Lost Amusement Parks of Kentuckiana Carrie Cooke Ketterman, 2019-03-25 Once upon a time, the banks of the Ohio River provided an ideal location where amusement parks thrived - the area simply known as Kentuckiana! Picnic grounds flourished and steamboat travel was abundant at the coast the Ohio River known as Kentuckiana. Popular amusement parks such as Glenwood Park, Rose Island, White City, Fontaine Ferry, and Kiddieland welcomed visitors as early as 1902, and the more successful parks continued to operate well into the 1960s. Visitors to these parks enjoyed steamboat excursions, live music, rides, games, picnics, sporting events, and more. These parks were not only for amusement seekers but also for keen businessmen like David Rose, who purchased Fern Grove in 1923 and renamed the park Rose Island. Transportation businesses thrived, with steamboats like the Idlewild (now the Belle of Louisville) providing regular transportation to the parks along the Ohio River. In addition to an increase in river traffic, companies like the New Albany Traction Company purchased the area that would become Glenwood Park from the well-known Beharrel family, of New Albany, Indiana, and provided rail transportation to their park.

Pandemic 2020 Prisha Hedau, 2020-12-04 Follow Prisha's guide to surviving the current Covid-19 quarantine situation! Prisha is a nine-year-old girl from Kentucky who wants to share with her readers her tips on how to adjust to the Covid-19 pandemic. By using this memoir/guide, all readers can find success and happiness during these most difficult, strange, and trying times. Each topic is dealt with fully (healthy living, online school, maintain social relationships). In addition, the information is presented in a clear

and concise manner, but still in a fun way that reminds us that the author is not quite ten years old. She is taking the changes in her life seriously, while still trying to be happy and have fun. She encourages her readers to do that as well.

Sole Survivor Holly Dunn, 2017-11-07 A memoir of hope, healing, and survival, sure to resonate with fans of Jaycee Dugard's *A Stolen Life* and Elizabeth Smart's *My Story*. On August 28, 1997, just as she was starting her junior year at the University of Kentucky, Holly Dunn and her boyfriend, Chris Maier, were walking along railroad tracks on their way home from a party when they were attacked by notorious serial killer Angel Maturino Reséndiz, aka The Railroad Killer. After her boyfriend is beaten to death in front of her, Holly is stabbed, raped, and left for dead. In this memoir of survival and healing from a horrific true crime, Holly recounts how she lived through the vicious assault, helped bring her assailant to justice, and ultimately found meaning and purpose through service to victims of sexual assault and other violent crimes. She has worked as a motivational speaker and activist and founded Holly's House, a safe and nurturing space in her hometown of Evansville, Indiana.

Bacon's TV/cable Directory, 2006

The Meatshower Mick Sullivan, 2019-03 The Meatshower is a new children's book by author Mick Sullivan that tells the true story of the day meat fell from the sky on March 3, 1876 in Bath County, Kentucky. (Really, it happened.) The story is told by a piece of the very old meat who now sits in a lonely jar on a museum shelf. He reflects on his humble beginnings and speculates about all the possibilities of how he came to be. Just how and why did chunks of meat rain from the sky 150 years ago? The Meatshower by Mick

Sullivan has all the answers. We promise this will be the weirdest, craziest, and meatiest book you'll read with your kids this year. It's just one of the bizarre stories Mick covers on his award-winning children's podcast, *The Past and The Curious*, which covers bizarre phenomenon from throughout the insane history of the world. Mick Sullivan is a musician and museum educator with a passion for sharing stories and history. He lives with his wife and two sons in Louisville, KY. Mick is the creator and producer of *The Past and The Curious*, an award-winning and internationally recognized history podcast for kids and families. If you want more history fun, you can find it for free wherever you get your podcasts, or at www.ThePastAndTheCurious.com.

