**Chocolates on the Pillow Aren't Enough** Jonathan M. Tisch, 2007-02-26 Praise for Chocolates on the Pillow Aren't Enough Jonathan recognizes that in today's Internet-fed, savvy-consumer world, it is the people-to-people connections, regardless of price point, that differentiate a customer's experience. Gimmicks come and go, but without sincere and caring people delivering the overall experience, from start to finish, well, it's true--chocolates on the pillow are not enough. A great read! —David Neeleman, founder and CEO, JetBlue Airways Corporation If you don't work for your customer, you're not doing your job. Who better to turn to for lessons in great customer experiences than Jonathan Tisch? He has long been one of the most respected leaders in travel and hospitality, and when it comes to treating all customers like guests, to put it simply, he gets it. And then some. —Millard S. Drexler, Chairman and CEO, J. Crew Group What brings customers back to my restaurants? Why do viewers watch my TV show? It's more than Bam! It's delivering a kicked-up customer experience. Tisch is the guy who knows how to do this best. His book gives the inside scoop on how to excite your customers and bring 'em back for more. —Emeril Lagasse Attention to detail, passion, and dedication are a few of the things that made me successful as an athlete. Jonathan knows that by doing the same in business, you maximize the customer's experience and outscore

the competition. —Tiki Barber

**The Spirit of Hospitality** Larry Stuart,2018-09-04 The Spirit of Hospitality takes readers on a journey of passion for purpose that empowers the missing ingredients of hospitality into a proven leadership style that works. Time has sped up to the point where technology has surpassed the last few thousand years by only a generation. What happened to kindness, humility and the human touch vs. having our face buried into a laptop or iPhone? A life dedicated to excellence does not come by chance, or with age, but by choice and commitment. Larry Stuart strives to give The Spirit of Hospitality to others who are called to a life of prosperity and significance. He provides the tools, attributes and real-life examples of what works when it comes to serving up a memorable guest service delivery and describes the necessary ingredients of hospitality. There is hope only if individuals bring back the missing ingredients of kindness, humility, integrity, encouragement, generosity, team and accountability. Only then is the spirit of hospitality empowered to provide the right leadership approach in building relationships to a new level of expectation, and allows those who embrace that spirit to accomplish whatever they strive to achieve.

**Customer Service in Tourism and Hospitality** Simon Hudson,Louise Hudson,2017-09-30 A fully revised and updated new edition of this bestselling text. *The Charismatic Organization* Shirley Sagawa,Deborah Jospin,2008-10-20 The authors offer a framework that allows organizations to go beyond quick fixes and fundraising strategies to a broader paradigm that encompasses community and organization building. What if every person involved with an organization was fully engaged and shared a common goal? What if the efforts of a relatively small ring of staff and board members were amplified by everyone touched by the organization, including current and former volunteers, staff, board members, clients, constituents, funders and supporters? That, the authors show, is the way a charismatic organization operates. The book provides numerous examples of how successful organizations have made this shift, as well as action steps that all organizations can take to perform better. In today's interdependent world, nonprofit organizations have more opportunity than ever before to make a difference in people's lives. Drawing upon their extensive experience in public service, Shirley Sagawa and Deborah Jospin identify the traits that give successful nonprofits the competitive edge they need to maximize their effectiveness and sustainability. *The Charismatic Organization: Eight Ways to Grow a Nonprofit That Builds Buzz, Delights Donors, and Energizes Employees* draws an authoritative blueprint for using social capital to transform good intentions into concrete results.— Former President Bill Clinton

Customer Service for Hospitality and Tourism Simon Hudson,Louise Hudson,2022-03-20 A fully updated new edition of this bestselling text that explains not only the theory behind the importance of customer service but also acts as a guidebook for those wishing to put this theory into practice. With 10 new international cases focusing on how some in the hospitality sector have adapted – and thrived - during the COVID-19 pandemic.
