**Owner-Occupation in Britain** Stephen Merrett, 2021-03-23 Originally published in 1982, this is a companion volume to *State Housing in Britain*. Together the 2 volumes cover the tenure of some 85% of all British households in much of the 20th Century. The development of the tenure between 1918 and 1970 with special reference to its position in state housing policies is examined. Subsequent chapters analyse effective demand since 1970, both with respect to its demographic base and as regards the capacity to buy. In particular the question of why people want to buy is asked and the supply of housing (both council houses and former private rented accommodation) as well as the output of speculative housebuilders is considered. A detailed survey of the perturbations in the housing market during the volatile experience of the British economy since 1970 is also covered.

**Campbell Brown's Civil War** Terry L. Jones, 2001-10-01 The Civil War writings of G. Campbell Brown—cousin, stepson, and staff officer of famed Confederate General Richard S. Ewell—provide a comprehensive account of the major campaigns in the north Virginia theater. Terry L. Jones has performed an invaluable service by gathering these widely scattered but oft-cited primary sources into a deftly edited volume. Brown's memoir details his service under Ewell during the campaigns of First Manassas, the Shenandoah Valley, the Seven Days, Second Manassas, and Gettysburg, and under Joseph E. Johnston at Vicksburg. His correspondence and memoranda form a suspenseful recounting of the Overland Campaign, the siege of Richmond, and a harrowing retreat that ended with the capture of Brown and Ewell at Sayler's Creek just three days before Robert E. Lee's surrender. Their subsequent three-month captivity in Fort Warren, Massachusetts, is documented in Brown's letters. Leaders such as Ewell, Johnston, Lee (whose daughter Brown tried to marry), "Stonewall" Jackson, and Jubal A. Early come to life in rich anecdotes and occasional critiques of their wartime actions. A southern aristocrat from Tennessee, Brown exhibits a grasp of the nuances of military protocol that is as compelling as his descriptions of battlefield horrors. Brown's eagerness to report all he sees—from the quotidian to the bloodcurdling—makes his writings among the finest to come out of the Civil War. Scholars will want copies of this volume at close hand for ready reference, and buffs will treasure the play of a nimble mind over a dire and fascinating time.
