*Love's Obsession: Premium Hardcover Edition* Betty McLain,2020-12-28 The mirror showed a girl her true love. That's what everyone said. Girls rushed to check their reflection, hoping to see if the stories were true. Not Doris. She had no interest in finding her true love. How was Doris supposed to trust in love? Derrick said he loved her, but when she did not return his feelings, his so-called love turned into an obsession that took the lives of her mother and step-father. Mark Black Feather was pleasantly surprised to see the magic mirror reveal the face of his true love. He never expected she'd be unhappy to see him, or that her life would be in danger from a madman. Can true love grow surrounded by tragedy and danger, or will one man's obsession end their love before it can truly begin? Betty's note: each book in the Love's Magic series is a standalone romance novel, and can be enjoyed even if you haven't read other books in the series.
