London Explorer Map and Guide British Tourist Authority, The, 2005-06-01

Half-Full Adventure Map: London Sam Trezise, 2018-07 The Half-Full Adventure Map is a new breed of map. Part map, part local guide, Half-full Adventure Map: London has been designed for explorers with an open mindset and a generous spirit. One side of the map features suggested itineraries that reveal hidden

treasures and key attractions, giving you a real taste for the city even if you have limited time. There are also links to online features, including a playlist filled with local music and additional commentary. The other side is what makes this map 'half-full' - space has been left for you to record your own travel experiences and ideas. Your new personalized guide can then be passed on to a friend, or you could keep it as a reminder of your travels. The A2-sized map and guide comes in a specially designed box, and can easily be folded down and put in your bag or backpack.

Emerging Innovative Marketing Strategies in the Tourism Industry Ray, Nilanjan, 2015-08-03 The continuous growth and expansion of the travel sector has brought about a greater need to understand and improve its various promotional tactics. Effectively employing these methods will benefit all manner of travel destinations and attract a larger number of tourists to these locations. *Emerging Innovative Marketing Strategies in the Tourism Industry* is an authoritative title comprised of the latest scholarly research on effective promotional tools and practices within the tourism sector. Featuring expansive coverage on a variety of topics from the use of information technology and digital tools to tourist motivation and economic considerations, this publication is an essential reference source for students, researchers, and practitioners seeking research on the latest applications, models, and approaches for promotion in the travel industry. This publication features valuable, research-based chapters across a broad range of relevant topics including, but not limited to, consumer search behavior, customer relationship management, smart technologies, experiential tourist products, leisure services, national brand images, and employment generation.
