**Love and War** Augustus Valerius Ball, 2010 Ball's circumstances and experiences allowed him to glimpse the war through two sets of eyes, that of a loving husband, and of an increasingly disillusioned physician. The inclusion of Ball's medicinal recipe book is the first of its kind to appear in print completely annotated. Readers will find themselves educated about the medical and herbal lore of that era.

**Yours in Filial Regard** Kassia Waggoner, Adam Nemmers, 2015-10-30 In March of 1861 Texas seceded from the Union, and the Love brothers of Limestone County—Cyrus, Samuel, James, and John—enlisted to fight for the Confederate cause. For the next four years, the brothers travelled the war-torn South as cavalry in Terry's Texas Rangers, seeing action in some of the fiercest battles in the Western Theater, yet faithfully sending letters home to their expectant family. Complete with a scholarly introduction shedding insight into the Love family, their travels, and their family communication network, this volume collects, transcribes, and annotates 78 letters by eight authors spanning the entire Civil War. In addition to soldiers' correspondence, the collection also contains letters written to and from their female relatives on the domestic front. Yours in Filial Regards: The Civil War Letters of a Texas Family offers a fascinating inside perspective of the Civil War from both the Confederate battle lines and the home front.

**Civil War Letters** Bob Blaisdell, 2013-01-23 Wartime letters include correspondence of Union and Confederate sympathizers and soldiers of all ranks. Authentic illustrations accompany insightful missives by Lincoln, Grant, Lee, Whitman, Davis, and many of their contemporaries.

*From the Heart* Jessica James, 2011 Eloquently written letters were part of Victorian era courtship, and the practice of letter writing did not end upon a couple's marriage. Today, no form of communication is more important, more romantic--and more in danger of being lost--than the written word. Award-winning historical fiction author Jessica James has gathered some of the most poignant love letters from the Civil War and put them in this short e-book for all to see. Read the heartfelt words of some of the Civil War's most renowned warriors including JEB Stuart, Stonewall Jackson and George Pickett....Pray for a realization of all our beautiful dreams, sitting beside our

own hearthstone in our own home--you and I, you my goddess of devotion, and I your devoted slave. May God in his mercy spare my life and make it worthy of you!...Your soldier(Written by Stonewall Jackson a few months before his mortal wounding by friendly fire).

**War Letters** Andrew Carroll,2008-06-23 In 1998, Andrew Carroll founded the Legacy Project, with the goal of remembering Americans who have served their nation and preserving their letters for posterity. Since then, over 50,000 letters have poured in from around the country. Nearly two hundred of them comprise this amazing collection -- including never-before-published letters that appear in the new afterword. Here are letters from the Civil War, World War I, World War II, Korea, the Cold War, Vietnam, the Persian Gulf war, Somalia, and Bosnia -- dramatic eyewitness accounts from the front lines, poignant expressions of love for family and country, insightful reflections on the nature of warfare. Amid the voices of common soldiers, marines, airmen, sailors, nurses, journalists, spies, and chaplains are letters by such legendary figures as Gen. William T. Sherman, Clara Barton, Theodore Roosevelt, Ernie Pyle, Gen. Douglas MacArthur, Julia Child, Gen. Norman Schwarzkopf, and Gen. Benjamin O. Davis Sr. Collected in War Letters, they are an astonishing historical record, a powerful tribute to those who fought, and a celebration of the enduring power of letters.

**Yours in Love** Theodore R. Birmingham,Zoe von Ende Lappin,2001

**For Love and Liberty** Robin Young,2006-12-18 In the fall of 1990, the Civil War recaptured our imagination by way of an ambitious, nine-episode documentary that appeared on public television. Today, the millions of Americans who tuned in probably only remember one moment from it: The Letter. Read as the music soared at the end of the first episode, the letter from unsung Rhode Island soldier Sullivan Ballou to his wife on the eve of battle — and likely death — brought a nation of viewers to tears for its eloquence and passion. This is Ballou's story. At the age of thirty-four, less than ten years after meeting the love of his life, Sarah Shumway, Ballou left his law practice and budding political career, his wife and two young sons, to take a commission as a major in the Union Army. He served in the army for almost two months but was struck down at the First Battle of Manassas-Bull Run. Undoubtedly the most moving Civil War tale since Cold Mountain, For Love and Liberty brings the war to life with startling detail, depicting the heroism of its soldiers, but also the courage of the families they left behind.

