Unreal Estate Michael Gross,2011 A history of lucrative real estate in Los Angeles shares the lesser-known contributions of a range of figures from Douglas Fairbanks and Marilyn Monroe to Howard Hughes and Ronald Reagan. By the best-selling author of Rogues' Gallery.

The Altman Close Josh Altman,2019-04-09 Land the deals you want and develop your instincts with million-dollar negotiation techniques After selling over \$3 Billion in real estate, including the most expensive one-bedroom house in history, Josh Altman, co-star of the hit show Million-Dollar Listing Los Angeles, wants to teach you the real estate sales and negotiation tactics that have made him one of America's top agents. Buying or selling a house, whether for a client or yourself, is one of the most important (and most stressful) deals anyone can make, demanding emotional intelligence and a solid set of negotiating skills. But by mastering the same techniques that sell multi-million-dollar homes in Bel Air and Beverly Hills, you can attract buyers and close deals on any property. Josh breaks down the art of real estate into three simple parts. First, he'll help you get business in the door during the Opening. Then he takes you step-by-step through the Work: everything between the first handshake and the last. And finally, the Close, the last step that ensures all your hard work pays off as you seal the deal. Learn how to open with a prospect, work the deal, close, open, and repeat Build and market your reputation, creating more sales opportunities Develop the traits of a closer in you and your team Drive the deal forward and get the best price for your property by creating desire, scarcity, and demand Successful real estate sales are driven by the same principles, whether they happen in the Hollywood Hills or just down the street. Josh wants to put those principles, and the techniques for applying them, in your hands. Learn them and discover what you can achieve.

Los Angeles County 2012A Tax Sale: Vol. 10 Apex-Austin LLC,2013-04-05 The County of Los Angeles sells properties for which property taxes have not been paid: 3 years or more for non-residential properties, and 5 or more years for residential properties. The auctions are open to the public, and take place once or twice a year. A large number of properties are typically made available - over 3,000 at the most recent Auction 2012A held in October 2012. This sums up both the challenge and the opportunity. There are buried diamonds here, but finding these is another matter entirely. Prior to the Apex-Austin L.A. County Enhanced Tax Sales Catalogs, discovery was a task best assumed by those with much time and many resources. The Treasurer and Tax Collector office makes available the inventory list prior to the auction. The following is a typical property description, ... RANCHO TOPANGA MALIBU 0 SEQUIT LOT COM AT NE COR OF LOT 24 TR # 10630 TH S 60*15'40 E 38.23 FT TH NE ON A CURVE CONCAVE TO NW RADIUS EQUALS 120 FT 165.25 FT TH S 19*07'34 W TO MEAN HIGH TIDE LINE OF PACIFIC OCEAN TH W THEREON TO A PT S 19*07'34 W FROM BEG TH N 19*07'34 E TO BEG PART OF LAND ADJ ON S AND PART OF LOT 16 ASSESSED TO ... The above describes auction item 2418. It is buried in the middle of the 600 page auction list. It is indistinguishable from the thousands of other auction properties before it in the list and after it in the list. Item 2418 also happens to be a 3/4 acre, on-the-sand beach front lot, in Malibu, with a \$3,800 starting bid. Leveraging state of the art geographic and data science techniques, these Apex-Austin enhanced volumes give the serious auction investor immediate visibility into the County's opaque and well camouflaged properties catalog. Rather than the data dump surveyor-speak, the series presents easily accessible maps, aerial imagery, comps, and ranking of interesting properties - actionable information for spotting your hidden diamonds.
