Lola's Big Adventure Tera J. Lee,2021-07-19 Have you ever wondered what it would be like to be someone else? Live another life? Well, that's just what Lola did. She decided to be somebody she wasn't. Lola was an inside kitty, pretty and white. Every day Lola watched Harley. Harley was an outside kitty. He went out every day and chased birds and squirrels while she sat inside and watched through the window. So one day, Lola chose to be an outside kitty. Journey with Lola as she learns that the grass isn't always greener on the other side of the fence. And being an inside kitty is just right for her.

What Is Your Quest? Anastasia Salter,2014-11 What's Your Quest? examines the future of electronic literature in a world where tablets and e-readers are becoming as common as printed books and where fans everywhere are blurring of the positions of reader and author. The magic of Youtube, the iPad, and adventure gaming draws upon a history of convergence in digital storytelling that has evolved alongside computing itself, as new tools and models for interactive narrative and the increased accessibility of those tools have allowed for a broad range of storytellers to build on these emerging models for literary interaction--

Jane Jensen Anastasia Salter,2017-04-06 In the 1990s, the Personal Computer (or PC) was on the rise in homes, and with it came new genres of play. Yet most of the games in these new genres featured fantasylands or humorous science fiction landscapes with low stakes and little to suggest the potential of the PC as a serious space for art and play. Jane Jensen's work and landmark Gabriel Knight series brought a new darkness and personality to PC gaming, offering a first powerful glimpse of what games could be as they came of age. As an author and designer, Jensen brought her approach as a designer-writer hybrid to the forefront of game design, with an approach to developing environments through detailed research to make game settings come to life, an attention to mature dilemmas and complex character development, and an audience-driven vision for genres reaching beyond the typical market approaches of the gaming industry. With a brand new interview with Jensen herself, Anastasia Salter provides the first ever look Jensen's impact and role in advancing interactive narrative and writing in the game design process.

A to Zoo Rebecca L. Thomas,2018-06-21 Whether used for thematic story times, program and curriculum planning, readers' advisory, or collection development, this updated edition of the well-known companion makes finding the right picture books for your library a breeze. Generations of savvy librarians and educators have relied on this detailed subject guide to children's picture books for all aspects of children's services, and this new edition does not disappoint. Covering more than 18,000 books published through 2017, it empowers users to identify current and classic titles on topics ranging from apples to zebras. Organized simply, with a subject guide that categorizes subjects by theme and topic and subject headings arranged alphabetically, this reference applies more than 1,200 intuitive (as opposed to formal catalog) subject terms to children's picture books, making it both a comprehensive and user-friendly resource that is accessible to parents and teachers as well as librarians. It can be used to identify titles to fill in gaps in library collections, to find books on particular topics for young readers, to help teachers locate titles to support lessons, or to design thematic programs and story times. Title and illustrator indexes, in addition to a bibliographic guide arranged alphabetically by author name, further extend access to titles.

Lola Melissa Scrivner Love,2018-01-02 WINNER OF THE JOHN CREASEY DEBUT DAGGER AWARD Nominated for the Edgar Award for best first novel An astonishing debut crime thriller about an unforgettable woman who combines the genius and ferocity of Lisbeth Salander with the ruthless ambition of Walter White The Crenshaw Six are a small but up-and-coming gang in South Central LA who have recently been drawn into an escalating war between rival drug cartels. To outsiders, the Crenshaw Six appear to be led by a man named Garcia . . . but what no one has figured out is that the gang's real leader (and secret weapon) is Garcia's girlfriend, a brilliant young woman named Lola. Lola has mastered playing the role of submissive girlfriend, and in the man's world she inhabits she is consistently underestimated. But in truth she is much, much smarter--and in many ways tougher and more ruthless--than any of the men around her, and as the gang is increasingly sucked into a world of high-stakes betrayal and brutal violence, her skills and leadership become their only hope of survival. Lola marks the debut of a hugely exciting new thriller writer, and of a singular, magnificent character unlike anyone else in fiction.

The Loud House #13 The Loud House Creative Team,2021-08-24 When the lights go out at the Loud House during a storm, it is up to the kids to keep themselves entertained. Join Lincoln Loud and his sisters Lily, Lisa, Lana, Lola, Lucy, Lynn, Lola, Luan, Luna, Leni and Lori as they tell tales to astonish (OMGosh!), tales from the crypt (or the creepy basement), tales of the city (family friends Bobby and Ronnie Anne’s city, that is), and finally, bedtime tales. Featuring all-new stories from The Loud House creative team!

