A Good Long Drive Bob Phillips,2021-09-07 In 2021, Texas Country Reporter celebrates its fiftieth season on the air. Broadcast every week on stations across Texas, it focuses on “ordinary people doing extraordinary things.” And at the center of it is Bob Phillips, the show’s creator and host—an erstwhile poor kid from Dallas who ended up with a job that allowed him to rub elbows with sports figures, entertainers, and politicians but who preferred to spend his time on the back roads, listening to less-famous Texans tell their stories. In this memoir, Phillips tells his own story, from his early days as a reporter and his initial pitch for the show while a student at SMU to his ongoing work at the longest-running independently produced TV show in American television history. As we travel with Phillips on his journey, we meet Willie Nelson and former Dallas Cowboys coach Tom Landry; reflect on memorable, unusual, and challenging show segments; experience the behind-the-scenes drama that goes on in local television; witness the launching of an annual festival; and discover the unbelievable allure of Texas, its culture, and, especially, its people. Spanning generations, A Good Long Drive is proof that life’s journey really is a destination unto itself.

Long Drive Home Will Allison,2012-02-07 In this riveting novel, a happily married man makes a mistake that results in a teenager's death and sends his own life into a devastating tailspin.

A Good Long Drive Bob Phillips,2021-09-07 In 2021, Texas County Reporter celebrates its fiftieth season on the air. Broadcast every week on stations across Texas, it focuses on “ordinary people doing extraordinary things.” And at the center of it is Bob Phillips, the show’s creator and host—an erstwhile poor kid from Dallas who ended up with a job that allowed him to rub elbows with sports figures, entertainers, and politicians but who preferred to spend his time on the backroads, listening to less-famous Texans tell their stories. The Long Drive Home Stan Rogal,2009-11-18 Gay middle-aged hit men, a pathological interior designer, an idiot savant child and a gun-toting donut shop manager are some of the disparate characters that populate Stan Rogal's first novel. Beginning at vastly different points, geographically and emotionally, these seemingly unconnected people are woven together in the taut fabric of a story that follows the sweet sadness of the search for lost youth. The characters' paths move together gradually until they ultimately converge in an explosive showdown in a sleazy, road-side motel parking lot in Magog, Quebec. Peppered with beauty, absurdity and Rogal's typical rapid-fire dialogue, The Long Drive Home makes for a wonderfully disturbing read.

Remembrances from My Voyage of Self Discovery Or My Long Drive Joel Maxey,2009-04-09 Remembrances From My Voyage of Self Discovery or My Long Drive by Joel Maxey documents a road trip taken by the author down thru Mexico, Central, and South America in 1975-76. This book is written in the form of a log/essay and covers all of the major events and adventures that he experienced along the way. It follows the author

through the most dynamic and memorable time period in his life. Starting with the trips original genesis, into its preparation period, and finally through the five-and-a-half months of constant determination and courage required for its execution. At various points along the way my 'trip' became a 'journey' and then finally 'My Voyage of Self Discovery'. This book also chronicles the authors passage from a conventionally oriented way of life into one of passion, action, adventure, and risk taking.

Golf and the Grail Virgile Pace,2020-11-28 This book is not yet another manual on how to play golf. Its author is neither a player nor a professional teacher. This is the pupils' book. It is the first of its kind, which makes it unique. It gives an account of the apprentice golfer's quest for perfection, authenticity, and beauty and the long, hard road that must be travelled to achieve this. The journey of initiation necessarily precedes initiation to the golf course. In doing so, this book brings to light a philosophy in the literal sense of the word: the love of wisdom. as described by Shawn Clement, the founding father of Wisdom in Golf, and transmitted throughout Europe by Édouard Montaz, his brilliant disciple. Édouard and Virgile. Master and pupil. The pupil who learns from the master, who in turn learns from the pupil. This virtuous exchange opens up the path to inspired golf. And overturns the normal order of things. Indeed, it brings with it a revelation that sheds new light on the Arthurian legend and the quest for the Grail.