Sneakin' Deacon Greg Gitschier, Bryant Stamford, 2018-12 Cop, Secret Service agent, private consultant, and bodyguard ? Greg Gitschier has led an exciting life. He's protected presidents and royalty, tracked down international criminals, and cracked tough cases. An assignment to protect Pope John Paul II forever changed Greg's life, leading him down a path toward sacred service. He now serves as a deacon in the Catholic Church, a police chaplain, and Secret Service chaplain. *Sneakin' Deacon* shares the raw, the routine, the gritty, and the grand moments of a life in both Secret Service and sacred service. In Greg Gitschier's 11 years as a cop, he worked undercover, caught bad guys, and joined car chases and shootouts. But the excitement ratcheted up when Gitschier launched his 20-year career with the Secret Service. He broke up international counterfeiting rings, arrested a notorious diamond thief, survived heart-pounding moments in the Middle East and Africa, and protected presidents, royalty, and celebrities. Gitschier's assignment to protect Pope John Paul II during the pontiff's 1999 visit to the United States forever

changed his life. Gitschier stepped up his involvement in his church and eventually became a Catholic deacon, a police chaplain, and a chaplain for the US Secret Service. He continues to work as a private security consultant and bodyguard for high-profile clients. Sneakin' Deacon shares the raw, the routine, the gritty, and the grand moments of a life in both Secret Service and sacred service.

Bourbon Tails Beth Andrews, 2019-11 Bourbon Tails takes you on a photographic journey inside many of the finest bourbon distilleries, starring the dogs who make life brighter in their bourbon loving homes. Beyond the stunning photographs in this book, you can enjoy some canine-inspired cocktail recipes provided by the distilleries, and whimsical cartoons provided by artist Rick Maynard. It's a book that will bring hours of enjoyment to anyone whose happy place involves a glass of bourbon in the company of a great dog.

The Cornbread Mafia James Higdon, 2019-05-01 In the summer of 1987, Johnny Boone set out to grow and harvest one of the greatest outdoor marijuana crops in modern times. In doing so, he set into motion a series of events that defined him and his associates as the largest homegrown marijuana syndicate in American history, also known as the Cornbread Mafia. Author James Higdon—whose relationship with Johnny Boone, currently a federal fugitive, made him the first journalist subpoenaed under the Obama administration—takes readers back to the 1970s and '80s and the clash between federal and local law enforcement and a band of Kentucky farmers with moonshine and pride in their bloodlines. By 1989 the task force assigned to take down men like Johnny Boone had arrested sixty-nine men and one woman from busts on twenty-nine farms in ten states, and seized two hundred tons of pot. Of the seventy individuals arrested, zero talked. How it all

went down is a tale of Mafia-style storylines emanating from the Bluegrass State, and populated by Vietnam veterans and weed-loving characters caught up in Tarantino-level violence and heart-breaking altruism. Accompanied by a soundtrack of rock-and-roll and rhythm-and-blues, this work of dogged investigative journalism and history is told by Higdon in action-packed, colorful and riveting detail.

The Soul Grind Jaydee Graham, 2021-01-15 Jaydee Graham had a golden, idyllic childhood—the youngest child, adored by her parents, her future unlimited. Then a business deal gone wrong plunged the family into difficulties, pushing her father into an addiction that shattered her childhood. When her wild and free spirit clashed with the iron control of family and church, Jaydee went through a series of therapists and hospitals, eventually ending up in long-term residential treatment—all of which alienated her further from her family and drove her into the arms of an abusive boyfriend. Then, when all hope seemed lost, she found a surprising and miraculous source of love that became the ladder out of the hole her life had become. Endlessly surprising, startling and yet oddly hopeful, *The Soul Grind* tells the tale of a fierce and passionate soul grasping to make sense of a senseless world. A must-read for anyone who's survived trauma, addiction or perhaps just adolescence, this book heralds the addition of a thrilling new voice to the recovery canon.

Mitch, Please! Matt Jones, 2020-10-06 *The New York Times* and *Wall Street Journal* bestseller about how Mitch McConnell has been bad for Kentucky—and why he needs to be voted out of office from the founder of Kentucky Sports Radio and attorney Matt Jones. They say all politics is local. In 2020, Mitch McConnell will have served five full terms as a US Senator. Thirty years. The Senate Majority leader's power is as undeniable as it is

