21 días para alcanzar el éxito y la paz interior Wayne W. Dyer,2023-09-19 ¿Qué definen el éxito y la paz mental? A menudo equiparamos el éxito con los bienes materiales, los premios y el prestigio. Sin embargo, estos valores proceden siempre del ego, un nivel de conciencia inferior. Solo si desaprendemos los mensajes del ego, aprendemos a escuchar a nuestro guía interior y conectamos por el espíritu, podemos alcanzar el éxito y la paz interior verdaderos. Cuando vibramos en un nivel superior, sintonizamos con las fuerzas del universo y el milagro empieza a manifestarse en nuestra vida. 21 días para para alcanzar el éxito y la paz interior destila las pautas para vivir con propósito y alegría desde una profunda armonía con la propia alma. La obra recoge las enseñanzas del extraordinario escritor y psicólogo Wayne W. Dyer, que sin duda ha sido una de las figuras más influyentes de todos los tiempos en el movimiento del crecimiento espiritual. Un pequeño manual rebosante de inspiración, para leer, meditar y empezar a elevar la frecuencia de nuestros pensamientos en solo tres semanas.

**Peace Is Every Step** Thich Nhat Hanh,1992-03-01 In the rush of modern life, we tend to lose touch with the peace that is available in each moment. World-renowned Zen master, spiritual leader, and author Thich Nhat Hanh shows us how to make positive use of the very situations that usually pressure and antagonize us. For him a ringing telephone can be a signal to call us back to our true selves. Dirty dishes, red lights, and traffic jams are spiritual friends on the path to “mindfulness”—the process of keeping our consciousness alive to our present experience and reality. The most profound satisfactions, the deepest feelings of joy and completeness lie as close at hand as our next aware breath and the smile we can form right now. Lucidly and beautifully written, Peace Is Every Step contains commentaries and meditations, personal anecdotes and stories from Nhat Hanh's experiences as a peace activist, teacher, and community leader. It begins where the reader already is—in the kitchen, office, driving a car, walking a part—and shows how deep meditative presence is available now. Nhat Hanh provides exercises to increase our awareness of our own body and mind through conscious breathing, which can bring immediate joy and peace. Nhat Hanh also shows how to be aware of relationships with others and of the world around us, its beauty and also its pollution and injustices. The deceptively simple practices of Peace Is Every Step encourage the reader to work for peace in the world as he or she continues to

work on sustaining inner peace by turning the “mindless” into the mindFUL.

**Secrets of the Millionaire Mind** T. Harv Eker,2009-10-13 #1 New York Times, Wall Street Journal, and USA Today Bestseller! Secrets of the Millionaire Mind reveals the missing link between wanting success and achieving it! Have you ever wondered why some people seem to get rich easily, while others are destined for a life of financial struggle? Is the difference found in their education, intelligence, skills, timing, work habits, contacts, luck, or their choice of jobs, businesses, or investments? The shocking answer is: None of the above! In his groundbreaking Secrets of the Millionaire Mind, T. Harv Eker states: Give me five minutes, and I can predict your financial future for the rest of your life! Eker does this by identifying your money and success blueprint. We all have a personal money blueprint ingrained in our subconscious minds, and it is this blueprint, more than anything, that will determine our financial lives. You can know everything about marketing, sales, negotiations, stocks, real estate, and the world of finance, but if your money blueprint is not set for a high level of success, you will never have a lot of money—and if somehow you do, you will most likely lose it! The good news is that now you can actually reset your money blueprint to create natural and automatic success. Secrets of the Millionaire Mind is two books in one. Part I explains how your money blueprint works. Through Eker's rare combination of street smarts, humor, and heart, you will learn how your childhood influences have shaped your financial destiny. You will also learn how to identify your own money blueprint and revise it to not only create success but, more important, to keep and continually grow it. In Part II you will be introduced to seventeen Wealth Files, which describe exactly how rich people think and act differently than most poor and middle-class people. Each Wealth File includes action steps for you to practice in the real world in order to dramatically increase your income and accumulate wealth. If you are not doing as well financially as you would like, you will have to change your money blueprint. Unfortunately your current money blueprint will tend to stay with you for the rest of your life, unless you identify and revise it, and that's exactly what you will do with the help of this extraordinary book. According to T. Harv Eker, it's simple. If you think like rich people think and do what rich people do, chances are you'll get rich too!