Brina the Cat #1 Giorgio Salati,2020-01-28 Brina, a city cat, moved to the mountains with the owners for a summer holiday. Here she meets some stray cats who call themselves “The Gang of the Feline Sun. The new friends convince her to escape her owners and become a free cat. But while Brina enjoys her newfound freedom and all the new types of delectable bugs the countryside has to offer, her young owners are panicking over losing her, a member of their family. Brina must make a choice to live with her owners , where it’s safe (but confined) or go in the wilderness. A heartwarming tender cat tale.

Dance Class #10 Crip,Beka,2020-03-17 The dress sewn by seamstress Nathalia for the titular The Snow Queen is stunning. She really outdid herself for the performance. But the signature dress disappears overnight! The whole Dance Class is on edge and blames Carla for the mysterious disappearance. She will do anything to find that dress and prove her innocence. With many false leads, and without the help of her friends Julie, Alia, and Lucie who are busy rehearsing for the upcoming ballet recital, Carla must be the Snow Queen AND the Detective Queen to save the show.

They battle intergalactic thieves and multi-limbed troublemakers but can all their sisterly-fights prepare them for their greatest foes...their clones?

I Want to Eat Your Books Karin Lefranc,Tyler Parker,2015-10-06 He’s limping strangely down the hall with outstretched arms and a groaning drawl. A zombie! Could it really be? You race to class, but turn to see he’s sitting in the desk right next to you! But odds are you’ll probably be okay, because this is no ordinary zombie. This zombie doesn’t want to eat your brains—he wants to eat your books! Hide your textbooks and your fairy tales, because the little zombie is hungry and he doesn’t discriminate between genres. Will the school library be devoured, or will the children discover something the zombie likes to do with books even more than eating them? This monster book is silly and fun, with a strong message about kindness and friendship. The little zombie teaches kids not to jump to conclusions and to give everyone a chance. And when a real-life mummy shows up, the zombie is the first to step up and offer the mummy his friendship—and to teach her a few things about the joy of books. This is the perfect monster book for little ones who want a thrill but aren’t looking for anything too scary. For kids ages 3 to 6, this is not a scary monster book; rather, it's a great introduction to the importance of reading books and all that you can learn from them. This should have a big draw to librarians and booksellers as well as kids who enjoy books about monster. None of the monsters in the book are scary, however, and it's not a book about kids trying overcome the monsters in their house or fight them. Instead, the kids actually are kind to the zombie and draw him into their friend circle, which is a great lesson for kids to learn. Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

The Fresh New Face of Griselda Jennifer Torres,2019-09-03 A moving coming-of-age novel about one girl's struggles after her parents lose their home, and her journey to find hope in family and friendship, from Jennifer Torres, the author of Stef Soto, Taco Queen. Griselda Geez Zaragoza has a love for beautiful things, like her collection of vintage teacups and the flower garden she and her dad planted in the front yard. But when his business fails, Griselda loses not just her home, but also her confidence and her trust in her unflappable parents. Tagging along with big sister Maribel, who postponed college for a job selling Alma Cosmetics, Geez dreams up a way to reclaim the life she thinks she lost. If she can sell enough tubes of glistening, glittery Alma lip gloss, she'll win a cash prize that could help jump start her dad's business. With ups and downs along the way, Geez will discover that beauty isn't just lost or found, but made and re-made.

Adventures of Jack, a Little 4 by 4 Maggie Hopkins,2020-08-11 A story of Jack, a cocky little showoff 4 by 4, his adventures in the mountains with his family and the lesson he learned. He carried his little family, mom and dad, little Jamie and baby Joey into danger one fateful day. Thankfully all turned out well and Jack saved his family. Our Little Hero.

The Kindertransport Jennifer Craig-Norton,2019-06-25 Jennifer Craig-Norton sets out to challenge celebratory narratives of the Kindertransport that have dominated popular memory as well as literature on the subject. According to these accounts, the Kindertransport was a straightforward act of rescue and salvation, with little room for a deeper, more complex analysis. This volume reveals that in fact many children experienced difficulties with settlement: they were treated inconsistently by refugee agencies, their parents had complicated reasons for giving them up, and their caregivers had a variety of motives for taking them in. Against the grain of many other narratives, Craig-Norton emphasizes the use of archival sources, many of them newly discovered testimonial accounts and letters from Kinder to their families. This documentary evidence together with testimonial evidence allows compelling insights into the nature of interactions between children and their parents and caregivers and shows readers a more nuanced and complete picture of the Kindertransport.