Beloved Bride William Potter,2002-09-25 The great military exploits of Confederate General 'Stonewall' Jackson are studied in military schools the world over. His iron-will and stern self-discipline are legendary. But the real Thomas J.Jackson was also a humble Christian and a loving husband and father. The tender and instructive letters he wrote to his wife Anna are a model of godly leadership and covenantal faithfulness.

Love amid the Turmoil Donald C. Elder, III,2007-11-15 William Vermilion (1830-1894) served as a captain in Company F of the 36th Iowa Infantry from October 1862 until September 1865. Although he was a physician in Iconium in south central Iowa at the start of the war, after it ended he became a noted lawyer in nearby Centerville; he was also a state senator from 1869 to 1872. Mary Vermilion (1831-1883) was a schoolteacher who grew up in Indiana; she and William married in 1858. In this volume historian Donald Elder provides a careful selection from the hundreds of supportive, informative, and heart-wrenching letters that they wrote each other during the war—the most complete collection of letters exchanged between a husband and a wife during the Civil War.

*Dear Catharine, Dear Taylor* Taylor Peirce,Catherine L. Peirce,2002 During that time he saw his wife only twice on furlough, but still stayed in close contact with her through their intimate and dedicated exchange of letters..

**Love and Valor** Jacob B. Ritner,2000 Vividly depicting life both on the battlefield and at the home front during the Civil War, Love and Valor is a priceless collection of letters exchanged between Captain Jacob Ritner and his wife Emeline. While Jacob recounts all the battles he fought in compelling detail, Emeline movingly records the lives of those left behind to raise families and manage farms in their husbands'absence. Love and Valor is also the story of a family of Iowa abolitionists who help to make this book a must read.

My Dear Wife and Children Nick K. Adams,2015-10-19 What does a father write to his wife and

young children when he's gone to war? Does he explain why he left them? How does he answer their constant questions about his return? Which of his experiences does he relate, and which does he pass over? Should he describe his feelings of separation and loneliness? These questions are as relevant today as they were over 150 years ago, when David Brainard Griffin, a corporal in Company F of the 2nd Minnesota Regiment of Volunteers, wrote to those he left behind on the family's Minnesota prairie homestead while he fought to preserve the Union. His letters cover the period from his enlistment at Minnesota's Fort Snelling in September 1861, to his death in Georgia during the Battle of Chickamauga in September 1863. One hundred of them were preserved and passed down in his family. They, along with one from his daughter as she asked the next generation to read her father's words, have been carefully transcribed and annotated by a great-great-grandson, Nick K. Adams, allowing further generations to experience Griffin's answers to these questions. Filled with poignant images of his daily activities, his fears and exhilarations in military conflict, and his thoughts and emotions as the Civil War kept him apart from his family, these letters offer a fascinating insight into the personal experiences of a common soldier in the American Civil War.

*The Man who Carried a Drum* Harvey Amasa Chapman, 2006 28th. Thursday morning. Marched at 6 o'clock A.M. Marched for Ringgold [Ringgold.] Crossed the Chickamaugee River at 11 o'clock on a foot log. The whole brigade had to cross on two-foot bridges that consisted of a single log across, we were over two hours in getting over. We marched within one mile of Ringgold and waited for dinner. After dinner we marched down through the town. The best of the town had been burned by Gen Thomas at the time of the Battle of Chickamaugee because the citizens fired at our troops from their buildings. All encamped at Tunnel Hill about one-and-one-half miles the other side of town. Our Regt. was on picket duty that night. -From the diary of Harvey Amasa Chapman Experience an unforgettable journey into the minds, hearts, and daily lives of a family who lived through the American Civil War. In over one hundred actual letters and a camp diary, the lives of author David Chapman's great-grandfather, Harvey Amasa Chapman, his family and friends are faithfully transcribed to capture every compelling detail. Their words reveal the intimate and heartfelt truths they shared as they endured one of the most tumultuous times in American history. Profoundly moving and incredibly timely, *The Man Who Carried a Drum: 108 War Letters and Love Letters of a Civil War Medic* resonates with the struggles Americans face today.

