Flowers for Mom delivers the perfect floral-related keepsake book that will go straight to a mother's heart. Mothers rarely need extravagance and complexity. Sometimes the simplest ideas are the best way to say I love you, Mom. Flowers for Mom is the first gift book to honor motherhood by comparing Mom's special qualities to those of flowers. Its striking photography illustrates the sentiments on each page, creating a warm and inviting message that mothers will find irresistible. More than 60 images capture the allure, beauty, and mother-like characteristics of soft roses, striking sunflowers, blooming cacti, magnificent orchids, and woodland wildflowers. Cleverly interwoven through this splendid bouquet is Kuchler's memorable ode to mothers, motherhood, and the universal attributes that endear moms to their children, whether they're toddlers buying gifts with Dad's help or grown sons and daughters evermore appreciative of what they've gained from a parent's special influence.

The Peaceful Mom April Cassidy,2018-03-27 Too many mothers long for peace but despair that it always seems out of reach. The stress of motherhood overwhelms their attempts to be the Christlike mom they aspire to be. Now moms can take heart: no matter where they are on their parenting journey, every mom can experience the power of Christ in a personal way that will radically change their lives, their outlook, their power source, and their approach to motherhood—and every other relationship as well. April Cassidy, author of *The Peaceful Wife*, returns to discuss how the peace of Christ can be found in the next stage of life. Rather than writing a how-to book on parenting, *The Peaceful Mom* is a guide for moms to lead by example. She first shows readers how to have their hearts and minds right with the Lord and to experience peace with God as their new normal. Then from that place of spiritual communion, April teaches moms how this peace helps them relate to their children in healthy, godly ways. Through their own flourishing relationship with Christ, moms can model God's peace in their family dynamics even amid everyday challenges and stress. Cassidy offers tangible, detailed steps to spiritual growth that any mother can follow. For moms who are ready to receive the healing and transformation available to them through Jesus, this book will open their eyes to see all of life--not just parenting--from a fresh, life-giving perspective.
