Aidan Miranda P Charles,2020-09-20 Can Aidan turn his back on the work that gives him purpose to be with the woman who captures his heart? Rescued by the ultra-secretive Indie Rebels as a teenager, Aidan has dedicated his life to the crime-fighting group's cause. That is, until he meets Felicity. Revealing his identity is out of the question, so he finds himself having to make a choice: forget about Felicity or leave the Indie Rebels to give his relationship with her a fighting chance. Either way, his heart is sure to break. Can he find a way to have it all? After a harrowing experience with an ex-boyfriend, Felicity swore off men entirely. So, when her body and mind drive her towards Aidan, she isn't sure what to think. He is everything that her ex wasn't-honest, kind, and has nothing to hide being at the top of that list. Though she has reservations, Felicity thinks Aidan might just be worth it. But when client meetings start running late into the night, causing him to skip dates, Felicity starts to wonder if she has a pattern when it comes to men. Or is there more to Aidan than meets the eye? \*\*\* Aidan: The Rescue can be read as a standalone novel or as book 5 of the Indie Rebels series, where steamy, heart-melting romance meets danger, mystery and suspense.