**I Remain Yours** Christopher Hager, 2018-01-08 For men in the Union and Confederate armies and their families at home, letter writing was the sole means to communicate. Taking pen to paper was a new and daunting task, but Christopher Hager shows how ordinary people made writing their own, and how they in turn transformed the culture of letters into a popular, democratic mode of communication.

**Veiled in Smoke (The Windy City Saga Book #1)** Jocelyn Green, 2020-02-04 Meg and Sylvie Townsend manage the family bookshop and care for their father, Stephen, a veteran still suffering in mind and spirit from his time as a POW during the Civil War. But when the Great Fire sweeps through Chicago's business district, they lose much more than just their store. The sisters become separated from their father and make a harrowing escape from the flames with the help of Chicago Tribune reporter Nate Pierce. Once the smoke clears away, they reunite with Stephen, only to learn soon after that their family friend was murdered on the night of the fire. Even more shocking, Stephen is charged with the crime and committed to the Cook County Insane Asylum. Though homeless and suddenly unemployed, Meg must not only gather the pieces of her shattered life, but prove her father's innocence before the asylum truly drives him mad.

With this Pledge Tamera Alexander, 2019-01-08 From the pages of history and the personal accounts of those who endured the Battle of Franklin, Tamera Alexander weaves real-life love letters into a story of unlikely romance first kindled amid the shadows of the Civil War. "Beautifully-drawn characters and rich history in *With This Pledge* work seamlessly to demonstrate that Christ's love and romantic love can triumph even in our darkest moments." —Lynn Austin, bestselling author Elizabeth "Lizzie" Clouston's quietly held principles oppose those of the Southern Cause—but when forty thousand soldiers converge on the fields of Franklin, Tennessee, the war demands an answer.

The Carnton home where she is governess is converted into a Confederate field hospital, and Lizzie is called upon to assist the military doctor with surgeries that determine life or death. Faced with the unimaginable, she must summon fortitude, even as she fears for the life of Towny, her fiancé and lifelong friend. As a young soldier lies dying in Lizzie's arms, she vows to relay his final words to his mother, but knows little more than the boy's first name. That same night, decorated Mississippi sharpshooter Captain Roland Ward Jones extracts a different promise from Lizzie: that she intervene should the surgeon decide to amputate his leg. Lizzie is nothing if not a woman of her word, earning the soldiers' respect as she tends to the wounded within Carnton's walls. None is more admiring than Captain Jones, who doesn't realize she is pledged to another. But as Lizzie's heart softens toward the Confederate captain, she discovers that his moral ground is at odds with her own. Now torn between love, principles, and promises made, she struggles to be true to her heart while standing for what she knows is right—no matter the cost. From the pages of history and the personal accounts of those who endured the Battle of Franklin, Tamera Alexander weaves the real-life love letters between Captain Roland Ward Jones and Miss Elizabeth Clouston into a story of unlikely romance first kindled amid the shadows of war. "Alexander's *With This Pledge* dusts off the archives and breathes life into the Battle of Franklin: believed to be the most brutal battle in the Civil War. Through Tamera Alexander's indomitable heroine, Lizzie Clouston, who transforms from governess to nurse out of necessity, we find ourselves contemplating our own inner strength should we also be faced with the unthinkable. Tamera Alexander's *With This Pledge* is not only historical fiction at its finest, but its most compelling." —Jolina Petersheim, bestselling author of *How the Light Gets In* "Tamera Alexander has once again given readers a beautifully written story full of strong characters and tender romance—all while staying true to the actual history of the people and events she describes. From the horrors of war to the hope of blossoming love, Lizzie and Roland's story will live in my heart for a very long time." —Anne Mateer, author of *Playing by Heart*
