The All-or-Nothing Marriage Eli J. Finkel,2019-01-08 “After years of debate and inquiry, the key to a great marriage remained shrouded in mystery. Until now...”—Carol Dweck, author of *Mindset: The New Psychology of Success* Eli J. Finkel's insightful and ground-breaking investigation of marriage clearly shows that the best marriages today are better than the best marriages of earlier eras. Indeed, they are the best marriages the world has ever known. He presents his findings here for the first time in this lucid, inspiring guide to modern marital bliss. *The All-or-Nothing Marriage* reverse engineers fulfilling marriages—from the “traditional” to the utterly nontraditional—and shows how any marriage can be better. The primary function of marriage from 1620 to 1850 was food, shelter, and protection from violence; from 1850 to 1965, the purpose revolved around love and companionship. But today, a new kind of marriage has emerged, one oriented toward self-discover, self-esteem, and personal growth. Finkel combines cutting-edge scientific research with practical advice; he considers paths to better communication and responsiveness; he offers guidance on when to recalibrate our expectations; and he even introduces a set of must-try “lovehacks.” This is a book for the newlywed to the empty nester, for those thinking about getting married or remarried, and for anyone looking for illuminating advice that will make a real difference to getting the most out of marriage today.

*From Dating to Love* Steven Højlund, 2023-05-15 The dating world can be a tough place leading to frustration and low self-esteem. From navigating the endless sea of dating apps to decoding mixed signals, finding love can seem like an impossible feat for both men and women. But fear not! Dr. Steven Højlund's book *From Dating to Love* provides a research-based guide and method for both men and women looking to have success with dating, whether finding a partner or having more casual relationships. At its core, *From Dating to Love* is about understanding yourself and your needs. Only through an understanding of your personality and childhood trauma (large or small) can you discover yourself and know your actual needs for a partner. Dr. Højlund emphasizes the importance of knowing your values and priorities before diving into the dating pool. By doing so, you can set yourself up for success and avoid the common pitfalls many people encounter in the dating world - like being caught up in dating patterns and dating the wrong personality types. One of the most valuable aspects of *From Dating to Love* is the practical advice it provides. The book offers actionable steps and exercises for improving your dating life, from creating a winning dating profile to overcoming anxiety on a first

date. But *From Dating to Love* is not just a how-to guide for finding a partner. It's also a journey of self-discovery. Dr. Højlund encourages readers to reflect on their own experiences and learn from them, whether that means exploring past relationships or thoroughly assessing needs, values, and goals with dating in order to live a more fulfilled life. By doing so, readers can gain a deeper understanding of themselves and what they truly want in and from a relationship. Throughout the book, Dr. Højlund draws upon his extensive research, expert interviews, and personal experience to provide a unique and insightful perspective on modern dating. He shares the latest scientific findings on what makes a successful relationship and breaks down the myths and misconceptions that can hold us back from finding true love. Overall, *From Dating to Love* is a must-read for anyone looking to improve their dating life and find a meaningful, lasting relationship. Dr. Højlund's research-based approach, practical advice, and personal anecdotes make this book an engaging and informative read. Whether you're a seasoned dater or just starting out, *From Dating to Love* has something to offer everyone.

*F\*ck Love* Michael I. Bennett, Sarah Bennett, 2017-01-31 From the brilliant New York Times bestselling authors of the “refreshingly blunt” (Harper’s Bazaar) *F\*ck Feelings*—this seriously irreverent roadmap reveals the essentials to look for when you're done being suckered by the promise of true love and want help seeking a real, lasting relationship. Many people have opinions on the subject of romantic relationships—why they’re so hard to find, so difficult to maintain, so easily analogized to planets and pets—but the real source of trouble isn’t too complicated: it’s that we are choosing our partners based on love, excitement, lust, attraction, neediness...on feelings. Instead of helping readers find true love (also known as “total bullshit”), Dr. Michael Bennett and his comedy-writing daughter Sarah reveal the practical, commonsense criteria for good partnerships that will allow real love to develop, even after the romance has died down or been buried completely. Finding a good partner involves losing preconceived notions about who your dream date might be, so the Bennetts helpfully appraise the pros and cons of eight traits people most commonly seek: charisma, beauty, chemistry, communication, sense of humor, family stability, intelligence, and wealth. They suggest you’ll have better luck finding a partner in a bar, online, or on a date arranged by your chiropractor if you focus on ideas like mutual attraction and respect and common interests and common goals. With helpful quizzes, case studies inspired by Dr. Bennett’s practice, and unscientific flow charts, *F\*ck Love* is packed with enough advice and wisdom to help you avoid the relationship nightmares that led you to this book in the first place.

