A Blazing Vengeance Robert Fisher, 2016-07-30 The man sat in his comfortable armchair with a glass of his favorite liquor in his left hand. His attempt at a smile was unsuccessful. Instead his face was contorted into a grotesque mask of hatred. It had taken years of meticulous preparation before finalizing his plan of vengeance. His highly intelligent brain had considered every conceivable contingency. It was perfect. Nothing could possibly go wrong. And now he had finally acquired all the tools necessary to begin. He gloated over the delicious thoughts of the many possible ways to torture before slowly killing the two men who caused this unquenchable fire within him. Their deaths would be tied to the annihilation of millions in the country he blamed for his past humiliation America. He let loose a throaty gale of laughter. His body shuddered with the force of this emotion. Obviously, he was incapable of recognizing that his exceptional mind was on a razor's edge between utter brilliance and insanity. For who in their right mind would massacre millions of innocent people no matter what the

perceived provocation? His eyes bulged, and spittle dripped from his mouth as he attempted to widen his smug smile at the idea of finally killing his two foes. But this only increased the hideous facade of his face. He raised his right hand and, with his forefinger, pressed an imaginary start button. Now you're mine! he screamed into the night.

NCIS Los Angeles: Bolthole Jeff Mariotte, 2016-11-29 In a division of NCIS that is charged with apprehending dangerous and elusive criminals that pose a threat to the nation's security, this team of highly trained agents put their lives on the line in the field to bring down their targets. When a Navy counselor paying a home visit to a former Navy SEAL finds him inside his house, tortured and murdered, NCIS is called in to investigate. Meanwhile, a bank hold-up goes bad downtown and an LAPD officer is shot. The cop is a friend of Deeks', but a trace on the getaway vehicle shows no connection between the crimes—until NCIS digs deeper.

Red Light Camera Systems Cynthia Munoz, 2015 Red light running is one of the major causes of crashes, deaths, and injuries at signalised intersections. The Federal Highway Administration (FHWA) and National Highway Traffic Safety Administration (NHTSA) support a comprehensive approach to intersection safety that incorporates engineering, education, and enforcement countermeasures to prevent red light running and improve intersection safety. Red light cameras can be a very effective countermeasure to prevent red light running. There are a number of studies that indicate reduction in crashes at signalised intersections due to red light cameras. The fundamental objective of the research in this book is to determine the effectiveness of RLC systems in reducing crashes. A description of all project efforts is described in this book.

The Silent Corner Dean Koontz, 2017-10-31 A dazzling new series, a pure adrenaline rush, debuts with Jane Hawk, a remarkable heroine certain to become an icon of suspense "I very much need to be dead." These are the chilling words left behind by a man who had everything to live for—but took his own life. In the aftermath, his widow, Jane Hawk, does what all her grief, fear, and fury demand: find the truth, no matter what. People of talent and accomplishment, people admired and happy and

sound of mind, have been committing suicide in surprising numbers. When Jane seeks to learn why, she becomes the most-wanted fugitive in America. Her powerful enemies are protecting a secret so important—so terrifying—that they will exterminate anyone in their way. But all their power and viciousness may not be enough to stop a woman as clever as they are cold-blooded, as relentless as they are ruthless—and who is driven by a righteous rage they can never comprehend. Because it is born of love. Look for a special preview of Dean Koontz's next Jane Hawk novel, *The Whispering Room*, in the back of the book. Don't miss any of Dean Koontz's gripping Jane Hawk thrillers: *THE SILENT CORNER* • *THE WHISPERING ROOM* • *THE CROOKED STAIRCASE* Praise for *The Silent Corner* "Gripping . . . The paranoia and mystery increase as the story unfolds. . . . Koontz has created such a wonderful character in Jane Hawk that . . . readers will clamor for more tales involving Hawk and her quest for justice. Koontz rocks it again."—Associated Press "The latest page-turner by Dean Koontz introduces readers to Jane Hawk . . . an inspired choice for a protagonist, by far the strongest part of a reliably entertaining book by the perennial bestselling author. . . . Action, zippy dialogue and a winning character at the center of the book, part of a new series by Koontz."—Minneapolis Star-Tribune "In this era of stingy text-message prose, Mr. Koontz is practically Shakespeare. . . . The *Silent Corner* brims with both action and emotion."—Pittsburgh Post-Gazette "Vintage Dean Koontz: paranoia-fueled suspense . . . sleek and highly realized action, developed characters, and more twists and turns than any two ordinary novels combined. . . . Amongst Dean Koontz's finest contemporary work."—Mystery Scene
