on exposing the truth of her classmate's death. But Kyler's top jock status has made him privy to some potentially useful gossip, making him a helpful and trustworthy partner in her investigation. As two find themselves delving deeper into the case, they are inevitably drawn closer to each other—even if that isn't safe for either of them.

Locker 36 and the Book of the Dead John Bleck,2018-01-22 When John and Sid enter the middle school building that year they have the feeling that their summer adventures are completely over. That is before their principal offers a field trip to any student who meets certain qualifications. The boys jump at the chance to get out of school, and instantly they are caught up in an adventure beyond their wildest imaginations. After accepting a mysterious book titled The Book of the Dead from the principal, the boys are led to a secret passage in the back of John's locker. Looking at the challenge of a lifetime, they gather up their courage, take the first step, and instantly find themselves whisked away to another place and time. With the book as their guide, and only three days, the boys must overcome impossible situations to solve the mystery of who killed King Tut or never make it back to the middle school again.

Is that a Dead Dog in Your Locker? Todd Strasser,2008-08 When Leyton and Wade Tardy agree to help their friend Daisy hide a dog at school, they have no idea what they're getting themselves into.

Locker Nine Franklin Horton,2016-08-19 After coordinated terror attacks take place at dozens of locations around the United States, including Grace Hardwick's university, she knows that there was a reason her father gave her a key that she constantly wears around her neck. Her dad is a science fiction writer and she knows that he would not let her go hundreds of miles from home with no backup plan. With her roommate in tow, they embark on a treacherous journey, not sure where they'll end up.--Publisher description.

Locker Rooms Patty Lesser,2013-12-04 Like most people, Alida has contemplated one of life's biggest mysteries: What happens to your soul when you die? What if it is stolen by a cruel demon, and your eternity's resting place becomes an empty locker in a secret cavern? What if the biblical hell was a real place, where real people suffered unspeakably?It is real, and it is a horrifying place, where the souls of good people are imprisoned with no hope for escape or rescue ... until Alida appears. Putting her life in jeopardy, Alida battles a wicked demon and even the true devil to win the right to free the souls and return them to their own graves, where they can rest in peace.Locker Rooms is a story of love and hate, friends and enemies, religion and history, and the eternal battle between good and evil. It tells the story of a lost woman who changes her life when she saves the souls of good people being imprisoned in lockers by a demon for his own narcissistic pleasure. What she experiences in the process will change her life forever.

A Better Locker Adrienne Matteson,2019-01-01 How could a smarter locker make life easier for the kids in your school? Great inventors use a process called design thinking to help them identify problems, big and small, and create solutions for them. This book introduces readers to design thinking and asks them to look at their locker (the pros and cons of it) in a specific way to figure out how to improve it. Design thinking fosters innovation, creativity, and even empathy--essential learning for students. Book includes table of contents, glossary of key words, index, author biography, sidebars, infographics, and instructions.

Locker* Introduction

In the digital age, access to information has become easier than ever before. The ability to download Locker* has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Locker* has opened up a world of possibilities. Downloading Locker* provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Locker* has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Locker*. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various

genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Locker*. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Locker*, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Locker* has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
