Richard Bailey

The Die-Hard Fan's Guide to Longhorn Football Geoff Ketchum, 2008-07-22 The indispensable guide that all Texas fans must have, this guide features never-before-published stories about some of the greats of Longhorn football.

Longhorn Hoops Richard Pennington, Denton A. Cooley, 1998-01-01 Longhorn Hoops documents the history of basketball at the University of Texas. For men's basketball, Richard Pennington goes season by season, describing every game the Longhorns have ever played from 1906 to 1998. He does the same for women's basketball, except for the first two chapters, which cover longer spans of time leading up to the establishment of basketball as a varsity sport for women in 1974. Pennington demonstrates that Texas basketball, while always secondary to King Football, actually has a long and colorful history. Beside stories of games won or lost, points scored, and rebounds collected, Pennington recalls the orange-and-white stars of yesteryear--from Clyde Littlefield to Reggie Freeman--and brings the greatest teams to life, including the unbeaten Steers of 1924, the Final Four team of 1947, Harold Bradley's 1963 team, Abe Lemons' 1978 NIT champions, and Tom Penders' 1990 Longhorns. Perhaps the most interesting story in Longhorn Hoops is how Anna Hiss, director of women's physical education at Texas from 1921 to 1957, helped lead a nationwide movement against intercollegiate competition for women, which shut down UT women's basketball for several decades and made progress in the 1960s and 1970s much more difficult. Some determined co-eds

got it going again, and, with the energy and direction of women's athletic director Donna Lopiano and coach Jody Conradt (whose teams have won more than 700 games), the Longhorns built a powerhouse program that reached its apex with an undefeated team in 1986, winning the NCAA championship with the heroics of freshman star Clarissa Davis. Basketball, as Pennington notes in his preface, is the most beautiful sport of all, and its history at the University of Texas has now been told. This comprehensive book features a foreword by Dr. Denton Cooley, the world-famous heart surgeon who helped the Longhorns win an SWC title in 1939.

The Duke, the Longhorns, and Chairman Mao Steven Travers, 2014-04-07 1966. The year of change. The year of division. The middle of the 1960s, the great dividing line between what America had been, and what it became. All of it, in all its color, glory, and ugliness, came symbolically together on a hot, humid weekend in Austin, Texas. The protagonist? None other John "Duke" Wayne, the larger-than-life movie hero of countless Westerns and war dramas; a swashbuckling, ruggedly macho idol of America; the very embodiment of what the United States had become—the new Rome: the most powerful military, political, and cultural empire in the annals of mankind. Wayne, like the nation itself, stood astride the world in Colossus style, talking tough. Taking no prisoners. In September 1966, John Wayne was in Texas filming War Wagon while the integrated Trojans of the University of Southern California arrived in Austin to do battle with a powerhouse of equal stature, the all-white Texas Longhorns. The Duke, a one-time pulling guard for coach Howard Jones at USC, was there, accompanied by sycophants, and according to rumor, with spurs on. Wayne arrived in Austin the night before the game. Dressed to the nines, he immediately repaired to the hotel bar. He had a full entourage who hung on his every word as if uttered from the Burning Bush. So it was

when the Duke ordered his first whiskey. Thus surrounded by sycophants, John Wayne bellowed opinions, bromides, and pronouncements. What happened next is subject to interpretation, for this weekend and many other details of the Duke's "Trojan wars" are revealed and expounded upon by longtime USC historian Steven Travers. This book is a fly-on-the-wall exploration of this wild weekend and an immersion into the John Wayne mythology: his politics, his inspirations, the plots to assassinate him, his connections to Stalin, Khrushchev, and Chairman Mao, and the death of the Western.
