**Locomotive** Julian Tuwim, 2017-11-14 Three beautifully illustrated classic Polish tales that will enchant the young readers of today In the late 1930s renowned Polish poet Julian Tuwim, was asked to write three poems for children. The publisher Przeworski connected the three poems into one book, Locomotive, and commissioned illustrations from celebrated Polish illustration duo Lewitt and Him. Locomotive was the beginning of a creative partnership that lasted many years. Featuring the original three poems, Locomotive, The Turnip, and The Bird's Broadcast, children learn what's inside each train carriage as it chugs along, how many people, animals, and friends it takes to pull a turnip from the ground, and what happens when birds of all kinds gather for a meeting in the woods. After its original publication in 1939 in Polish, Locomotive was swiftly translated into French and English the next year, appearing at a time when it would have been a surprise and a joy to encounter bright colors and modernist- inflected imagery. Both classic and modern, its imaginative storytelling and appeal has endured and will delight children today as much as it did eighty years ago.

**Mr Miniscule and the Whale** Julian Tuwim, 2014 This rhyming adventure tells the story of Mr Miniscule, a teeny tiny explorer with a BIG dream who sets off on the vast ocean in search of a big blue whale, only to find a big blue island. Or could he be wrong? Mr Miniscule and the Whale is a timeless children's classic known and treasured by three generations of Poles, now one of Australia's largest foreign communities. About the Author Julian Tuwim (1894-1953) was one of Poland's leading poets. He won fame not just for his adult verse but also for his rhymes for children, many of which are classics known to every Polish child. He also wrote satirical verse and loved word games, inventing palindromes (whole sentences that read the same forwards and backwards), lipograms (whole

paragraphs that leave out a particular letter), and tautograms (sentences where every word starts with the same letter). Nobody knows if he ever set out to sea to see a whale. Bohdan Butenko (born 1931) is one of Poland's top illustrators, whose drawings appear in more than 200 children's books. He is also famous for his animated cartoons - especially featuring Gucio the clumsy hippo and Cezar the sensible dog - as well as for his stage sets and television design. He has won many prizes, among them the 2012 Order of the Smile - a special medal awarded by children to adults who are particularly kind to them.

**Lokomotywa** Julian Tuwim,2020 Klasyka polskiej poezji dziecięcej – urocze wierszyki Juliana Tuwima dla najmłodszych z bajecznie kolorowymi rysunkami Kazimierza Wasilewskiego. Książki sztywnostronicowe znakomicie sprawdzają się w rączkach najmłodszych wielbicieli poety. --

Julian Tuwim Dymphna Cusack,Julian Tuwim,2018-03 During the years 1918 to 1920, Julian Tuwim (1894-1953) burst upon the Polish literary scene like a firework. An 'enfant terrible', no poet, Polish or English (with the exception, perhaps, of Lord Byron) whose name, at an early age, came to excite the reading public so suddenly. His reputation having since undergone many changes among literary critics both before his untimely death and beyond, Tuwim remains, however, the poet most recognised as 'unusual', most quoted and discussed by Polish readers. This notwithstanding, he seems to be these days recognised more for his undoubtedly superb poems for children than for his lyric verse.

**Polish Literature and Genocide** Arkadiusz Morawiec,2021-12-30 Polish Literature and Genocide presents the attitude of Polish literature to the 20th-century acts of genocide. This volume examines the literary representations of the Armenian genocide, the Holocaust, and the massacre in Srebrenica in a rich, detailed, and comprehensive way, expanding the existing research and, in some cases, challenging the former sometimes ossified ideas. Polish literature not only reflects the obvious extermination of Jews and Poles, but also records what had been largely overlooked: the extermination of disabled and mentally ill people, the Roma and Sinti, and the Soviet prisoners of war by the Nazis. This volume includes analysis of the literary works of Władysław Szlengel, the most

prominent Polish-language poet in the Warsaw ghetto; the peculiar reception of Julian Tuwim's famous poem for children *Locomotive*; the memoir of Leon Weliczker, a prisoner of the Janowska concentration camp in Lvov and a member of the 'death brigade' (Sonderkommando); the origins of *Medallions* by Zofia Nałkowska, who 'processed' historical documents into literature and contributed to the making of professor Rudolf Spanner's 'dark legend,' and the textual origins of Tadeusz Różewicz's 'poetry after Auschwitz.' Furthermore, this volume addresses issues related to the genesis and function of 'genocide literature' – aesthetic, cognitive, ideological, and social. This volume will be a crucial resource for academics interested in genocide and Holocaust literary studies.
