Papa Brings Me the World Jenny Sue Kostecki-Shaw,2020-05-05 Jenny Sue Kostecki-Shaw's Papa Brings Me the World is a poignant picture book that celebrates the bond between parent and child, and follows their long-distance trip around the world. Most parents drive a car or ride a bus or train to work—but not Lulu's papa. He navigates mountains, deserts, and oceans, each time returning home with pockets full of treasures. There's an ancient calculator from China, a musical mbira from Zimbabwe, and a special game from Sumatra. But the best treasures are special stories Papa tells when he comes home—tales of playing peekaboo with rare birds in the Andes and befriending dragons in the Irish Sea. This long-distance love story between parent and child celebrates inclusivity, imagination, and the richness of global cultures. Christy Ottaviano Books

Doing Good Better William MacAskill,2015 Almost all of us want to make a difference. So we volunteer, donate to charity, recycle or try to cut down our carbon emissions. But rarely do we know how much of a difference we're really making. In a remarkable re-examination of the evidence, *Doing Good Better* reveals why buying sweatshop-produced goods benefits the poor; why cosmetic surgeons can do more good than charity workers; and why giving to a relief fund is generally not the best way to help after a natural disaster. By examining the charities you give to, the volunteering you do, the goods you buy and the career you pursue, this fascinating and often surprising guide shows how through simple actions you can improve thousands of lives - including your own.
