Logo Design Love David Airey,2009-12-20 There are a lot of books out there that show collections of logos. But David Airey's "Logo Design Love" is something different: it's a guide for designers (and clients) who want to understand what this mysterious business is all about. Written in reader-friendly, concise language, with a minimum of designer jargon, Airey gives a surprisingly clear explanation of the process, using a wide assortment of real-life examples to support his points. Anyone involved in creating visual identities, or wanting to learn how to go about it, will find this book invaluable. - Tom Geismar, Chermayeff & Geismar In *Logo Design Love*, Irish graphic designer David Airey brings the

best parts of his wildly popular blog of the same name to the printed page. Just as in the blog, David fills each page of this simple, modern-looking book with gorgeous logos and real world anecdotes that illustrate best practices for designing brand identity systems that last. David not only shares his experiences working with clients, including sketches and final results of his successful designs, but uses the work of many well-known designers to explain why well-crafted brand identity systems are important, how to create iconic logos, and how to best work with clients to achieve success as a designer. Contributors include Gerard Huerta, who designed the logos for Time magazine and Waldenbooks; Lindon Leader, who created the current FedEx brand identity system as well as the CIGNA logo; and many more. Readers will learn: Why one logo is more effective than another How to create their own iconic designs What sets some designers above the rest Best practices for working with clients 25 practical design tips for creating logos that last

Logo Design Workbook Sean Adams,Noreen Morioka,Terry Lee Stone,2006-03-01 Logo Design Workbook focuses on creating powerful logo designs and answers the question, What makes a logo work? In the first half of this book, authors Sean Adams and Noreen Morioka walk readers step-by-step through the entire logo-development process. Topics include developing a concept that communicates the right message and is appropriate for both the client and the market; defining how the client's long-term goals might affect the look and needs of the mark; choosing colors and typefaces; avoiding common mistakes; and deciphering why some logos are successful whereas others are not. The second half of the book comprises in-depth case studies on logos designed for various industries. Each case study explores the design brief, the relationship with the client, the time frame, and the results.

Principles of Logo Design George Bokhua, 2022-08-09 Learn to design simple, powerful, and timeless logos. *Winner of the 2022 American Graphic Design Award for Book Design from Graphic Design USA* When you think of a brand, often the first thing that comes to mind is the logo, the visual representation of that product, place, thing, or business. The power of simplicity for these marks can never be underestimated—a logo that comprises simple shapes can communicate a stronger message than a complex one, leaving a lasting impression in a viewer’s mind. In *Principles of Logo Design*, noted logo designer George Bokhua shares his process for creating logotypes that will stand the test of time. Applying the enduring principles of classic texts on grid systems by Josef Muller-Brockmann and on form and design by Wucius Wong, Bokhua elaborates on his popular online classes, demonstrating in detail how to maximize communication with minimal information to create logos using simple, monochromatic shapes. This comprehensive volume includes: How to apply a strong, simple, and minimal design aesthetic to logo design Why gridding is important, and understanding the golden ratio and when to use it How to sketch and refine logos through tracing, then grid and execute a mark in Adobe Illustrator Fine-tuning techniques to ensure visual integrity Knowing how to design a great logo is a core skill for any graphic designer. *Principles of Logo Design* helps designers at all levels of skill and experience conceive, develop, and create logos that are not only pleasing to the eye but evoke a sense of perfection.

Both design firms and their clients will

find this an invaluable resource for inspiration and ideas that grab the viewer's attention and create a lasting impression.

Logo Design - How to Create Logo That Stands Out Josh Cooper, 2016-12-15 LOGO

DESIGN HOW TO CREATE LOGO THAT STANDS OUT I see every business like a living being, that needs resources to live, has a given evolution, and presents itself in a certain manner. The presentation part can be done in many ways, and some big companies allocate huge amounts of money for this only. Nevertheless, any business, no matter how small, needs an identity card, besides any other complex presentation forms. And this identity card, how I call it, is the logo. People have used symbols to express meaning since ever. Nowadays, logos are mostly graphical, and designed in such a way that makes them easily recognizable. It is a tool used for identity creation, and to generate favorable thoughts and feelings about the business. What will you find in this book? * A brief description of what is branding, what is identity and where is the logo's places in this * What is a logo and why every business, small or big, needs it * Examples of different types of logos; how and where each type is best used; * Description of the steps you need to take in the designing process; * How will it be if you hire a professional to make the logo for you; * What are the costs of logo designing; * What does it take to do it yourself * What makes a logo look good and fulfill its purpose; * What mistakes should you avoid in the process; In a world where the easy access to internet allows a lot of small businesses to develop, each entrepreneur needs to find its way on the market. So you need the logo for the customers to find you and for some other reasons. Find the arguments in the book. Happy reading!

The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts.

The Secret History is a exceptional and thrilling novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