infuriating, and the people of Kentucky have had enough. Led by Matt Jones, they (and they alone) have the power to oust him from office. How did Jones, a local boy turned attorney turned sports radio host come to shine the brightest light on McConnell's ineptitude? Simple—he knows Kentucky inside and out, and has used the state's love of sports as an entry point for showcasing how McConnell has failed his fellow citizens both economically and socially for three decades. Entertaining, maddening, yet ultimately inspiring, these stories from Kentuckians in each of its 120 counties illustrate the Senate Majority leader's stunning shortcomings. "Jones employs a sharp, political scalpel eviscerating McConnell...[and this book is] an effective combination of description and vivisection" (Kirkus Reviews). Jones brings his trademark wit and wisdom throughout the book, while also offering a beautiful portrait of a state with arguably the most untapped potential in our country. Ultimately, the white-hot hatred for McConnell on the coasts is just white noise. Only the people of Kentucky can remove him from office. Here, Matt Jones demonstrates he has the influence, charisma, and institutional knowledge to lead the charge. He and his fellow Kentuckians have had enough—and they're ready for a fight.

Breaking Cardinal Rules Katina Powell ,Dick Cady,2015-10-02 An expose of sexual recruiting tactics from the journal pages of an escort queen. *Breaking Cardinal Rules* is an exposé by escort Katina Powell based on her experiences providing sexual services for the basketball program at the University of Louisville. It is written with Pulitzer Prize-winning investigative journalist Dick Cady. Powell has filled five journals with details of her escort escapades, sexual encounters and her activities at the University of Louisville. Most of the U of L services she provided took place in the men's dormitory where most of the basket

players reside. Her main contact and the man with the money—the school's former director of basketball operations and former graduate assistant, Andre McGee—kept Powell and her girls busy from 2010 to 2014. Powell does not present a sympathetic character. Her life is full of contradictions. She has no remorse over the choices she has made. Her story is true in all its graphic detail. If you think you've heard seamy tales about recruiting before, wait till you get a load of this. The Louisville high command has vowed to take the matter very seriously. It should. -Mike Lopresti, retired USA Today sports columnist
Keywords: University Of Louisville, Cardinals, Recruitment, Basketball, College, Sports, Recruitment Violations, Sex, Striptease Andre McGee, Escorting Services

Narrative of the Life and Adventures of Henry Bibb, an American Slave Henry Bibb, 1850

Double Jeopardy Bob Hill, 1996-10 Found not guilty because of lack of evidence, Mel Ignatow was acquitted of the crime of killing his ex-fiance, Brenda Schaefer. Later, when incriminating evidence was discovered, he knew he could not be tried again because the Fifth Amendment forbids double jeopardy. Journalist Hill tells this shocking story of justice denied. Photos.

Read Between the Lines Jenelle Evans, Tonia Brown, 2017-07-25 From her appearances on 16 and Pregnant and then Teen Mom 2, Jenelle Evans's life was put on display for all to see, and all to judge. Everyone thinks they know her, but what the audience can't see runs deeper than what is left on the editing room floor. What of Jenelle's complicated life before her newfound fame? An overbearing mother. Erratic siblings. A father who didn't seem to care. Though there was no camera to capture those

difficult moments, there were, thankfully, a few well-kept diaries. Join Jenelle as she tells her story through the eyes of her troubled youth, taken from her memories that were scrawled across the pages of her own diaries.

F*ck Silence Joe Walsh, 2020-02-18 Donald Trump is the exact threat our Founding Fathers feared. Joe Walsh is as rock-ribbed a conservative as they come. But he believes that no right-wing policy victory is worth the loss of our very democracy. In this clear-eyed and unsparing book, Walsh makes the case that Trump has more in common with the foreign dictators he praises publicly than a predecessor like Ronald Reagan. Trump is an existential threat to conservatism, the presidency, and national unity. He has violated the Constitution in plain sight, assaulted democratic institutions, overwhelmed the country with disinformation, erected around himself a cult of personality, and governed according to his narcissism more than any discernable political philosophy. Though Walsh agrees with Trump that the Washington elite has hung working-class America out to dry, traveling down the road to despotism is no response. And now a person who places himself above the rule of law and accountability sits in the Oval Office—all that's missing is a big, beautiful throne behind the Resolute Desk. In F*ck Silence, Walsh challenges his countrymen, especially his fellow conservatives, to acknowledge and oppose this unpatriotic and un-American behavior before we give away what made America great in the first place: our democracy.