Deep Drive Mike Lowell,Rob Bradford,2008-05-06 An inspiring, national bestselling memoir from a Red Sox hero and MVP of the 2007 World Series. In 2007, Red Sox third baseman Mike Lowell triumphed over a lifetime of adversity when he led the world's most zealously followed baseball team to the promised land—their second World Series title in four years. But there was much more to the story than what happened that October night. From the hardships of his childhood in Puerto Rico, to the ups and downs of his baseball career, to his battle with testicular cancer, this is the story of man who overcame every challenge pitched at him to become one of the best third basemen in baseball—and a true role model for millions. "Lowell's story . . . [is] told in his own occasionally salty, but always sincere voice . . . quite candid." —The Hartford Courant "Mike Lowell is such an honest man, a man who plays the game hard, and plays the game right, the whole time."—Manny Ramirez, Red Sox outfielder

Drive Daniel H. Pink,2011-04-05 The New York Times bestseller that gives readers a paradigm-shattering new way to think about motivation from the author of *When: The Scientific Secrets of Perfect Timing* Most people believe that the best way to motivate is with rewards like money—the carrot-and-stick approach. That's a mistake, says Daniel H. Pink (author of *To Sell Is Human: The Surprising Truth About Motivating Others*). In this provocative and persuasive new book, he asserts that the secret to high performance and satisfaction-at work, at school, and at home—is the deeply human need to direct our own lives, to learn and create new things, and to do better by ourselves and our world. Drawing on four decades of scientific research on human motivation, Pink exposes the mismatch between what science knows and what business does—and how that affects every aspect of life. He

examines the three elements of true motivation—autonomy, mastery, and purpose—and offers smart and surprising techniques for putting these into action in a unique book that will change how we think and transform how we live.

Long Drive Jessica Florence, 2016-12-30 There is a long road in everyone's journey in life. For some people, it's a way to get from one place to another. For others, it's a search for one's purpose in existence. For me, the road was where I could find peace. When everything in my life had shattered, I turned to the road. And that's where I met him. Killian Lemarque. A beautiful truck driver, and my salvation. One month on the road together is the deal, and when it's over, I will have hopefully figured out what I'm going to do about my torn reality. But sometimes the road can change everything. One Month. One Truck. One Long Drive.

Sean & David's Long Drive Sean Condon, 2009 When 29-year-old city boy Sean Condon and his friend David set out to explore Australia in a 1966 Ford, the result is a decidedly off-beat look at life on the road. Over 8,500 death-defying miles, our heroes check out the re-runs on TV, get fabulously drunk, listen to Neil Young and wonder why they ever left home. An entertaining road book that Rolling Stone described as a hilariously detailed log of two burned-out friends.

I Love Long Drive Long Drive Publishing, 2020-03-02 A 120-page Long Drive Journal that features: 120 wide-ruled lined pages 6 x 9 inches in size smooth white-color paper a black matte-finish cover The (I Love Long Drive) journal can be used however you wish. This Long Drive journal makes a wonderful present!

A LONG DRIVE Dexter Reese, 2022-10-26 I was seriously considering a reread of *The Rules of the Road* at this and each second of angry glaring from Peyton Evers made it worse. He was in a delicate state at the moment, so I couldn't be too hard on him, but I honestly felt uncomfortable with the way he was looking at me.

Long Drive Home Will Allison, 2011-05-17 In his riveting new novel, Will Allison, critically acclaimed author of *What You Have Left*, crafts an emotional and psychological drama that explores the moral ambiguities of personal responsibility as it chronicles a father's attempt to explain himself to his daughter—even though he knows that in doing so, he risks losing her. Life can change in an instant because of one small mistake. For Glen Bauer, all it takes is a quick jerk of the steering wheel, intended to scare a reckless driver. But the reckless driver is killed, and just like that, Glen's placid suburban existence begins to unravel. Written in part as a confessional letter from Glen to his daughter, Sara, *Long Drive Home* evokes the sharp-eyed observation of Tom Perrotta and the pathos of Dan Chaon in its trenchant portrait of contemporary American life. When Glen realizes no one else saw the accident, he impulsively lies about what happened—to the police, to his wife, even to Sara, who was in the backseat at the time of the crash. But a tenacious detective thinks Sara might have seen more than she knows, or more than her parents will let her tell. And when Glen tries to prevent the detective from questioning Sara, he finds himself in a high-stakes cat-and-mouse game that could end in a lawsuit or prison. What he doesn't see coming is the reaction of his wife, Liz—a panicked plan that threatens to tear their family apart in the name of saving it. But what if the accident wasn't really Glen's fault? What if someone else were to blame for the turn his life has taken? It's a question Glen can't let go of. And as he struggles to understand the extent of his own guilt, he finds himself on yet another collision course, different in kind but with the potential to be equally devastating. *Long Drive Home* is a stunning cautionary tale of unintended consequences that confirms Will Allison's growing reputation as a rising literary talent.
