Wallpaper Worship Danny Byram, 2018-05-15 “In my lifetime, worship has changed from something we do before an audience of God to something a few semi-professionals do for an audience of us. Danny was my worship leader for years, and he has earned the right to be heard.” —Philip Yancey, Author, What’s So Amazing About Grace? Worship experiences of today’s Christians remain diverse. Wallpaper Worship challenges the status quo of the modern-day worship service and illustrates how to move worship from an observation-based to an active-participant-centered activity. Drawing from John 4, Danny Byram identifies the cause of the passive, wallpaper worship experience and provides practical solutions. Before We Were Strangers Renée Carlino, 2015-08-18 From the USA TODAY bestselling author of Sweet Thing and Nowhere But Here comes a love story about a Craigslist “missed connection” post that gives two people a second chance at love fifteen years after they were separated in New York City. To the Green-eyed Lovebird: We met fifteen years ago, almost to the day, when I moved my stuff into the NYU dorm room next to yours at Senior House. You called us fast friends. I like to think it was more. We lived on nothing but the excitement of finding ourselves through music (you were obsessed with Jeff Buckley), photography (I couldn't stop taking pictures of you), hanging out in Washington Square Park, and all the weird things we did to make money. I learned more about myself that year than any other. Yet, somehow, it all fell apart. We lost touch the summer after graduation when I went to South America to work for National Geographic. When I came back, you were gone. A part of me still wonders if I pushed you too hard after the wedding... I didn't see you again until a month ago. It was a Wednesday. You were rocking back on your heels, balancing on that thick yellow line that runs along the subway platform, waiting for the F train. I didn't know it was you until it was too late, and then you were gone. Again. You said my name; I saw it on your lips. I tried to will the train to stop, just so I could say hello. After seeing you, all of the youthful feelings and memories

came flooding back to me, and now I've spent the better part of a month wondering what your life is like. I might be totally out of my mind, but would you like to get a drink with me and catch up on the last decade and a half? M

Let's Talk About Love Claire Kann, 2018-01-23 Striking a perfect balance between heartfelt emotions and spot-on humor, this debut features a pop-culture enthusiast protagonist with an unforgettable voice sure to resonate with readers. Alice had her whole summer planned. Nonstop all-

you-can-eat buffets while marathoning her favorite TV shows (best friends totally included) with the smallest dash of adulating—working at the library to pay her share of the rent. The only thing missing from her perfect plan? Her girlfriend (who ended things when Alice confessed she's asexual). Alice is done with dating—no thank you, do not pass go, stick a fork in her, done. But then Alice meets Takumi and she can't stop thinking about him or the rom com-grade romance feels she did not ask for (uncertainty, butterflies, and swoons, oh my!). When her blissful summer takes an unexpected turn and Takumi becomes her knight with a shiny library-employee badge (close enough), Alice has to decide if she's willing to risk their friendship for a love that might not be reciprocated—or understood. Claire Kann's debut novel *Let's Talk About Love*, chosen by readers like you for Macmillan's young adult imprint Swoon Reads, gracefully explores the struggle with emerging adulthood and the complicated line between friendship and what it might mean to be something more. Compassionate Christ, Compassionate People Bob Hurd, 2019-02-11 2020 Association of Catholic Publishers first place award, resources for liturgy 2020 Catholic Press Association first place award, liturgy soft cover Spirituality is a motion, a responsive movement of heart, mind, and spirit to the life of God moving within us. Starting from his Roman Catholic roots but working ecumenically, Bob Hurd explores this notion of spirituality in two parts. Part 1 places it in the theological framework of

Creation-Grace-Incarnation, concluding that its specific form is participation in Christ's self-emptying love of God, humankind, and creation. Part 2 investigates this kenotic spirituality liturgically, exploring how it comes to expression in the ritual stages of Gathering, Word, Eucharistic Prayer, Communion, and Sending. Comparing and contrasting each stage with corresponding patterns in various Protestant traditions, Hurd lays out the possibility of a spirituality common to Christians of various confessions.

Gentle and Lowly Dane C. Ortlund, 2020-03-18 Christians know that God loves them, but can easily feel that he is perpetually disappointed and frustrated, maybe even close to giving up on them. As a result, they focus a lot—and rightly so—on what Jesus has done to appease God's wrath for sin. But how does Jesus Christ actually feel about his people amid all their sins and failures? This book draws us to Matthew 11, where Jesus describes himself as "gentle and lowly in heart," longing for his people to find rest in him. The gospel flows from God's deepest heart for his people, a heart of tender love for the sinful and suffering. These chapters take readers into the depths of Christ's very heart for

sinner, diving deep into Bible passages that speak of who Christ is and encouraging readers with the affections of Christ for his people. His longing heart for sinners comforts and sustains readers in their up-and-down lives.

Figuring Madness in Nineteenth-Century Fiction C. Wieszenth,1997-08-29 How are signs and symptoms of psychic alienation variously enfigured in literary texts? And how do readers invariably figure in some form of the 'madness' they attempt to figure out? These are some of the questions addressed by Figuring Madness , a study which employs the insights of current post-structuralist psychoanalysis and semiotic theory to examine the complex interimplication of the subject and object of madness that is always implied by the dynamics of analytic dia-gnosis. In its focus on the implications of writing and reading signs of madness, the study offers new interpretations of both canonical and non-canonical texts by authors spanning the period from Jane Austen and Anthony Trollope to Charlotte Perkins Gilman and Henry James.

Living Loved Peter M. Wallace, 2007-07 A devotional book of meditations based on specific verses or passages from the Gospel of John. It uses the highly acclaimed and popular translation, *The Message*, by Eugene Peterson. Like Wallace's earlier book, *Out of the Quiet*, it consists of short and very accessible meditations, approaching Jesus through the eyes of the disciple whom Jesus loved, - so that men and women can begin to see themselves in John's place as the beloved one, and, as a result, take up the responsibilities of discipleship in a world that needs Jesus' loving touch.