The Book Julius Friedman, Jill Gage, Dianne Aprile, 2016 Destroying books has traditionally been seen as a brutal, almost inhumane, act. Is it possible that instead, book destruction can be turned into beautiful and inspiring works of art? That's the premise

behind a new book from distinguished designer and photographer, Julius Friedman. Titled simply, *The Book*, Friedman's latest project is an art book made possible by the sacrifice of several other beautiful books for the pieces within. The *Book* project was inspired by Gail Gilbert, the art librarian at the University of Louisville Library, when she gave me a bag of books she was discarding, Friedman noted. She thought I could tear them up and make collages or an art project. I told her I was not a collage artist and, being a book designer, I could not tear them up. After months of them sitting in my basement and Gail saying, 'Do something with them,' I made my first deconstruction and collage, he added. Those first collages grew into a body of work, and later, a limited edition of 20 books, all hand-sewn and hand-bound, using hand-set type, letterpress, and tipped-in photographs--and a box made of cherry wood to house each copy. The run sold out immediately. After that project, I continued to make collages and decided to do a coffee table book that people from all walks of life could afford, enjoy, and experience, the artist added. The result is stunning. In 130 beautiful photographs, Friedman gives his torn-apart and twisted books fascinating shapes and structures, some lit from within or without, ranging from the abstract to the concrete, and from the visceral to the intellectual. I looked at the book from its beginnings to the current and emerging world of the Kindle and other electronic tablets, intuitively keeping in mind the sacred word, censorship, holding an object, its tactile way, even the smell of a book, he stated. *The Book* will be loved, ironically, by book lovers who will recognize how the artist has harnessed the tactile power of books and transformed them into new and moving forms for his art.

Abraham Joshua Heschel Julian E. Zelizer, 2021-10-26 A biography of the rabbi

Abraham Joshua Heschel, who became a symbol of the marriage between religion and social justice “When I marched in Selma, I felt my legs were praying.” So said Polish-born American rabbi Abraham Joshua Heschel (1907–1972) of his involvement in the 1965 Selma civil rights march alongside Martin Luther King Jr. Heschel, who spoke with a fiery moralistic fervor, dedicated his career to the struggle to improve the human condition through faith. In this new biography, author Julian Zelizer tracks Heschel’s early years and foundational influences—his childhood in Warsaw and early education in Hasidism, his studies in late 1920s and early 1930s Berlin, and the fortuitous opportunity, which brought him to the United States and saved him from the Holocaust, to teach at Hebrew Union College and the Jewish Theological Seminary. This deep and complex portrait places Heschel at the crucial intersection between religion and progressive politics in mid-twentieth-century America. To this day Heschel remains a symbol of the fight to make progressive Jewish values relevant in the secular world.

Moonstruck Vol. 1: Magic To Brew Grace Ellis, 2018-03-21 Werewolf barista Julie and her new girlfriend go on a date to a close-up magic show, but all heck breaks loose when the magician casts a horrible spell on their friend Chet. Now it's up to the team of mythical pals to stop the illicit illusionist before it's too late. The first chapter of the brand-new, all-ages, magical, coffee-laden adventure from Lumberjanes creator GRACE ELLIS and talented newcomer SHAE BEAGLE.

EBOOK: Introduction to Mass Communication: Media Literacy and Culture
BARAN, STANLEY, 2011-02-16 EBOOK: Introduction to Mass Communication: Media Literacy and Culture

The Ideal Bartender Thomas Bullock, Tom Bullock, 1917 A complete reproduction of the Vintage Cocktail Book *The Ideal Bartender* originally published in 1917. Tom Bullock became to be a well-recognized bartender of the time at St. Louis Country Club, where he served for government officials and other elite members. G.H. Walker, grandfather of George W. Bush was one of the big fans of Bullock's cocktails and wrote the introduction. After publishing this cocktail book, Prohibition made Bullock's profession illegal, yet bartending culture was stronger than ever, bartenders were well paid and tipped for supplying public a illegal substance of alcohol. Bullock moved frequently and changed professions during the dry period, but kept bartending at St. Louis Country Club where people could still drink. The country club did not keep the records on him working there. Feel free to take a look at our complete Reprint Catalog of Vintage Cocktail Books at www.VintageCocktailBooks.com