*Elemental Love Styles* Dr. Craig Martin, 2010-02-02 Every day, millions of people turn to books, online dating sites, and marriage counselors with one goal in mind: to find—and keep—the romantic partner of their dreams. In *Elemental Love Styles*, counselor, astrologer, and interfaith minister Dr. Craig Martin gives readers the tools to identify and work with their unique roles and desires—and maximize their romantic relationships as a result. with reassurance; and practical earth, who is dependable, strong, and solid. Packed with tips, tools, and examples, Elemental Love Styles, will help anyone wanting to create and maintain a deep, personal, and lasting relationship—beginning with loving yourself. Elemental Love Styles does not judge readers or their partners for being who they are, but rather opens up possibilities for compatibility and happiness. With a perspective set on love and collaboration, readers gain self-knowledge and cooperative skills, not just tools and tricks for temporary fixes. Regardless of who we are or what kind of relationship we desire, Dr. Martin affirms that we each have the opportunity for relationship happiness when we understand our own deeper need for love.

*Why Men & Women Must HEAL in Order to Find TRUE LOVE* Dr Morgan O Kate, 2022-10-28

Relationships are challenging. We cannot control them. We cannot guarantee that they'll succeed. In fact, when you think about it, what we know about relationships is... not much. Unfortunately, relationships are not part of any school curriculum. For most of us, the only blueprint we have of relationships is that of our parents - and many times, it's not an example we can (or should) replicate. So, when we're faced with one of the toughest moments in a relationship, a breakup, most of us are not only overwhelmed by the pain and sense of loss that follows, but we also lack the tools to process this trauma and start our path towards healing. Healing is key if you are looking to find love, either dating or in a relationship. Embrace this love advice, I don't want you to get into a relationship without healing from past breakups and traumas because you will not be able to enjoy a healthy relationship. This relationship advice will teach you about healing and dating while focusing more on healing a heartbreak. I want you to learn how to heal and find real love. Many of you are in unhealthy relationships because you did not heal from your past. Finding love will be complicated without healing. However, if you embrace this relationship advice, you will learn how to heal emotionally and find real love. The Love Tune-Up Dr Suzanne Gelb PhD JD, 2019-04 What if instead of attracting people who don't respect me, I could meet... the love of my life? What if instead of blowing up whenever my partner annoys me, I could respond with... patience? What if instead of feeling an increasingly vast distance between us, with less intimacy and sex... each year brought us closer together? These are

important questions. Questions that Dr. Suzanne Gelb Ph.D., J.D. has been exploring in her work with men, women and couples - in her counseling and coaching practice - for over 30 years, combined. The answer to every question is Love. And when Dr. Gelb says, Love is the answer, she's not trying to be poetic. It's actually very practical. When you know how to treat yourself with love, care and respect, then you tend to attract people who (also) want to treat you with love, care and respect. When you are living a happy, healthy life, then you (naturally) form happy, healthy relationships with others. Yes, of course, romantic partnerships involve two people - not just one. But if things are feeling rocky or difficult, or not flowing in the way that you'd like, the first relationship to explore and upgrade is your relationship with yourself. The Love Tune-Up is an invitation to do... exactly that. With this 14-day course, you'll receive short lessons (plus a few more surprises!) to help you tune-up and upgrade your relationship with yourself. How you talk to yourself - and how you treat yourself. Lessons to help you move back into your natural, unburdened state of being - free of guilt, shame or unresolved anger. Lessons on moving back home... into Love. Whether you're currently single, dating or in a relationship - it doesn't matter. The Love Tune-Up is designed to help you create a happier, more loving relationship with yourself, regardless of your current coupledness-status. It's always the right time... for more Love! The basic details: -The Love Tune-Up is 14 days long. -You have access to a new lesson for each day. -You can go at your own pace and there is no expiration date. -There's a written version (paperback or digital) and in the future, there will be an audio version of each lesson. So you can read or listen. Whatever you prefer. -You can start The Love Tune-Up at any time. But... why not now? It's always the right time to choose Love.

*The Bible of Love* Dr Corinne Smith,2020-09-09 Myth: I can only be happy and fulfilled if I'm in a relationship or It's better to have a bad relationship than no relationship.Fact: While there are health benefits that come with being in a solid relationship, many people can be just as happy and fulfilled without being part of a couple. Despite the stigma in some social circles that accompanies being single, it's important not to enter a relationship just to fit in. Being alone and being lonely are not the same thing. And nothing is as unhealthy and dispiriting as being in a bad relationship.

*Aches, Pains, and Love* Kira Lynne,2016-02 Are you living with chronic pain or illness, or both? Have you given up on having an intimate, romantic relationship? Twenty years ago, a doctor told Kira Lynne that she would never be able to have an intimate relationship due to her chronic health conditions. Having proven that doctor wrong, Kira set out to write a book for people living with chronic pain and illness who believe the door has closed on their prospects for love and relationships. Living with chronic pain and illness can feel overwhelming, never mind adding intimacy into the mix. Yet, even though hundreds of thousands of people in North America alone suffer from such conditions, very little has been published on dating and relationships for people with chronic pain and illness. *Aches, Pains, and Love* addresses that need with wisdom, compassion, and humour.
