

Lois Sur Le Mariage Et Le Divorce Divorce And 10

British Museum. Department of Printed Books

Sexual Moralities in France, 1780-1980 Antony Copley, 2019-01-25 Originally published in 1989. This is the first history of modern France to explore the long-term origins of the libertarian revolt. It traces the moral history from the eighteenth century to the 1960s, examining the questions of marriage and divorce, homosexuality, and sexual morality. It includes detailed chapters on the Marquis de Sade, Charles Fourier, André Gide, and Daniel Guérin in order to illustrate the changing legislation, popular thought and public opinion. The result is an enlightening and provocative account which will be of interest to students of modern French history, moral thought and the history of sexual attitudes.

The Maclure Collection of French Revolutionary Materials James D. Hardy, Jr., John H. Jensen, Martin Wolfe, 2018-01-15 Complete catalogue and index of one of the largest collections of its kind of French Revolutionary and Napoleonic newspapers pamphlets and official publications covering the years 1789-1815. Over 20,000 listings are preceded by an introduction giving a history of the collection, a survey of other notable French Revolution collections, and a biographical essay on William S. Maclure. William S. Maclure (1763-1840) was a wealthy Philadelphia merchant, a radical social reformer, and our first scientific geologist. His huge collection of French Revolutionary publications is one of the greatest libraries of its kind to be formed during the period of the Revolution. Maclure bestowed the collection on the Philadelphia Academy of the Natural Sciences in 1821, and the Academy in turn gave the collection to the Historical Society of Philadelphia, In 1949 it was acquired by the University of Pennsylvania.

The Dead Sea Scrolls and Pauline Literature Jean-Sébastien Rey, 2013-11-11 This

volume brings together studies by some of the best specialists of the Dead Sea Scrolls and Pauline literature. The authors explore the relationships between these two corpora in order to explain them more accurately and explain better the diffusion, transformations and reconfiguration of Jewish traditions into Mediterranean Judaism.

The Family on Trial in Revolutionary France Suzanne Desan,2006-06-19 Annotation A sophisticated and groundbreaking book on what women actually did and what actually happened to them during the French Revolution.

L'Influence de la religion dans le droit international privé des pays musulmans
Academie de Droit International de la Haye,1988-05-16 The Academy is a prestigious international institution for the study and teaching of Public and Private International Law and related subjects. The work of the Hague Academy receives the support and recognition of the UN. Its purpose is to encourage a thorough and impartial examination of the problems arising from international relations in the field of law. The courses deal with the theoretical and practical aspects of the subject, including legislation and case law. All courses at the Academy are, in principle, published in the language in which they were delivered in the Collected Courses of the Hague Academy of International Law .

La famille dans l'ordre juridique de l'Union européenne / Family within the Legal Order of the European Union Elsa Bernard,Marie Cresp,Marion Ho-

Dac,2020-12-31 Le droit de la famille, dans sa dimension civiliste, fortement ancré dans les cultures nationales des États membres, est une matière qui ne relève pas, en principe, du droit de l'Union européenne. Pourtant, il n'est plus possible d'affirmer que la matière échappe dans son entier au droit de l'Union. De nombreux aspects de la famille sont sous influence européenne, au point que l'on voit se dessiner les contours d'une « famille européenne ». L'ouvrage propose de mettre en lumière l'acquis européen en matière de droit de la famille, au prisme du droit matériel (citoyenneté européenne, politique sociale de l'Union, fonction publique européenne...), comme du droit international privé. Le droit de la famille de l'Union s'identifie alors comme un «droit spécial» complétant la diversité des droits nationaux de la famille. Sa signification théorique et politique dans l'Union est débattue par les auteurs, autant que son devenir. Loin de demeurer fragmentaire à côté des droits nationaux des États membres, il a probablement vocation à se densifier pour offrir aux citoyens et résidents européens un droit commun de la famille au sein de l'Union.

Family law, with its civil law tradition, and strong roots in the national cultures of the Member States, does not normally fall within the scope of European law. However, it is no longer possible to argue that family law is outside European law entirely. There are many aspects of the family which are subject to European influence, to the point that the outlines of a «European family» are starting to emerge. This book is intended to highlight the European experience of family law and its substantive (i.e. European citizenship, EU social

policy, EU civil service...) and private international law aspects. Union law therefore contains a form of «special» family law which is shared between the Member States and supplements their national family laws. Its theoretical and political importance in the Union, as well as its future, are discussed by the authors. Far from remaining fragmented alongside the national laws of Member States, it will likely develop to offer European citizens and residents a common family law within the EU.

Subject Index of the Modern Works Added to the Library of the British Museum in the Years 1881-1900 British Museum. Department of Printed Books, 1903

Recueil Des Cours, Collected Courses, 1926 Academie De Droit International De La Ha, 1968-12-01

Routledge Library Editions: History of Sexuality Various Authors, 2021-02-12
Reissuing seven works originally published between 1977 and 1992, this collection offers a varied selection of surveys of historical practices and attitudes to sexuality, from complete reviews of changing attitudes through time, to individual studies of France in the 19th and 20th Centuries and England in the 17th. This set will be of interest in sociology, gender studies, cultural studies and history.

Reviewing **Lois Sur Le Mariage Et Le Divorce Divorce And 10: Unlocking the Spellbinding Force of Linguistics**

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of
